Dwayne Evans Tough to Beat

To describe the 1976 season of prep Athlete of the Year Dwayne Evans, it is easier to count up the few who beat him, than the many he dominated from March until July.

During his long season, the South Mountain (Phoenix) senior lost to just three men in prep, national, and Olympic competition, and two of the three world are record holders! Evans lost once to Harvey Glance in a 100-meter heat in the AAU Junior Championships; twice to Millard Hampton, at the Olympic Trials and in the Olympic final; and twice to Don Quarrie, in the Olympic semi and final.

He never lost a race at any distance to a prep, set prep records at both 200 meters (20.22) and 220 yards (20.5 and 20.58), and, of course, took the bronze medal at Montreal, becoming the first prep since decathlete Milt Campbell in 1952 to place in the first three.

Evans—the third consecutive speed merchant to win AOY honors—has always been fast. As a 13-year-old “little dude who loved to run,” he did wonders for the Hornets TC, running 10.5 and 24.1, and long jumping 19-11½, then the third-longest of all-time for that age. But specialization caught up with him in high school, with the long jump being dropped to concentrate on speed.

By the spring of this year, Dwayne was ready. Already a 9.4/20.9 performer from 1975, when he won the AAU Jr. meet and ranked 14th in the AOY balloting, Dwayne clocked a 9.4 and 20.8 by the end of March. He improved on that with a 9.44 auto-timed 100 yards in his State 3A championships, and doubled back with a 20.58 HSR in the 220.

Not until the Junior Nationals did he receive his first defeat of the year, that heat loss to Glance. In the final, Dwayne came back to beat the 100-meter co-record holder in a disputed race, but with a fine 10.1 PR.

Only at the Olympic Trials in Eugene, however, was the true potential of Dwayne Eugene Evans revealed. Easily he won his heat, quarter, and semi-final rounds, and then blazed his prep-record 20.22, moving to 9th on the all-time world list—from lane 11!

Dwayne feels he could have gone faster but for leg cramps which hit him during the final. “About 10 meters out of the blocks, I had my first cramp, and I had to let up two more times before the finish,” says the Arizona freshman. Regardless, Dwayne picked up a world Junior record and was on his way to Montreal.

Once there, Evans belied his 17 years with a maturity worthy of a veteran internationalist. First he inspected the track: “It’s hard, and it seems to be fast. It looks like the turn is wide, but it doesn’t matter what lane I’m in; I know what I have to do.”

He qualified easily through the first three rounds, and sounded confident going into the final. “The big names can’t depend on what they did in the past to get the gold medal,” warned Dwayne. A fine start and good curve in the final weren’t enough to hold off Quarrie and Hampton, but Evans outlasted the rest of the sprint world for the bronze medal.

Dissatisfied with less than first, he was momentarily upset by the results. “I knew I had to run the best race of my life to win . . . you saw what happened.” But later, Dwayne echoed a statement he made before the Games. “The American public thinks

there is only the gold medal; to win any medal at the Olympics is an honor.”

Will success spoil Dwayne Evans? “I’m trying not to be any different than I was,” says the 6-1/48 stringbean. “But I know it will come. I don’t try to talk about my experiences at the Olympics unless somebody asks me.”

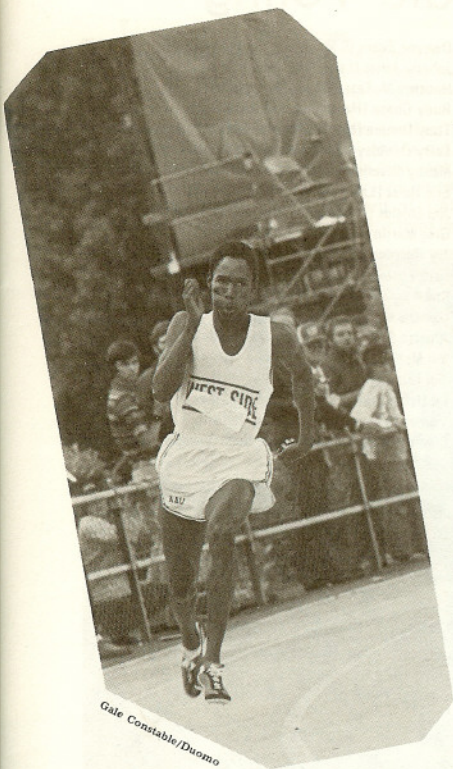

In fact, Evans rates as his biggest Olympic memory the flight coming home. “All the way on the plane I followed the route with a map they had,” admits Dwayne, who had never been out of the United States before. “I’ve been over Colorado before, so I knew when we got there that we were almost home. I was away a long time.”

As the youngest track medalist in the Olympic Games of Montreal, how does Dwayne view the total experience? “I didn’t really think of it as more than a big meet until I got up on the victory stand. Then I listened to the national anthem and a lot of thoughts ran through my mind, about being at the Olympics.” Still, Dwayne does not admit to feeling overwhelming pressure. “I just thought about running the type of race I’d been running all year, and to just let what was going to happen, happen.” What happened was a race which Dwayne feels “technique-wise, couldn’t have been much better.” He can go faster however: “If I get the right kind of training, add some weightlifting, I think I can do better.”

Perhaps faster in 1980, in Moscow? “That’s a long way away, but if I’m one of the top competitors

in '80, then I'd like to try for it."

Should Dwayne be there, still young as a 21-year-old, his attitude will be much like it was before the final furlong at Montreal. Someone asked if he was worried about choking, and Evans replied, "Nah, if you lose and you didn't do your best, then you've got four years to think about it. But if you give 100%, then you can deal with yourself. That's what I want to do—deal with myself."

Sprinters Dominate Voting

Unless you were a sprinter, you weren't really in the running for Athlete of the Year honors in 1976. Indeed, sprinters stole the top 3 spots—each with his own specialty.

Winner Dwayne Evans (he got 16 of 17 first-place votes cast by our panel of experts) is the curve runner, the real 220 man in the bunch, with three records around a bend.

Runner-up Johnny Jones is the most versatile one, earning No. 2 All-American honors (see p. 8) in all three sprints and getting an Olympic gold medal in the relay.

No. 3 Houston McTear (1975's No. 1) is Mr. super-starter, the best in the century, as his new 100m record shows. He got the other first-place vote.

Not to mention that the No. 5 spot also went to a sprinter, Tony Darden, with yet another specialty, the one-lapper, where he set a new 400m record.

Bridging the gap between the sprinters was last year's runner-up, distanceman Rudy Chapa.

JOHNNY JONES

HOUSTON MCTEAR

Only a super stat freak who memorizes high school lists to the bottom would have known much of Johnny Jones before 1976 began. He was 45th on the 440 list as a soph (48.3) and 13th as a junior (47.6).

It was some progress he made, then, in finishing fourth in the Olympic Trials 100, sixth in the Olympic Games 100 and earning a relay gold at Montreal.

Some progress because until March 20 of 1976 he had never even run a 100. "Johnny's a real competitive kid," says coach Scott Boyd. "He was real psyched up for that 100. He went out and ran 9.3 and 9.2 windy—then we started coaching him." At the time, he added, "We still think his best bet to make the Olympics lies in the 400." Wrong.

Jones ended up qualifying for the Trials in all three sprints, and wound up with seasonal bests of 9.3, 9.1w, 10.23, 20.7, 46.16m and 45.1r. Not to mention long jumping a windy 24-1/4. Not a bad season for a football player.

Dizzying ups-and-downs marked the '76 season of last year's Athlete of the Year, Houston McTear.

Competitively, he started off the season as strong as ever, going undefeated through his State meet in May. But Houston then suffered his first-ever loss to a prep, a 21.3 to 21.5 220 loss to Orlando junior Cyril Wyatt at the Sunshine Invitational. Later, at the biggest American sprint confrontation of the season outside of the Olympic Trials, McTear finished a ragged seventh in the King Games 100 meters.

