Thousands of track fans look on in jubilation, as anchorman Bill Neely of Abington High School breasts the tape inches ahead of Gary Gordon of Boys High of Brooklyn, New York, after completing a brilliant 47.1 leg, which gave his team victory in the One Mile High School Championship race at The Penn Relays last year. Neely brought the huge gathering to their feet, as he grabbed the baton some 10 yards behind Gordon, and steadily closed in on the Brooklyn Boys anchorman. It was the first time in 28 years that a Pennsylvania team captured the championship event; the last time being in 1941 by Overbrook of Philadel-

Abington's winning time of 3.16.6 was the fastest ever run by a Pennsylvania scholastic mile relay unit. Neely is a senior this season and once again, handling the anchorman duties for the "Gallopin Ghosts."

PITTSBURGH AREA REPORT

by Russ Black

Pittsburgh, Pa. - April 2, 1970

Pennsylvania may have one of the best high school half-milers in the country this season in Don Creekan, a senior at South Hills Catholic High School in Pittsburgh. His 1:56.9 at the Tri-State Coaches Indoor Invitational Meet at the University of Pittsburgh on March 21 was one of the fastest indoor halfs ever clocked in Western Pennsylvania. Creehan also has an indoor best of 1:54.8 on a 12-lap banked dirt track.

Don became track-oriented at any early age and followed his brothers' footsteps when he came to high School. "I wasn't really interested in track in my freshman year, and so I struck to the 440 because I got to run with my older brother, Ken," said Don.

Yet it wasn't until his sophomore year that he began to distinguish himself in the half-mile. With a best time of just 2:03.0, Don went to the PCIAA State meet at Reading and blazed a 1:57.9 to take first place. Don also led South that year to the Tri-State Coaches Two-Mile Relay title, anchoring in 2:02.0. "I still thought the quarter was my best event up to the State meet," he said.

In his junior year, Don lowered his quarter-mile down to 50.2, a school record, but he had already begun setting his sights on the 880. He won the local Catholic title in his fastest outdoor time ever, 1:55.6, and moved on again to the PCIAA meet, winning in 1:58.0. Last summer, Creehan took his specialty at the State Jaycee meet and later took fourth in his heat at the USTFF Junior Championships at Minneapolis. His 1:56.0 failed to qualify him for the finals.

A knee injury this past fall hampered Don's cross-country season, but he has hopes of running below 1:53 and possibly into the 1:50's. Still unsure of his college plans, Don has admitted he is leaning towards Notre Dame and Pittsburgh. He has an interesting philosophy towards running. "Everytime I run, I run to win, but I never really exert myself 'cause I have to come back for the relays."

One of the most startling prep performers during the indoor season, was Bill Louv, an 18 year old senior from Upper Merion High School, located in King of Prussia, Pa.

Bill completed a remarkable indoor season posting such marks as 9.20.3 for two miles, and 4.23.8 for the mile. His two mile clocking is the fastest ever, indoor or out, by a Pennsylvania prep performer.

As a junior, he led the Upper Merion cross country team to an undefeated season and District I Title, then went on to place sixth at the PIAA cross country finals at Penn State.

Running a good 2.00.8 half early in March of last year, he seemed headed for an outstanding outdoor season. However, he injured his archilles tendon which forced him out of competition for his entire junior year.

Last fall, the six foot tall, 155 lb. star made a brilliant comeback, winning the State cross country title, then turning in a string of excellent indoor mile and two mile clockings earlier this year.

Disaster struck the talented senior again in March. While undertaking a vigorous training program in preparation for the High School Two Mile Run Championship Race at this year's Penn Relay Carnival, Bill slipped to a concrete roadway, injuring his knee, which again has forced him to the sidelines.

He has been under the care of Philadelphia's Eagles team physician Dr. Mike Nixon since the March incident, and coach Larry Curran expects his prize product to be back in action by Penn Relay Week.

