DOUBLE WINNER: Claude "Buddy" Young, of Illinois, who won both the 100 and 220 yard dashes in the NCAA Meet. Buddy is also a star on the football gridiron.

23rd Annual NCAA Championship Meet

Marquette University, Milwaukee, Wisconsin, June 10, 1944

The 23rd Annual NCAA Track and Field Meet was conducted by Marquette University at the Marquette Stadium in Milwaukee, Wisconsin, on June 10, 1944. Because of the number of Navy trainees who were participants and who could not be away from their institutions for longer than a 48-hour period, the meet was streamlined into a one-day event with the preliminaries in the afternoon and the finals at night.

The meet drew a fine number of schools and contestants, numbering 26 schools and colleges and over 100 different individuals. Twenty-three colleges and universities had contestants who scored one or more points. The majority of the teams came from the Middle West and East, although Fresno State College and the University of Utah were both represented by contestants. It was unfortunate that, due to travel conditions, no contestants were available from the Pacific Coast Conference, the Southwestern Conference, or the Southeastern Conference. These conferences have always furnished a number of fine individuals who were big point winners. The meet itself was unusually good. The University of Illinois, led by its great sprinter, Claude Young, finished first with a total of 70 points. Second place honors were fiercely contested by Notre Dame with 43 points and the University of Michigan with 40 points.

Claude Young, winning both the sprints and finishing second in the broad jump, was the individual star, although Harris of Morgan State also furnished some fireworks by winning both the low hurdles and the 440-yard dash. One of the defending champions, Fred Sheffield of Utah, was dethroned by Kenneth Wiesner, a Marquette athlete who topped him in the high jump.

Marquette University did an excellent job of promoting the meet, and a crowd of around 8,000 people attended with a total gate of \$5,145.22. Deducting the expenses and the amount that is annually prorated back to the NCAA, it left a balance of \$1,359.86 to prorate to the contestants who scored one or more points, the money being prorated on a man-mile basis.

It was the consensus of the coaches present that the meet was very worth while continuing, even though the competition could not be as large as usual. An informal rules meeting was held among the coaches present and no changes were suggested, but all present felt that track and field athletics should be continued and the athletes given as much chance as possible to compete.

Colored Intercollegiate Athletic Association

By E. P. HURT

Director of Physical Education, Morgan State College

The Colored Intercollegiate Athletic Association sponsored track and field in 1944 with six colleges producing teams. The conference meet was held at Hampton Institute, Hampton, Va. and was quite successful in spite of the many problems resulting from war conditions.

The outdoor season was inaugurated with the Howard University Relays. This meet was highlighted by Elmore Harris of Morgan who won the 100-yard dash, the 440-yard dash, and anchored two winning relay teams; by Barney Ewell of Camp Lee, Va. who won the 100-yard dash and the broad jump in the Service team division; by Don Barksdale of Camp Lee and Joshua Williamson of Camp Holabird, Md. who tied in the high jump; and by William Mathis of Cordoza of Washington, D. C. who won the scholastic sprints.

The conference was represented at the Pennsylvania Relays by Howard, Hampton, Virginia State, Lincoln and Morgan. Lincoln's mile relay team won its race. The Hampton and Morgan Relay teams earned places in their races. Elmore Harris of Morgan won the 400-meter hurdle championship.

Elmore Harris represented the conference in the NCAA Championships at Marquette University in Milwaukee, Wis. He won the 440-yard dash in 47.9 seconds and the 220-yard low hurdles in 23.9 seconds. He also won the 400-meter dash and the 200-meter low hurdles in the National AAU Championships at Randalls Island in New York and became the first man in the history of the meet to win this combination of events.

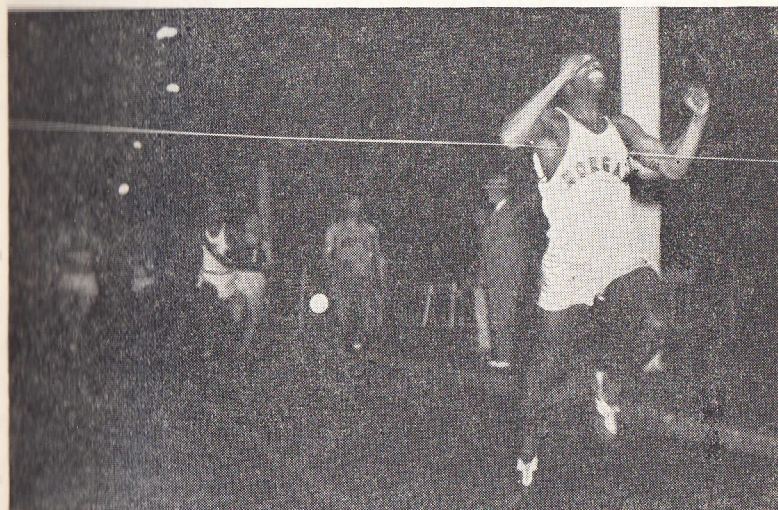

In the CIAA Open Championships, Morgan won the team trophy in the college and service team division and Armstrong of Washington, D. C. won the scholastic title.

IN PEACE . . . IN WAR

SPALDING HELPS AMERICANS WIN

Each peace-time year legions of American sports lovers depend on Spalding athletic equipment to better their games, to set new records.

To-day, along with sporting goods to keep soldiers and civilians healthy, Spalding is producing—in addition—a long list of war items to help assure an early victory for American fighters. A. G. Spalding & Bros. Division of Spalding Sales Corp.