Astonishingly, Houston was plucked from poverty in Florida and took up residence at the home of a Los Angeles millionaire. Just in time, his sprinting started to come around. At the Olympic Trials, he improved every round and smashed his way to a prep-record 10.16 and the second spot on the Olympic team.

In that same race, however, McTear pulled a muscle, and he was eventually replaced on the squad to Montreal by Johnny Jones.

THE OLYMPIC TRAIL

Ted Meredith to Johnny Jones.

A span of 64 years separates the careers of these two outstanding prep runners. But one factor makes them identical—both are Olympic gold medal winners.

Meredith (Mercersburg, Pa.), was the first high schooler ever to win an Olympic title—and he did it in a big way at Stockholm in 1912. He first took the 800 in a world record 1:51.9 (continuing on to the 880 mark for another global standard of 1:52.5), finished 4th in the 400 and then ran the third leg on

TED MEREDITH—Stockholm, 1912

the US 1600-meter relay team which also set a world record.

Jones, the speedster from Lampasas, Tex., was almost as stellar in 1976. For even though he didn't run his first ever 100 until March of the Olympic year, four months later he was in the Olympic final.

A 6th-placer in that race he really made his mark in the 400 relay. He handled the second leg, and despite very careful passing from Harvey Gance, he rocketed the backstretch of every race. In the final he burst to a lead which was never relinquished as the US sped to a 38.33 and Johnny had his gold.

Originally, Jones, 4th in the OT 100, was only on the relay team. He got his chance in the individual race when 1975's Athlete of the Year, Houston McTear (Baker, Fla.) tore a leg muscle in his 10.16 HSR in the Trials and had to drop off the team after reinjuring it in training camp.

Also grabbing Olympic glory was another prep merchant, Dwayne Evans (South Mountain, Phoenix). Unlike Jones in the 100, Evans had been sensational all year in the 200. He had set prep records in the 220 (20.58) and 200 (20.22) to place second in the

Olympic Trials). And in the Games, he ran a superb 20.43 to turn back '72 bronze medalist Pietro Mennea of Italy and win the bronze himself. That was the highlight of the year which gave Evans Athlete of the Year honors.

Back in 1912, Meredith wasn't the only prep to make the US team. Howard Drew (Springfield, Mass.) was a leading sprinter but he was injured in a 100 semi and couldn't run the final.

It wasn't for another dozen years that a prep made the US team, but in 1924 Frank Hussey duplicated Meredith's feat of striking Olympic gold when he led off the US's winning 400 relay unit. Four years later in Amsterdam, Lee Barnes (Hollywood, Calif.) won the vault at 12-11½ and Frank Wykoff (Los Angeles) placed 4th in the 100 and won the first of three sprint relay golds. Sid Bowerman (Hammond, La.) triple jumped 47-1 for 9th.

At Los Angeles in 1932, hometown junior Cornelius Johnson cleared the same height as high jump champion Duncan McNaughton of Canada but placed 4th in a jumpoff. Four years later in Berlin, Louisiana's Billy Brown triple-hopped 47-1½ but didn't make the final.

A high schooler made some of the biggest headlines at London in 1948, as Bob Mathias (Tulare, Calif.) won the decathlon at age 17, still the youngest of any male track winner in Olympic history. Four years later in Helsinki, Mathias retained his title as Plainfield, N.J., junior Milt Campbell won the silver medal.

Eight years went by before preps again ran in the Olympics—but the two in Tokyo were two of the greatest names in high school distance running. Gerry Lindgren (Rogers, Spokane) placed a creditable 9th in the 10,000 despite a swollen ankle, while junior Jim Ryun (East, Wichita, Kans.) made it through the heats of the 1500 but was weakened by illness and lost out in the semi-finals.

Before Jones and Evans of '76, the last two preps to represent the US in the Olympics were a pair of jumpers in '68. Reynaldo Brown (Compton, Calif.) high jumped 7-¼ in 5th, but Casey Carrigan (Orting, Wash.) couldn't make the qualifying height in the vault. Both set still-standing prep marks.

No preps made it to Munich in '72; in fact, none were close as only high hurdler Larry Shipp (St Albans, Washington, DC), long jumper Ken Duncan (McClatchy, Sacramento, Calif.), hammer thrower Alvin Jackson (Classical, Providence, RI) and decathlete Craig Brigham (South, Eugene, Ore.) made it to the Olympic Trials.

Besides Jones and Evans, who made the '76 US team, and the ill-fated McTear who made it and then didn't, two other preps contested Olympic berths.

Rudy Chapa (Hammond, Ind.) wasn't a factor in his heat of the 10,000, finishing a non-qualifying 6th in 30:36.4. That wasn't even close to his fine prep record 28:32.8 set in April.

Tony Darden (Norristown, Pa.) also failed to duplicate his record form (45.7 400 two weeks before the Trials) with 47.65 heat (5th) and 47.41 quarterfinal (6th) clockings.

But they shouldn't be displeased with their performances. A great many open athletes would give their eye-teeth just to make the Olympic Trials as these preps did. To make the Trials—let alone make the team and win medals—is an admirable achievement. □

1976 All-American Team

The high number of junior rating as top dogs in their events in 1975 (10) meant that a lot of familiar faces showed up on the 1976 T&FN Prep All-American Team. In fact, 7 repeated as No. 1, with another in the runner-up slot and another third.

Two performers, Houston McTear and Eric Hulst, made it 1-2-3 for their high school careers.

Several athletes scored in multiple events, the most notable being sprinter Johnny Jones, who claimed the runner-up slot in the 100, 220 and 440. Maybe he should have concentrated on one race.

These selections are based on the number and quality of top performances, winning efforts in important meets and results of head-to-head competitions with other leading performers.

100—HOUSTON MCTEAR (Baker, Fla): In a season hampered by off-track difficulties, McTear was most impressive in his 10.16 HSR race at the Olympic Trials (second). Unfortunately, that same race produced a leg injury which kept him out of the Games. At yard distances, he also ran a 9.3 and two 9.4s. 2. Johnny Jones (Lampasas, Tex); 3. Dwayne Evans (South Mountain, Phoenix).

220—DWAYNE EVANS (South Mountain, Phoenix): Evans became the finest half-lap runner in prep history with 3 different records—20.5y, 20.58y and 20.22m. The latter mark gave him an Olympic berth, a spot he parlayed into a bronze medal. A double winner in the Junior AAU (10.1, 20.5), he

had 15 races at 20.8 or faster. 2. Johnny Jones (Lampasas, Tex); 3. Jeff Phillips (Whitehall, Columbus, Ohio).

440—TONY DARDEN (Norristown, Pa): Darden won the Junior AAU in a HS record 45.7m, then made it to the quarterfinals of the Olympic Trials. Continuing his Junior Team running, he won against both the USSR and West Germany. 2. Johnny Jones (Lampasas, Tex); 3. Larry Goldston (Fountain-Ft Carson, Fountain, Colo—junior).

880—STEVE SCHELLENBERGER (Forest View, Arlington Heights, Ill): The top-dog of 1975, Schellenberger saw limited action this year because of injuries, but did take his State title in 1:50.0 and produced the year's fastest time (1:49.3) in winning the International Prep. 2. Dyrk Dahl (Fountain-Ft Carson, Fountain, Colo); 3. Mark Gauger (Spring Woods, Houston).

1 Mile—ED DELASHMUTT (Ft Madison, Iowa): Undefeated by preps (3rd in Jr Ch), Ed followed his 4:08.9 best with big wins in the Atlanta Classic (4:09.7), International Prep (4:07.3) and Golden West (4:10.6). 2. Rudy Chapa (Hammond, Ind); 3. Steve O'Connell (Millburn, N.J.).

