## National AAU

### Maiocco In Record 600

New York, Feb 19—Curly-haired Hugo Maiocco of NYU ran away from an outstanding field of middle distance runners to set a new national AAU record in the annual championships at Madison Square Garden. Maiocco's 1:11.2 for 600 yards was only one second behind Hugh Short's world record.

Two other meet records were broken. Jim Fuchs put the shot 56'3 3/8", and Villanova's defending champions relay team ran the 1060 yard medley in 1:53.6.

Only two individual champions were able to retain their titles in a night of upsets. Harrison Dillard held onto his 60 yard high hurdle title with a 7.3 clocking, and Henry Laskau, in a class by himself, won the mile walk in the fast time of 6:33.4.

The biggest upset came in the featured 3-mile, in which Viljo Heino was expected to push Fred Wilt to a fast time. Heino led through a 4:39.2 mile and 9:24.9 2-mile, but with half a mile to go it was Wilt and Stone who put on the battle. Stone was passed by Wilt but gained the lead with four laps to go and fought off Wilt's repeated challenges. At the end it was Wilt who faded, finishing 11 yards behind. Stone's 13:57.2 is the second best mark by an American. Greg Rice's 13:45.7 is the record.

But it was Hugo Maiocco who turned in the most brilliant performance. The little, dark-haired runner who sprang into prominence in the outdoor AAU last year, beat off the challenges of one of the greatest 600 fields ever assembled. Frank Fox was the nation's No. 1 runner in that event last year. Charley Moore, a new runner of unlimited possibilities, has been Fox's equal this winter. Mal Whitfield, Olympic and AAU champion at 800 meters, was ranked 4th in this event last year. Morrie Curotta of Seton Hall and Australia is one of the most promising young quarter-milers in the world. And Maiocco ran away from them all. He held the lead all the way, although he had to fight off Curotta repeatedly, and finished five yards ahead of Fox. One of the best runners, Bob McFarlane of Canada was disqualified in his heat for elbowing Whitfield.

Most dramatic event was, of all things, the shot put. Mighty Jim Fuchs, holder of every record he has assailed in the past year, fouled on his first two puts and barely qualified with a weak 48 feet. Two more fouls left Fuchs with only one put left, and he was trailing Stan Lampert by seven feet. Lampert, potentially as good as Fuchs, was left free and relaxed by Fuchs' fouls and got off a push of 55'4 7/8". On his sixth attempt, Fuchs came through like a true champion with his record heave of 56'3 3/8".

There were other dramatic finishes in the field events. Buddy Fowlkes won the broad jump title on his last (flip to "Maiocco in Record 600", back page)

## IC4A Championships

### Marks Set by Moore, Mack, Church

New York, Feb. 25--Runners had their day with three new records and a fourth mark equalled in a wildly finishing IC4A championship that saw Michigan State barely defending its title.

Charley Moore, Bill Mack and Dick Church were responsible for the new standards and Andy Stanfield for the tied mark as only Phil Thompson of all the flat race winners failed to put his name in the record book.

Moore, the Cornell junior, took two-tenths off Jim Herbert's meet record with a 1:11 clocking in a 600 heat and then came back to win the final in 1:12.2. The mile mark fell to the easy manner Mack who carried Michigan State's colors across the finish line in 4:11 while Church of Syracuse provided one of the biggest surprises of the evening with a smashing 9:07.2 in the two mile.

Michigan State compiled 21 points for its team victory but going into the final event it looked as if Manhattan would be the upset victor. The Jaspers were favored in the mile relay and needed only a third to sew up the title.

But their hopes were dashed when Bill Kent, who was leading off, spilled on the first lap and the quartet wound up fifth. As a result, Manhattan finished third with 19 1/2 points, trailing second place Seton Hall with 20, and just ahead of Yale, with 19.1.

Added to the thrills provided by the college trialed was a fast two-mile turned in by Fred Wilt in a special event. (flip to "Marks Set By Moore, Mack, Church", back page)

BILL MACK and KARL SCHLADEMAN, star and coach of Michigan State's IC4A championship squad. Mack, having his best year, won the mile in record time of 4:11 while Schlademan coached his second straight winner.

CURTIS STONE, former Penn State star, won the feature race of the AAU when he upset Fred Wilt in a fast 13:57.2 three mile race.

## British Empire

### Eight Records Fall as Aussies Win

by Joe Galli

Australia, with nine firsts, dominated the fourth British Empire Games' track and field events at Auckland; and so scored her greatest triumph in international events.

Eight new Games records were established, and performances generally were of high standard for grass tracks. Perfect weather was the order for three days, but on the last day it rained heavily; otherwise much better times may have been posted in the 440yd. and mile runs.

The Australians and Englishmen did as well as expected; but not so the South Africans or New Zealanders. In fact, the locals could manage only one title.

Following is a brief event by event review:

**SPRINTS:** Australia's John Treloar was never in trouble to win both titles, but in moderate times considering the conditions. He posted new 100yd. figures in his heat; may have done even better had the final not been delayed more than an hour. Heat winners: Anderson, NZ (9.9); Pettie, Can (9.8) Gordon, Aus (10.0); Treloar (9.7). Semi-finals: Treloar (9.6); Pettie (9.8). Final: 1, Treloar (9.7); 2, deGruchy, Aus (2yd); 3, Pettie (2yd). 220-heat winners: Jowett, NZ (22.4); Batten, NZ (22.4); Treloar (21.7); Pettie (22.1); semi-finals: Treloar (21.7); Johnson, Aus (22.0). Finals: 1, Treloar (21.5); 2, Johnson (21.8); 3, Jowett (21.8).