A typical week's workout during the winter season for Bill Louv:

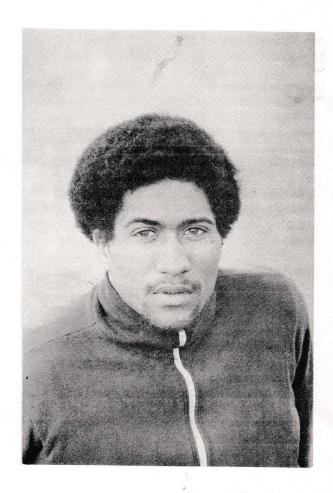

Sunday 8 miles
Monday 10 miles
Tuesday Interval 8x880 in 2.18 with 3 min.
Wednesday 10 miles
Thursday 12x440 in 68.0 jog 220 in between
Friday Day before meet -- light jogging

The tall, powerful senior has a 22.7 and 49.9 this year during the first week of April. He placed second in the State Class A 440 final last season.

Bruce Kocher - Palmerton's 6.4 high jumper.

LEHIGH VALLEY REPORT

by Todd H. Jones

The spring track season is off to a somewhat slow start due to the weather but there have been some rather good performances. The most impressive mark is the tremendous 6'4" high jump effort by Palmerton's Bruce Kocher who set a Blue Bomber school record. Kocher, one of the strongest vertical jumpers this writer has ever seen on any level (he puts the shot over 47 feet) turned in his performance in Palmerton's season-opening 76-42 win over Slatington. In the same meet Kocher won the shot and long jump. Not bad for the first meet of 1970!!

Another great early season performance saw Bangor's Jeff Swope spin the discus 160'6". The Slater strongboy, who has 10.6 speed, has also put the shot 50'7" for a school record.

Top underclass mark is the 10.2 hundred by Stroudsburg's "super soph" Art Owens. His teammate, Mark Adams - another soph - has done the 440 in a good 52.8. Owens also leaped 20'8 3/4" in the long jump.

Hellertown's Scott Lechki vaulted 11'8 1/2" for a new school record while Parkland's Scott Huber has a best high jump mark of 6' even.

LOOKING BACK: In the 1965 District XI Class A 100-yard dash championship, Parkland's Gary Wagner won in a sizzling 9.7 on a somewhat slow track at Allentown School District Stadium. Allen's Jim Heeps ran 9.8 in second place while Stroudsburg's Bob Roberson clocked 9.9 for third. It was the fastest mass sprint finish in District XI history. Fourth-placer Ed Reibman of Easton had a 10.1 which will win many local races.

DISTRICT 3 REPORT by Larry Jack

100 YARD DASH Area track enthusiasts are still clammoring over the performances turned in by three speed merchants from Carlisle High School (Carlisle, Pa.). Finishing 1-2-3 were: Jim Scott, 9.7, 5-11, 163; Pat Petre, 9.8, 5-10, 160; and Ben Carney, 9.9, 6'2 1/2'', 198. Scott (who will center Penn State this fall) is aiming for the District and State records set by Lancaster's Barney Ewell and Eddie Junghans in 1937-38 respectively, both of whom turned in 9.6 clockings. The district is further strengthened by John Harris' Chuck Vennie and William Penn's Mel Washington who covered their centuries in 10 second (windy) flat.

MILE RELAY

Carlisle's mile relay team comprised of Ray Boldosser, Ben Carney, Kerry Brown and Pat Petre lead the district with a 3:30.5 clocking.

220 YARD DASH Look for anything to happen. Scott (Carlisle) who also tied the state mark in the time trails last year before pulling a hamstring muscle (21.2) has yet to run a superb furlong. Leading the pack so far this year are Chambersburg's Van Barbour (22.7) and William Penn's Mel Washington (22.5).

440 YARD DASH Van Barbour, the heavy favorite in the district this year because of his second place finish at the state meet last year has already run a 49.9. Pat Petre's early 50.4 is an indication that he too means business. These two should lock horns at the Shippensburg Invitational.

MILE RUN

Robert Yienst (Conrad Wiser) has the best clocking in the District at the time of this writing of 4:26.0.

880 YARD DASH

Jim Williams (William Penn) rates as one of the finest in the area. (1:59.6 last season) He should get a good race from Donald Curry (Hershey High School). Don ran a 2:02.0 half mile indoors, at the West Chester Invitational and has not been beaten this season.

POLE VAULT

Cliff Brown (Middletown) district 3 winner last year (13-0) has been used in the hurdles and sprints but should return to his speciality as the season progresses.