Steeple—JIM SHIELDS (Chaminade, Mineola, NY): Shields smashed the old prep record by nearly 14 seconds with his 8:52.6 win om tje Kimopr AAU. And his 9:03.2 win against the USSR Juniors rates as the No. 2 time ever. 2. John Gustafson (South, Eugene—No. 1 in 1975); 3. Dave Daniels (San Geronio, San Bernardino, Calif.).

Two Miles—ERIC HULST (Laguna Beach, Calif): After a pair of swift early-season losses to rival Thom Hunt (8:47.4 to 8:45.2 and 8:52.6 to 8:49.6), Eric did not lose again. His 8:44.6 stiffened his hold on third on the all-time list, with the No. 4 performance. This despite concentrating on the 10,000, where he set short-lived prep records. 2. Thom Hunt (Henry, San Diego); 3. Bill McChesney (South, Eugene).

Three Miles—ALBERTO SALAZAR (Wayland, Mass): Another repeater, Salazar ran 13:44.8 before taking second (first prep) in the Junior Champs (14:15.2m). He also won against the West German Juniors (14:06.2). 2. Bill McChesney (South, Eugene); 3. Randy Jackson (Iowa City, Iowa).

Six Miles—RUDY CHAPA (Hammond, Ind): Completing the list of distance repeaters, Chapa had to go some to claim first spot this year, as runners-up Hulst and McChesney set earlier records which he had to break. Break them he did, with 27:36.4/28:32.8m performances in the Drake Relays. Ran poorly in the Olympic Trials though. Also won the IPI 2M title (8:53.8). 2. Eric Hulst (Laguna Beach, Calif); 3. Bill McChesney (South, Eugene).

Long Distances—JIM SANE (Cordova, Rancho Cordova, Calif): Jim was very active on the roads, with four marathons (best of 2:31:50) and an off-track 30k record of 1:42:27. 2. Thom Hunt (Henry, San Diego); 3. Eric Hulst (Laguna Beach).

120 Hurdles—GREG FOSTER (Proviso East, Maywood, Ill): Foster is one of eight individual record setters to make the AA squad, off his 13.2 win at the IPI. 2. Dan Oliver (Triway, Wooster, Ohio); 3. Dan Lavitt (Southeast, Raytown, Mo).

Eric Hulst—best 2-miler three years in a row.

Dave Stock

180 Hurdles—DAN LAVITT (South, Raytown, Mo): No. 1 in 1975 as a junior, Lavitt just missed the straightaway record by a 10th with his 18.2 this year. Also had a windy 18.2, plus an 18.3. 2. Dan Oliver (Triway, Wooster, Ohio); 3. Gary Colston (Bogalusa, La).

330 Hurdles—CHARLES WHITE (San Fernando, Calif): Football star White equaled the best-ever over the lows (36.0) and moved to No. 4 in the intermediates with a 36.4 IPI win. 2. Greg Foster (Proviso East, Maywood, Ill); 3. Jim Little (Woodbridge, Va).

400 Hurdles—JIM LITTLE (Woodbridge, Va): Topped a season of three races at 52.0 or faster with a 51.45 against the West German Juniors. Was second in the Junior Champs (51.7). 2. Charles White (San Fernando, Calif); 3. Bill Galbraith (West, Cherry Hills, NJ).

High Jump—GAIL OLSON (Sycamore, Ill): This soph sensation looked good with a class and age-15 record pop of 7-0. Then he turned 16 and upped the standards to 7-2. 2. Jay Reardon (Rockhurst, Kansas City); 3. John Lane (American, Fremont, Calif).

Pole Vault—BILL HARTLEY (Southern Ocean Regional, Manahawkin, NJ): Bill was the most consistent vaulter, with four 16-footers topped by a 16-1½ win at the Atlanta Classic. Won both the Junior Ch and Golden West with 16-footers. Only loss was a 3rd at IPI. 2. Tom Hintnaus (Aviation, Redondo Beach, Calif); 3. Brian Kimball (Northrop, Ft Wayne—No. 1 in '75).

Long Jump—LARRY DOUBLEY (Manual Arts, Los Angeles): Doubley changed high schools after his junior season and unloaded his long frame to the No. 3 and 4 performances in prep history, winning at IPI (25-11½) and against the West German Juniors (25-11). Was undefeated, with eight 25-plus meets. 2. Todd Bell (Middletown, Ohio—junior); 3. Jay Reardon (Rockhurst, Kansas City).

Dan Lavitt—again the best in the lows.

Triple Jump—GREG CALDWELL (Fremont, Los Angeles): Greg was the most consistent jumper, with wins at State (51-8½w) and GWI (51-9½w). Lost to Parrette by ¼" at IPI. Caldwell also jumped 6-9 and 24-0. 2. Vincent Parrette (Shawnee Mission South, Overland Park, Kans); 3. Eddie Tate (Bloom Township, Chicago Heights).

Shot—STEVE MONTGOMERY (Lassen, Susanville, Calif): Montgomery's 68-5½ IPI win and 68-0 State win led the nation. He had six 65-plus meets and showed his strength in the 16-pounder with a 57-9½ Junior win, plus 57-9½ and 57-8½ on the Junior tour. 2. John McKenzie (Hart, Newhall, Calif); 3. Tony Harlin (Nanuet, NY).

Discus—GREG MARTIN (Pascagoula, Miss): Martin had five meets over 190, topped by his national record 202-9 at the IPI. Also won the Atlanta Classic (197-11). 2. Scott Endler (Hoover, Fresno); 3. Doc Luckie (Central, Ft Pierce, Fla—junior).

Hammer—MANNY SILVERIO (North Bergen, NJ): Another repeater, Silverio broke hammer records six times: 229-2 and 231-11 with the 12; 193-4, 196-11, 200-10 and 202-9 with the 16. 2. Tim Bruno (Ferris, Jersey City); 3. Tom Lenz (Classical, Providence, RI).

Javelin—VORNEY O'QUIN (South Lafourche, Galliano, La): O'Quin's 244-8 IPI win gave him the national lead by 15 feet. Had five 230-plus meets, with another four over 220. 2. John Rogalo (Morris Knolls, Denville, NJ); 3. Kim Shafer (Reeder, ND).

Decathlon—VIN REILLY (St Joseph, Metuchen, NJ): The only junior to rate No. 1 this year, vault specialist Reilly (15-0) scored 6895 to move to No. 5 all-time. 2. Liston Bochette (Ft Myers, Fla); 3. Dannie Jackson (Santa Rita, Tucson—No. 1 in LJ last year).

440 Relay—ABILENE, Texas: A repeat for this school as its 40.6 State win was the year's fastest. 2. Kennedy, Barstow, Calif; 3. Columbia, West Columbia, Tex.

880 Relay—OAKRIDGE, Orlando, Florida: A team of all underclassmen, this squad led the nation with 1:26.3 and had five sub-1:27 races. 2. North Central, Nora, Ind; 3. Central, Little Rock, Ark.

1 Mile Relay—MADISON, Houston: This foursome equalled the national record of 3:11.8 in its regional, and had No. 5 performance (3:12.6) at State. Seven races at 3:15.1 or faster. 2. Killeen, Tex; 2. Worthing, Houston.

Two-Mile Relay—THORNTON, Harvey, Illinois: The greatest race in 10 years went to Thornton in 7:38.0 (No. 3 ever) as four teams beat 7:40. Charles White anchored with 1:49.5. 2. Lyons Township, LaGrange, Ill; 3. East, Rockford, Ill.

Four-Mile Relay—SOUTH, Eugene: South repeated (slightly different team) by taking 5.2 seconds off its own record with 17:06.6. 2. Wagner, Staten Island, NY; 3. Archbishop Molloy, Jamaica, NY.

Sprint Medley—LEE, Baytown, Texas: Lee produced the best time since 1967 (3:26.4) to move to No. 5 all-time. 2. Lincoln, Jersey City; 3. Power Memorial, NYC.

Distance Medley—POWER MEMORIAL, NYC: Powerful Power won the prestigious Penn Relays race (a metric 10:02.2, worth 10:07.2) by more than 2 seconds. 2. Bishop Loughlin, Brooklyn; 3. Christian Brothers Academy, Lincroft, NJ.

480 Hurdles—ROTH, Dayton, Ohio: This all-underclass squad ran 54.1 and 54.0 record races (old 54.7) in the high-lows. 2. Neptune, NJ; 3. Northeast, St. Petersburg, Fla. □

SPRINTS

The Olympic year, with all of its record-smashing and superb efforts, finally came down to three sprinters and their involvement in the Olympics, as Dwayne Evans, Johnny Jones and Houston McTear all made the US squad. More details on their sensational seasons appear on pp. 4-6.

Their supporting cast was also impressive, with three seniors coming up with 9.3/21.2 clockings—Mike Keys (Charlottesville, Va), Calvin Raley (Raines, Jacksonville) and Curtis Dickey (Bryan, Tex).

Dickey was a double state champ, as were 9.4/21.2 performer Preston Brown (Maplewood, Nashville) and 9.4/10.3, 20.8w/21.0 flash Jeff Phillips (Whitehall, Columbus, Ohio). Phillips was also a double winner at the Golden West.

Other top seniors were Keith Brown (McDonogh, Pikesville, Md) at 9.4, 21.3, 47.1 (the first triple winner in Junior Olympic history), Dupree Branch (Barstow, Calif) at 9.4, 20.8, 47.9 and Mike Curry (Bulkeley, Hartford, Conn) at 9.5 and 21.1.

The top returnee is probably Cyril Wyatt (Oakridge, Orlando, Fla)—9.4, 10.46 and 21.21), but he will be challenged by the likes of James Fields (New Bern, N Car)—9.4, 21.5, 48.1), Ron Nelson (Rockledge, Fla)—9.5, 9.2w, 21.2) and Rich Edwards (New Britain, Conn)—9.5, 10.3, 21.1).

Also back are Dave Russell (Henry, San Diego)—9.5, 21.1), Jerome Deal (Aberdeen, Md)—21.0) and juniors Carl Williams (Columbia, West Columbia, Tex)—9.5, 21.3) and Mike Miller (Northern, Flint, Mich)—21.1 =soph record).

All the sprint records seem to be safe, with no McTears or Evanses returning, but there should be plenty of 9.3 and sub-21 clockings as at least 13 9.5

performers return for another year.

440 YARDS

Tony Darden (Norristown, Pa) and Johnny Jones were the class of the one-lappers. AAU Junior champ Darden (45.7m HSR) had six sub-47 races and advanced to the quarterfinals of the Olympic Trials before faltering. He was a triple state champ with 9.5, 21.0 and 47.5 clockings.

The California State title (47.6) went to impressive Derald Harris, who in his first year of track went undefeated and also won the International Prep (46.9) and Golden West (47.5) titles. California also had William Mullins (Hamilton, LA) at 47.2 (45.9r).

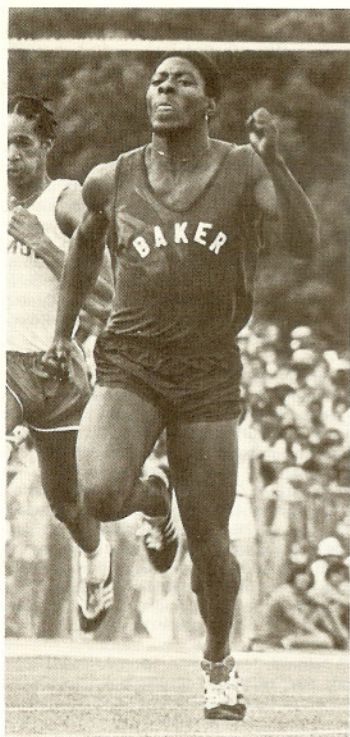

Madison of Houston had two good reasons why it equaled the mile relay record in Joe Johnson (47.5) and Edwin Newsome (47.6).

Much of the 1976 action took place in Ohio—it will be the same in 1977. Steve Davis (Adams, Cleveland) and Derrek Harbour (Glenville, Cleveland) both ran 47.5s, with Davis at 45.9r and Harbour 46.1r—but both took back seats to underclassmen. Jeff Walker (North, Akron) ran 9.5, 20.9w and 46.9 before producing a stunning 46.2 (junior class record) which moved him to No. 3 on the all-time list. The state champ, though, was 1974 winner Antone Blair (Alliance) who did 46.9 (and 21.0).

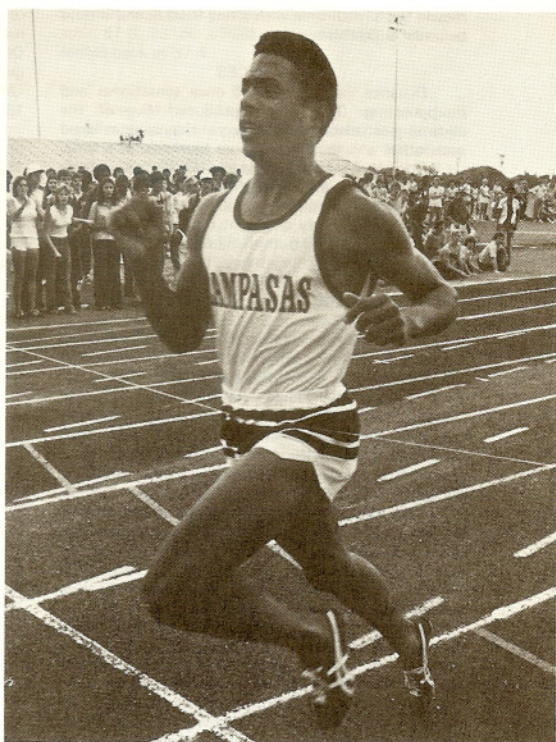

When those two get together, the national record could return to Ohio—unless Larry Goldston (Fountain-Ft. Carson, Fountain, Colo) gets there first. Unheralded Goldston produced a 46.3m at the Junior AAU.

880 YARDS

Seasonal climax for Illinois' Steve Schellenberger

Phil Bannister

Typifying sprint-conscious 1976 were flashes Houston McTear (l) and Johnny Jones.

(Forest View, Arlington Heights) and Colorado's Dyrk Dahl (Fountain-Ft. Carson, Fountain) was the IPI meet. Schellenberger, injured most of the season, had just taken his State title in 1:50.0, while Dahl had twice sped 1:49.9m, one of them for fourth in the AAU Junior, and also took the Atlanta Classic title in 1:50.6. The match saw Schellenberger nipping Dahl by inches, as both timed 1:49.3. Texan Mark Gauger (Spring Woods, Houston), after four sub-1:51.3 races, was third in 1:50.4.

Other top seniors were John Anich (Hoban, Akron, Ohio) with a Tri-States win in 1:51.0, and Kelley Marsh (Northside, Muncie, Ind) at 1:51.3. Sophs Chris Heroux (Maine North, Des Plaines, Ill) and William Contee (Woodson, Washington, DC) at 1:51.5 lead ten others at 1:53.2 or quicker. Fastest relay split was a big 1:48.4 for Ron Green of Memphis Washington.

MILE

After his sensational indoor mile record (4:02.7), Thom Hunt (Henry, San Diego) was the early favorite for mile honors, but a midseason virus slowed him down and the top spot was left wide open.