SHOT PUT

District's top slot is shared by two 50' plus performers, Dennis Frischkorn, Red Land 51.10 1/2 and Walt Brenneman of West York 51'4 1/2 - best in the district to date.

JAVELIN

The first 200 feet plus javelin thrower in the state emerged early in April in Jerry Putt of Boiling Springs. He heaved the spear 200.3 to head the field in this event.

-NEWS and VIEWS-

Don Mollenauer, coach of the Mt. Lebanon High School track squad, has compiled a fantastic coaching record over a span of some 40 years, dating back to 1930. He's directed his "Blue Devils" to perhaps, more titles than any other coach in the anals of Pa. scholastic track.

His won, lost record since 1935 reads: 213 wins, 24 losses, 2 ties, for a percentage of .895. His teams have piled up 112 wins in championship meets, and from 1944 to 1963, had a string of 144 straight dual and triangular meet victories. Moreover, he has produced 18 individual state champions and 60 WPIAL champions.

Other impressive coaching records have been compiled by Milton High School coach, Ernest Gromlich, who up to the present season, has a total of 31 straight dual meet wins dating back to 1967. At Mt. Carmel High School, Coach Gerald Breslin's thinclads have dominated track & field in that area, going undefeated in regular meets since 1943. He has been assisted by Glenn Menges in the weights for the past 25 years, and is also assisted by Joe Diminick, Larry Guarna, and Joe Greco. Gary Diminick, All American halfback and 9.9 sprinter is Mt. Carmel's prize product for the season.

The former "Lebanon Night Relays," held annually since 1947 will no longer be held at Lebanon. The new site for the gala evening relay carnival, which draws many teams and fans from many areas of the state, will be Elizabethtown High School. The date is Tuesday, April 28th with the first event to be run at 6:00 p.m. sharp.

It has been brought to the attention of PA. TRACK & FIELD REVIEW, that many coaches and officials from various districts are endeavoring to improve the overall calibre of the PIAA State Championship Meet. A suggestion made at a December, 1969 meeting of the District III steering committee, was the establishment of two regional meets; one in the eastern division of the state, and one in the Western division. This meet would fall the weekend between the various district meets, and the PIAA State Meet. Hence, the State Meet would be held one week later.

George Gerber of Annville Cleona High School made the following proposal. The top four place winners in each event from each district would advance to his particular regional meet. Then, the top six place winners in each event from the two (East vs. West) regional meets, would then advance to the State Finals. The Eastern Division would be made up of Districts 1, 2, 3, 4, 11, 12, and the Western Division consisting of Districts 5, 6, 7, 8, 9, and 10. If you would like to lend your support to these measures contact Mr. Dick Wolf, c/o Elizabethtown High School, 600 E. High St., Elizabethtown, Pa. 17022.

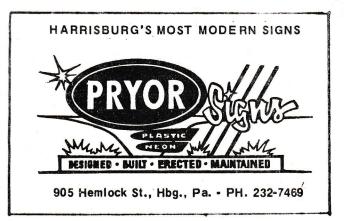

If anyone is interested in learning more about the steeplechase, a one-day clinic will be held at Rider College in Trenton, New Jersey on June 13. High School seniors, particularly distance runners should be quite interested in this affair.

A NOTE OF THANKS

We would like to thank the many coaches and enthusiasts who have taken the time to submit news and statistics to PENNSYLVANIA TRACK & FIELD REVIEW during our first year of operation. We could not possibly carry out this task without your help.

Some marks which are submitted will not make the necessary standard to be published in our chronological lists of top performers and performances. However, please keep sending all statistics and news clippings of your local area. We are very much interested. At present, we are making a statewide compilation which will include ALL marks made by scholastic athletes of Pennsylvania for 1970, and will be released in our annual edition to be released later this year.

Our deadline for receiving marks is Monday, one week before each of our mailing dates, which you will find listed on the rear cover. In other words, statistics we receive by April 27th, will be in time for our May 4th issue. After the deadline, they will appear in the following issue.

Gene White of Bristol High School was named outstanding athlete in Division 3. White shared first place in the high jump with his nemisis, Mike Sperger of Bishop McDevitt. Both cleared 6.8. In the long and triple jumps, White hit 24.6 and 47.10 1/2 for records in both events. High heights and distances give him a clear cut lead in the three events in Pennsylvania.