Rudy Chapa (Hammond, Ind) filled the slot statistically with the top time (4:05.8), but the best was Ed Delashmutt (Ft Madison, Ia) who followed an early 4:08.9 with titles at the Atlanta Classic (4:09.7), IPI (4:07.3), and GWI (4:10.6). He also sped a 3:47.7 1500 for third at the AAU Juniors, and defeated the Eastern best in Steve O'Connell

(Millburn, NJ) and Western best in Rick Kumm (Sprague, Salem, Ore) at the GWI (both clocked 4:10.7). Kumm won a super state meet race in 4:06.3 over the 4:08.0s for 1:51.5 half-miler Kelly Britz (Jesuit, Portland) and John Gustafson (South, Eugene). Millburn was very consistent with Penn Relays (4:11.8), State (4:10.5), state group (4:10.7) and New York Relays (4:09.2) wins. His sole loss was to Luis Ostolozaga (Bishop Loughlin, Brooklyn) 4:10.7 to 4:10.6.

In 1977, watch for sub-4:08 races in Illinois, New York and California. Illinois returns Bob Hicks (Sandburg, Orland Park), and junior Todd McAllister (Deerfield) at 4:09.2 and 4:10.2. New York has Dave O'Connor (Valley Central, Montgomery) who took the state meet over Steve Francis (Arlington, Poughkeepsie), 4:10.8 to 4:11.2. California has Dave Daniels (San Geronio, San Bernardino) at 4:11.9, plus junior Sal Peralta (Santa Fe, Santa Fe Springs) at 4:12.1. Nine others under 4:14 are also back to provide a marvelous supporting cast.

STEEPLECHASE

As preps get more chances to run the barriers, this event gets better each year. John Gustafson, who set the record of 9:06.8 in 1975, broke that mark with a 9:06.4 at the AAU Junior, but was nearly 14 seconds back of winner Jim Shields (Chaminade, Mineola, NY), whose 8:52.6 is a great achievement. Jim later ran the second fastest ever as well, a 9:03.2 win against the USSR Junior team. Miller Daniels

moved to third all-time with a fine 9:10.8, and should be under 9:00 this season.

DISTANCES

Distance running was at once sensational and disappointing. The season produced five of the all-time great distance runners, yet they seldom faced each other and then never more than two at a time.

Eric Hulst (Laguna Beach, Calif) and Chapa concentrated on making the Olympic Trials 10,000 meters, so their prep efforts, though superb, were not record-breakers. Early on, Hunt topped Hulst 4:06.6 to 4:09.5, and 8:49.6 to 8:52.6, with Don Moses (Crescenta Valley, La Crescenta) at 4:08.5 and 8:57.4. Two weeks later it was Hunt, Hulst, and Moses in 8:45.2, 8:47.4, and 8:52.6, with two more under 8:55.

In the meantime, junior Bill McChesney (South, Eugene) broke the national 6M/10,000 records of 28:22.8/29:11.2, with 28:09.4/29:06.8 efforts. Six days later, at the Florida Relays, Chapa had near misses of 28:11.0/29:09.4, followed two days later by Hulst's record smashing 27:58.0/28:55.0 clockings. Then at the Drake Relays, Chapa settled the issue with an Olympic Trials qualifying 27:36.4/28:32.8.

Back at 2M, Hulst kept his third all-time position and fourth fastest performance with a solo 8:44.6. McChesney took the state title (8:51.0) and Chapa, after an 8:52.6, took the IPI title in 8:53.8 from Alberto Salazar (Wayland, Mass) who had earlier taken the Penn Relays in 8:53.8.

Salazar totally dominated the 3M/5000 scene with a fine 14:04.8m, a second at the AAU Junior (13:43.2/14:15.2), 14:06.2 against the West German Juniors and 14:08.0 against the Soviet Juniors.

McChesney, who clocked 4:10.6, hit 13:44.4/14:13.2, the latter two for junior-class records. No one will come near him this coming season, and if he has the desire and escapes injury, he can lower the 6M/10,000 records, possibly bring the 2M record back to Oregon, and perhaps even approach Gerry Lindgren's amazing 3M/5000 records.

Twelve others under 9:10 also return, the best of whom may be Tom Graves (Sandburg, Orland Park, Ill) with 9:00.6 as a soph, John Mathiason (Ft Madison, Ia) and Brent Hoffman (St Petersburg, Fla) off 9:01.8s, and Tim Holmes (Downey, Modesto, Calif) at 9:02.4, 14:12.2, and 30:11.2.

LONG DISTANCES

Hunt ran one marathon, and his 2:24:06 was just 19 seconds off the national record. Hulst ran two and his 2:27:25 moved him to fifth all-time. But the workhorses were Jim Sane (Cordova, Rancho Cordova, Calif) and Chris Soler (Mt Vernon, Wash) with four apiece. Soler went 2:30:42 with Sane at 2:31:50, while Sane also held the national 30-kilo record (1:42:27) briefly before Mike Cotton (New Canaan, Conn) lowered it to 1:38:53.

HIGH-LOW HURDLES

As in 1975, the hurdlers had a fine year, as five sped 13.4 or faster. Fastest was Greg Foster (Proviso East, Maywood, Ill), whose 13.2 IPI win matched the national record set last year by Mike Roberson and Dedy Cooper. In that IPI race, Dan Lavitt (South, Raytown, Mo) chased Foster with 13.4 and Karl Williams (Wythe, Richmond, Va) was right behind at 13.5.

All three had been hot prior to the IPI: Foster took his state title in 13.3, Lavitt had another 13.4 and a 13.5, while Williams won his state crown ahead

of Rodney Chesley (Charlottesville), who had earlier run 13.4 and 13.5. The other top hurdler was Dan Oliver (Triway, Wooster, Ohio) whose 13.4 state win gave him a share of fourth all-time. He also won the GWI (13.5), ran the 42" highs in 14.1m and sped 18.6 in the turn lows, equal-third fastest all-time.

In the lows, Lavitt missed the straightaway record by a tenth with his 18.2 and he also clocked 18.3 and 18.2 windy. Mike Ball (Wyoming Park, Wyoming, Mich), a 9.5 sprinter, was a tenth off the turn record with his 18.4. Top returnees include Eugene Miller (Dunedin, Fla) at 13.5, Renaldo Nehemiah (Scotch Plains-Fanwood, Scotch Plains, NJ) at 13.6 and Marshall Parks (Roth, Dayton, Ohio) at 13.6, 14.2m (42") and 18.8st. Nine are back at 13.8 or faster. The fine hurdling tradition of Central of Little Rock, Ark., should continue as Barry Brown returns after 13.7/18.7 marks as a junior.

INTERMEDIATE HURDLES

In the longer hurdle races, the uncontested stars were from opposite sides of the country, Charles White (San Fernando, Calif) and Jim Little (Woodbridge, Va). White first matched the best-ever over the 330 lows with his 36.0 before easily taking the IPI intermediate title in 36.4 to equal the fourth-fastest all-time. Greg Foster (36.4) and J.D. Hill (Southeast, Kansas City, Mo) at 36.7 were right behind.

Little had six races under 37.5, topped by his 36.7 win at the Atlanta Classic. Second in the AAU Junior one-lapper (51.7m), Little then sped 51.45m against the West German Juniors to move to third all-time. White, in his European tour, hit 52.1, 52.5 and finally 51.5.

Top returnee looks to be Leonard Lewis (Ball, Galveston, Tex) off his 37.5. Watch out for Dexter Hawkins (West Fulton, Atlanta, Ga). That school produced Tommie Lee White and James Walker and last year Hawkins matched the frosh 330IH mark of 38.2 and chopped 0.4 from the frosh highs mark with his 14.2.

HIGH JUMP

The high jump has seen amazing improvement in recent years and looks ready for another explosion in '77. It wouldn't be surprising to see as many as 15 7-footers as 17 return at 6-10 or better. The best, and the one to finally topple Rey Brown's impressive 7-3 national mark, could be junior Gail Olson (Sycamore, Ill). As a soph in '76, Olson first set an age-15 and soph record of 7-0 before climbing to second all-time with an age-16 record 7-2.

There were seven others at 7-0 or higher with Bob Berry (North Central, Nora, Ind) and Lucian Moore (Pierce, Tacoma, Wash) the closest to Olson with 7-1 clearances. Two triple threats were Jay Reardon (Rockhurst, Kansas City, Mo) and Brett Eppert (Mt Vernon, Alexandria, Va). Reardon had three 7-footers, the highest at 7- $\frac{1}{2}$ to win the IPI meet, and at his state meet won with 7- $\frac{1}{4}$, 24-8 $\frac{1}{2}$ and 50-10 $\frac{1}{2}$ w (49-7 legal) efforts. Eppert also had three 7-footers and bests of 7- $\frac{1}{4}$, 23-9 $\frac{1}{2}$ and 50-4.

Besides Olson, the top returnees look to be Jeff Woodard (New Albany, Ind) at 6-11, and John Birch (Mainland, Daytona Beach, Fla) and Chris Becton (Bensalem Township, Cornwells Heights, Pa) at 6-10 $\frac{1}{2}$.

POLE VAULT

Tom Hintnaus (Aviation, Redondo Beach, Calif) led the vaulters with 16-4 $\frac{1}{2}$ and his 16-0 topped Brett Dames (Marshall, Milwaukee, Wisc) and Bill Hartley (Southern Ocean Regional, Manahawkin, NJ) on

misses at the IPI. Hartley had earlier won the Atlanta Classic at 16-1½ and later took the GWI at 16-0 on misses from Brian Kimball (Northrop, Ft Wayne, Ind). Anthony Curran (Crespi Carmelite, Encino, Calif) set a sophomore class record of 15-9½ and, along with Gary Lankford (Taylor, Tex) at 15-9 and Jim Sidler (Villa Park, Calif) at 15-8, leads back seven returnees who all topped 15-3. Sixteen feet has been a tough barrier for preps and '77 should be no different, but 44 topped 15-foot and that number should increase.

LONG JUMP

Larry Doubly (Manual Arts, Los Angeles) is an athlete with super potential and every time he stepped on the runway in '76 there was the possibility of a 26-footer. His 25-11½ IPI win and 25-11 versus the West German Juniors rate as the No. 3 and No. 4 prep performances ever. He also won the AAU Junior title (25-7½) and had five other meets beyond 25-feet.

Todd Bell (Middletown, Ohio) topped Jesse Owens' 43-year-old state record with a 25-5 pop and returns with a chance to nab the national record. Two fine seniors were Paul Wilson (Fontana, Calif) at 24-11½ and Dannie Jackson (Santa Rita, Tucson, Ariz) at 24-8. The versatile Jackson also topped 6-11 and totaled 6486 points in the decathlon. Six over 24-foot return, with Barry Davis (Beaumont, St Louis, Mo) at 24-5/49-2 and Kurt Durham (Oakland, Calif) at 24-6/48-3 being two of the best.

TRIPLE JUMP

The IPI triple jump was a super event with six jumpers bounding beyond 49-feet. Vincent Parrette (Shawnee Mission South, Overland Park, Kans), an 18.5 low hurdler, eked out a narrow win at 51-6½ as Greg Caldwell (Fremont, Los Angeles) ended up just ¼" back. Eddie Tate (Bloom Township, Chicago Heights, Ill) hit 50-10; then came Eppert's 50-4, 49-10½ for Alvin Perryman (Danville, Ill) and 49-3 for 24-5 long leaper Kerry Rice (Southeast, Springfield, Ill).

Caldwell was the most consistent jumper as he had state (51-8½) and GWI (51-9½) wins (the latter over Tate's 50-11½), plus 51-5 and 50-5 efforts. California, loaded as usual, had four others at 50-11 or farther.

The top returnees besides Barry Davis should be David Lee (University City, Mo) at 49-2½ and Dokie Williams (Oceanside, Calif), whose 49-1 as a soph is an age-15 record.

SHOT

California dominated the shot. John McKenzie (Hart, Newhall) tallied four meets over 67-feet and a 67-9 best, plus a GWI win at 67-6½ and was generally unbeatable—except when he ran into Steve Montgomery (Lassen, Susanville). Steve hit 68-0 (plus 188-5) at State and then 68-5½ at the IPI where McKenzie reached 67-¾. The other top Californian was Jeff Stover (Corning) who, because his section qualifies only one performer per event to the state meet, was out in the cold with a 65-2½ effort.

Best in the East was Tony Harlin (Nanuet, NY) at 66-½, but he lost the Eastern States title to Vaughn Skidmore (Ocean Township, Oakhurst, NJ) whose best was 65-8. The top returnee, and best chance for a 70-footer, is Vince Goldsmith (Mt Tahoma, Tacoma, Wash), whose 65-10 is an age-16 record. Seven others return beyond 60-feet led by the 64-7 for Doc Luckie (Central, Ft Pierce, Fla). Montgomery, the AAU Junior champ with the

international ball (57-9½), had three 16-lb. efforts over 57-9 led by 57-9½, while McKenzie was just inches back at 57-4.

DISCUS

Greg Martin (Pascagoula, Miss) concluded an undefeated and very consistent season at the IPI meet with a 202-9 effort to top Ray Burton's '74 national record (201-6) and the all-time prep best of 201-7 by Jim Howard. In all, Martin had five meets beyond 190-feet, including a 197-11 Atlanta Classic triumph.

Also consistent was Scott Endler (Hoover, Fresno, Calif) as he won at State (192-10), was second to Martin at the IPI (193-3) and then boomed one 200-4 to take the GWI title from the 196-10 for Guy Sellars (Monahans, Tex). Nine topped 190 and two of them, age-16 recordman Doc Luckie at 198-7 and Mark Sutherland (Shawnee Mission South, Overland Park, Kans) at 193-6, should provide some action at near-record levels in 1977.

HAMMER

Manny Silverio (North Bergen, NJ) smashed the hammer records a total of six times. With the international implement, he first topped Al Jackson's '72 best with a 193-4, then extended that to 196-11, 200-10 for the AAU Junior title and finally to 202-9 in a late summer meet. With the prep ball, he added 18" to Jackson's record with 229-2 and then put the record away for some time to come with a 231-11 IPI win. Manny also put the shot 61-6 and twirled the disc 180-0. Second at the IPI was Tim Bruno (Ferris, Jersey City, NJ) at 207-8, while Tom Lenz (Classical, Providence, RI) was the other 200-footer at 208-7.

JAVELIN

Five topped 220-feet but the clear-cut leader was super consistent Vorney O'Quin (South Lafourche, Galliano, La). He had five meets beyond 220-feet, topped by his 244-8 IPI win. John Rogalo (Morris Knolls, Denville, NJ) hit 228-8 for second and Kim Shafer (Reeder, ND), later the GWI champ, threw 227-5 for third. Five over 209 return.

DECATHLON

Vin Reilly (St Joseph, Metuchen, NJ) had three meets over 6490 points and his 6895 ranks him fifth all-time. A 15-foot vaulter, Reilly leads back six 5600-point returnees and could become the third prep ever to score more than 7000 points. In '76, Reilly also became the fifth prep to ever top 3000 points in the pentathlon when he hit 3042. Liston Bochette (Ft Myers, Fla) had a fine 6515-point effort in the AAU Junior.

RELAYS

Baton action was just sensational in '76. Madison of Houston matched the national mile relay record of 3:11.8 and South of Eugene smashed its own four-mile mark with 17:06.6.

But probably the single most exciting stick event in the past decade—and possibly of all-time—was the Illinois state meet two-mile. Thornton of Harvey won in 7:38.0 off a big 1:49.5 anchor by Don White, as four teams ran under 7:40 and four more came home between 7:40-7:45. Those units garnered third through seventh, plus ninth, on the all-time list.

In the short relays, Oakridge (Orlando, Fla) had five 880 races under 1:27.0, led by a 1:26.3 and in one 440 attempt clocked 41.3. The entire team returns and could topple the 880 record. In the mile, Worthing (Houston) returns three off a 3:14.2 squad, so another record may also feel the heat.□

Almost A National Championship

Evanston, Ill., June 12—What this country needs is a good national championship meet for high schoolers. Well, we aren't quite there yet, but this year's edition of the International Prep Invitational came as close to filling the bill as anything ever has.

Three national records were the result as most of the country's top preps assembled at Dyche Stadium on the campus of Northwestern University. The only major drains on the talent came from the AAU (held the same weekend) and by the non-participation of underclassmen.

In the hammer, Manny Silverio continued his assault on the ball-and-chain records by whirling the 12-pounder a hefty 231-11, adding nearly 3 feet to his 2-week-old record. That was his 5th record of the season. Behind him, Tim Bruno improved to 207-8 for second.

In other spinning action, consistent Greg Martin added 15" to Ray Burton's 1974 discus record with his 202-9 effort (also surpassing Jim Howard's unrecognized 201-7). He easily outdistanced Scott Endler, who hit 193-3.

The third record came from local favorite Greg Foster in the 120 hurdles. He equalled the old mark with his 13.2 in topping Dan Lavitt (13.4) and Karl Williams (13.5). Foster also clocked 36.6 in the 330s, edging J.D. Hill (36.7) but neither of them were a match for Californian Charles White, who moved to No. 4 all-time with his 36.4.

Ed Delashmutter continued his mastery over prep milers, just nipping Canadian Dean Childs as both clocked 4:07.3. He showed quite a turn of speed by blazing the last lap in a searing 56.2. "The first half was slow, so I just tucked in and waited for the kick," he said.

Terrific impressive in the long jump was giant (6-8) Larry Doubly, who solidified his hold on No. 3 on the all-time list with a 25-11½ pop.

Jay Reardon, second in the long jump at 24-4, took the high jump from California champ John Lane (7-0) with a PR 7-¾. The magic number in the vault was 16, as yearly-leader Tom Hintnaus won on misses at 16-0 from rapidly improving Brett Dames and consistent Bill Hartley.

In the half, the best in the nation hooked up, with Steve Schellenberger outleaning Dyrk Dahl as both clocked 1:49.3. Texan Mark Gauger was third in 1:50.4 while 8th went in a swift 1:53.0.

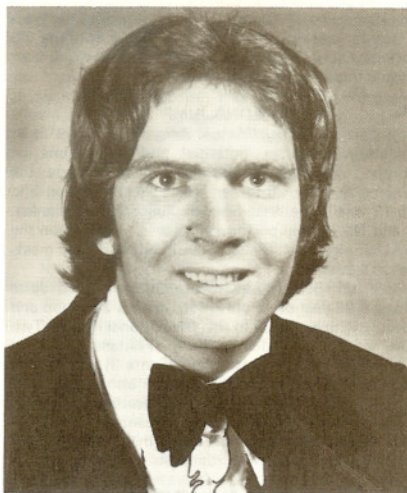

Rudy Chapa easily took the deuce (8:53.8) as the heat and humidity devastated the field so much that a 9:00.4 for Jim Stintzi and 9:01.2s for Alberto Salazar and Marty Froelick are impressive.

Derald Harris continued to impress in the 440 with a runaway 46.9 win while the weaker short sprint fields were topped by Mike Keys (9.5w) and Derrek Harbour (21.6).

Another superb event was the triple jump, with 6 jumpers topping 49 feet. On the top end, Vincent Parrette escaped with a ¼" victory over Greg Caldwell (51-6½ to 51-6½).

Not to be overlooked as impressive winners were putter Steve Montgomery (68-5½) and javelin tosser Vorney O'Quin (244-8). Both scored PRs, Montgomery moving to 10th on the all-time list, O'Quin to 8th.

As further proof of the class of this meet, it should be noted that in addition to posting national

GOLDEN WEST

Few Stars Available

Sacramento, Calif., June 19—With most of the leading lights unavailable, this year's edition of the Golden West Invitational was a bit thin.

Winners from the upstart International Prep Invitational (which has surpassed the old GWI as the leading post-season prep meet) of the previous week were treated to vacation time in Hawaii, so only a couple of those showed. Add that to the beginning of the Olympic Trials the same weekend and few top stars were available.

The good side of that it all, however, was that the fields were generally very competitive and exciting.

Typical was the mile, where Ed Delashmutt completed his sweep of post-season meets (he earlier took Atlanta and IPI) with a stirring 4:10.6 win over Steve O'Connell and Rick Kumm (both 4:10.7). Down by almost 20 yards with just a half-lap to go, he salvaged the win off his brilliant kick.

"After I won the IPI I decided I had to go to the Golden West to prove to *Track & Field News* I should be prep miler of the year," said the curly-headed Iowan. (Ed: *He did.*)

Ohio's Jeff Phillips was the class of the sprint fields with his 9.5/21.1w wins over Mike Curry (100) and William Mullins (100). The longest sprint saw novice Derald Harris continue his winning ways, becoming the other IPI-GWI doubler with an easy 47.5 win.

The only nation-leading performance came in the triple jump, where Greg Caldwell (who lost the IPI the week before by 1/4") bounded a wind-aided 51.9.

In the discus, Guy Sellers applied pressure with an opening 196-10 but Scott Endler responded on his third effort with a big 200-4 to move to 5th on the all-time list.

In what could be termed a "formful" development, five of the IPI runners-up (Dyrk Dahl 880, Steve Stintzi 2M, Caldwell, John McKenzie SP, and Endler) moved up to the No. 1 slot this week in the absence of the other winner.

100(4.2), Phillips (Whitehall, Columbus, Ohio) 9.5; 2. Curry (Bulkeley, Hartford, Conn) 9.6; 3. Smith (Jackson, Mich) 9.7; 4. Cannon (Mt Pleasant, San Jose) 9.7; 5. Willis (Mission, San Francisco) 9.8; 6. Mullins (Hamilton, Los Angeles) 9.8; 7. Adams (Public, Hartford, Conn) 9.9.

Explaining The Statistics

Eligibility: All US high school athletes (not those from possessions such as Puerto Rico) from freshmen through seniors who competed in recognized competitions may qualify so long as they haven't received a diploma from previous attendance in high school and haven't exceeded four years or reached their 20th birthday. Team affiliation is not a prerequisite for the inclusion of an athlete's marks. He need only be a legitimate high school student. Athletes considered ineligible by local rules will be carried if they conform to T&FN policies. The indoor and outdoor lists both contain marks from Sept. 1, 1975 to Aug. 31, 1976. Spring graduates remain eligible for the lists until Aug. 31 of their graduating year.

Records: T&FN's national high school records do not necessarily concur with those of the National Federation of State High School Athletic Associations. The inconsistencies are based on five points: 1. While the federation only accepts marks from meets involving at least five teams, T&FN will consider those from dual meets; 2. While the Federation limits the season to the actual semester of track, T&FN will consider marks from the entire year; 3. While the federation takes only winning marks, T&FN lists some non-winning ones also; 4. While the Federation lists only marks by athletes from its member schools, T&FN considers all preps; 5. While the Federation only reviews marks registered in interscholastic competition, T&FN will consider marks from any authorized competition.

Indoors, no times made in turn races on oversized tracks (over 220-yards) are accepted. For class records, the frosh limit is 16-years, soph 17, junior 18 and senior 19. The age records represent only the bests made by US high school students.

Abbreviations: n=non-winning mark; °=mark

made en route to longer distance; h=heat; sf=semifinal; 'after state indicates athlete ineligible for team by local rules; t=mark converted from meters; *=junior; **=sophomore; ***=freshman.

Timing: Although fully-automatic timing has become the standard in sprint races internationally speaking, very few prep races are yet timed in that more-accurate manner. But there were a number of notable auto-timed races this year. We have put these into the body of the list (times in 100ths), and calculated their "value" by assigning a conversion factor of either 0.24 (100, 220, 120H) or 0.14 (440).

Long jump record holder Ken Duncan.

INDOOR REVIEW

Houston McTear and Tony Darden were again the fastest of the indoor sprinters and, like 1975, were again rated as the leading stars. Along with miler Thom Hunt and hurdlers Dan Lavitt and Greg Foster, they provided the lion's share of the records set during the undercover portion of a record-smashing Olympic year:

McTEAR (Baker, Fla) repeated as the best short sprinter by again matching the 50 yard record of 5.1 and equaling the 60 yard mark of 5.9 four times while remaining undefeated against many of the US's, and the world's, best dashmen (see p. 51).

DARDEN (Norristown, Pa) first took a tenth off the 500 record with his 57.3. Then at the Eastern States meet, he clipped 0.2 from his own 300 best with a 30.4 heat. But he really rolled in the final, zipping 30.3 to easily top Mike Peniston (Neptune, NJ), who moved to =2nd all-time with his 31.0. In the quarter, Steve Davis (Adams, Cleveland) was the leader with a 49.0 and two 49.1s; the 49.0 is equal-second all-time. Peniston (49.3) and Darden (49.6) followed close behind.

HUNT (Henry, San Diego) totally dominated the distances. After an 8:56.4 two mile, he produced a resounding 8:52.6 win over Don Moses (Crescenta Valley, La Crescenta) at 8:54.0 and Eric Hulst (Laguna Beach) at 8:55.8. Then, full of confidence, he went up against Filbert Bayi and other world-class milers at San Diego and the result was a brilliant 4:02.7, 3.9 seconds under the old prep best—plus he cruised past 1500 meters in a record 3:46.6 en route.

CLIFTON PERRY (Menchville, Newport News, Va) smashed the 600 best by 0.7 with his 1:10.0 at the Naval Academy meet, but his record may not last long as soph William Contee (Woodson, Washington, DC) clocked 1:11.1 behind him to rate third all-time. Perry also ran 1:11.0 and two other sub-1:12.0 races, in addition to a 49.5.

In the half-mile, Kelley Marsh (Northside, Muncie, Ind) was marginally superior to Dyrk Dahl (Fountain-Ft. Carson, Fountain, Colo) as their 1:52.7 and 1:52.9 clockings moved them to third and fifth all-time. In the Naval Academy meet, Ronald Brown (Bethel, Hampton, Va) moved to second all-time in the 1000 with his 2:11.6.

HURDLERS LAVITT (South, Raytown, Mo)

and Foster (Proviso East, Maywood, Ill) led the way in the hurdles-records department. Foster tied the 60 highs mark of 7.0 before Lavitt ran two 6.9s. Lavitt took a tenth off the 65 lows best with a 7.0 and later ran two 6.9s there as well, while Foster, after two record-tying 6.8s in the 60 lows, hit 6.6. Vincent Parrette (Shawnee Mission South, Overland Park, Kans), a 23-4/48-3/4 jumper, took a tenth off the 70 lows record with 7.6. Top returnee should be Marshall Parks (Roth, Dayton, Ohio) off his 6.2 (50HH), 7.3 (60HH), 6.0 (50LH) and 8.3 (just a tenth off the 70HH record).

Repeating as vault leader in '76 was Brian Kimball (Northrop, Ft Wayne, Ind), whose 16-4 ranks second all-time, one slot ahead of the 16-2 by Mike McCrindle (Bloom Township, Chicago Heights, Ill). Kimball also had four other 16-footers.

McCrindle's teammate Eddie Tate led the triple jump with 49-10 1/2 as well as long leaping 23-9. Three 24-footers in the long were topped by the 24-3/4 of LeRoy Jones (Baker, La) and included junior Todd Bell (Middletown, Ohio) who returns off a 24-1/2. Topping the triple jump returnees at 48-3/4 is Chip Benson (Lutheran, Los Angeles).

IN THE SHOT, the best in the West, John McKenzie (Hart, Newhall, Calif) at 64-1 1/4, topped the Eastern leader, Tony Harlin (Nanuet, NY) at 62-4 1/4.

In the relays, the Naval Academy meet saw Franklin (Philadelphia) produce the second-fastest 880 ever (1:29.4), while Woodson (Washington, DC) topped Bethel (Hampton, Va) in the mile, 3:21.5 to 3:22.4. The quality race of the year, though, came in the Eastern States distance medley when Archbishop Ryan (Philadelphia) nipped 0.2 off the prep best with its 10:16.2. The race produced the nation's top six times. □

INDOOR ATHLETE OF THE YEAR

McTear Blitzed Everyone

Houston McTear did not compete in a prep meet during the 1976 indoor season, yet was a runaway victor in the first Prep Indoor Athlete of the Year balloting.

The cutting of this conundrum is, of course, that Houston is so good he competed in only 5 major meets. And what meets they were for the Baker HS flash. In each of five, McTear tied the prep record in either the 50- or 60-yard dash, and was undefeated against the best open and collegiate competition. Audiences around the country were awed by his blitz starts. In two meets his talent was showcased twice.

McTear's season:

- January 9, CYO: Warmed up with a rolling-start 5.9, then legally tied Bill Gaines's prep record in the final, beating eventual Olympic champ Hasely Crawford and Steve Riddick with another.
- January 16, Sunkist: Took the measure of Soviet Valeriy Borzov, winning by 0.2 in a record-equalling 5.1 50. Came back to win the 60 from Don Quarrie in 6.0.
- January 30, Millrose: Ho-hummed to a record 5.9 60 win over Auburn's Harvey Glance.
- January 31, Albuquerque: Flew across country and flew down the track in both the 50 and 60, 5.2 and a record-equalling 5.9.
- February 13, USTFF Regional: Closed out his season by recording his fourth 5.9 in 35 days, undefeated, supreme.

For the superb season, *T&FN's* panel of prep track experts accorded McTear 44 out of a possible 45 points, with 8 of the 9 experts giving McTear their

first-place votes. The only other athlete to receive a vote for first was long sprinter Tony Darden of Norristown, Pa., who was cited for his "versatility" by one panelist.

The point getters and their totals:

1.	Houston McTear (Baker, Fla.—sprints)	44
2.	Tony Darden (Norristown, Pa.—sprints)	31
3.	Thom Hunt (Henry, San Diego—distances)	30
4.	Clifton Perry (Menchville, Npt News, Va—600)	15
5.	Greg Foster (Proviso East, Maywood, Ill—hurdles)	6
	Dan Lavitt (South, Raytown, Mo—hurdles)	
7.	Eddie Tate (Bloom Twp, Chicago Hts—triple jump)	3
8.	Brian Kimball (Northrop, Ft Wayne—vault)	1

After McTear, the next five were also record-setters:

Darden set two prep records in the 300(30.4, 30.3) and one in the 500(57.3).

Hunt shot to the top of the indoor 1500/mile record list with his 3:46.6/4:02.7 performance at San Diego. He also moved to No. 3 on the all-time 2M indoor list with his 8:52.4 at the *LA Times* meet.

Perry clocked a prep record 1:10.0 in the 600 and had 4 of the 5 fastest times of the year in that event. Also ran a 49.5 440.

Hurdlers Foster and Lavitt set the Midwest on fire. Lavitt twice did the 60 highs in 6.9 (breaking Larry Shipp's mark) and also ran 6.2, while Foster twice ran 6.8 for the 60LH and then chopped the record all the way down to 6.6. Foster also equalled the old highs mark of 7.0 before Lavitt broke it. □

Indoors, you just can't overcome that margin Houston McTear gets with his incredible starting ability.