**440:** Edwin Carr (Aus), a picture-book runner who shines under all conditions, again showed his power against the worst. Coming off the final turn a yard down to Lewis (Eng), he surged down the straight with a mighty burst of speed to win by a similar margin in record-equalling time. Heats: Carr (48.6); Lewis, (48.8); Higgins, Eng (49.0). Semis: Carr (48.8); Lewis (49.0). Finals: 1, Carr (47.9); 2, Lewis (48.0); 3, Batten, NZ (48.8).

**880:** After extra-fast heats by John Parlett (Eng) and Bill Parnell (Can), the final was something of a let-down. Parlett, running more intelligently than usual, outpaced and outsmarted tough opposition. Dave White (Aus) made the final. (turn to "Eight Records Fall as Aussies win", page 2)

## EIGHT RECORDS FALL AS AUSSIES WIN (cont. from page 1)

al with a surprisingly good run of about 1:52.6 in his heat. Heats: Parnell (1:52.2); Parlett (1:52.1). Final: 1, Parlett (1:53.1); 2, Hutchins, Can (1:53.4); 3, Parnell, Can (1:53.4); Wilson, NZ (1:53.7); 5, White, Eng (1:53.9).

**MILE:** Bill Parnell, (Can), caused one of the greatest upsets of the Games by downing the hot favorite, Len Eyre (Eng) in the record time of 4:11 on a soggy track. The Englishman appeared to have the race in his keeping 40yd. from the tape, but Parnell cut him down with an unexpected and startling burst of speed to win by a narrow margin. Don Macmillan, Australia's big hope, who made the national record, was a poor seventh. He was over-trained, and simply couldn't get going on the heavy track. Heats: Eyre (4:19.2) Parnell and Macmillan (4:15.4). Final: 1, Parnell (4:11.0); 2, Eyre (4:11.8); 3, Marshall, NZ (4:13.2); 4, Marks, Aus (4:14.8); 5, White, Eng (4:15.0).

**3-MILE:** Len Eyre (Eng), without a performance to his credit came out tops against such proved distance runners as Harry Chivers (Eng) and Harry Nelson (NZ). A tall, long-striding runner, he is bound to improve; both over 1 and 3 miles. Results: 1, Eyre (14:23.6); 2, Nelson (14:27.8); 3, Chivers (14:28.1); 4, Merrett, Aus (14:34); 5, MacDonald, Aus (14:36)

**6-MILE:** Despite poor performances since he returned from the 1948 Olympics (largely due to ill health) Harry Nelson gave the locals their biggest thrill as he won comfortably from Alec Forbes (Scott). Forbes, like Eyre, actually had far better times to his credit over a shorter distance -- in this case 3 miles -- yet he beat much superior (on paper) men at something he isn't used to. Results: 1, Nelson (30:29.6); 2, Forbes (20yds); 3, Taylor, NZ (22yds); 4, Davey

**MARATHON:** Jack Holden (Eng), who was forced to pull out of the Olympic marathon, scored a runaway win over Sid Luyt (SA) and Jack Clark (NZ), in a fast race run in pouring rain. Said Holden after the race: "I found the opposition much weaker than expected, and I was forced to take the lead much too early". He ran the last 16 miles with only one shoe because of a blistered right foot.

**120yd HURDLES:** As expected, Australians Peter Gardner, and his shadow, Ray Weinberg, finished one, two in the highs; with the veterans, Tom Lavery (SA) and Don Finlay (Eng) trailing in that order. The time, although a new Games record, was disappointing. Heats: Weinberg (14.4); 2d, Finlay (14.8). Gardner (14.5); 2d, Lavery (14.6); Smith, NZ (14.8). Final: 1, Gardner (14.3); 2, Weinberg (14.4); 3, Lavery (14.6); 4, Finlay.

**440yd HURDLES:** In what he described as "my last appearance in international athletics", 32-year-old Duncan White (Ceylon), runner-up at Wembley in 1948, hurdled magnificently to take the 440yd. in the record time of 52.5 sec. Highly favored George Lubbe (SA) was lucky to finish fourth, behind John Holland (NZ), who ran up to form, and Geoff Goodacre (Aus), who turned in the best time of his brief hurdling career. Heats: White (52.8); Holland (53.0); Steward, NZ (54.4). Semis: Goodacre (53.2); White (53.4). Final: 1, White (52.5); 2, Holland (52.7); 3, Goodacre (53.1).

**RELAYS:** Heavy tracks spoiled times. 440-1, Australia (42.2); 2, England (42.5); 3, New Zealand (42.6). Mile-1, Australia (3:17.8); 2, England (3:19.3); 3, NZ (3:20).

**HIGH JUMP:** Proving once again that he has no superior in the world as a high jump competitor, John Winter, 1948 Olympic champion, produced just the right effort when the pressure was on; clearing 6'6" to set a new Games record. He was far from in the peak of physical condition. England's duo, Wells and Pavitt, were most unimpressive; while Alan Paterson (Scott), ranked No. 1 in the world last year, proved his critic's contention that he isn't much good away from home. Surprise was Nigeria's J. Majekudunni, who was equal second Paterson at 6'5". 4th, Borland, NZ (6'5"); 5th, Wells (6'4") 6th, Vernon, Aus (6'4").

**BROAD JUMP:** 1, Neville Price, South Africa (24'); 2, Hough, NZ (23'7 3/8"); 3, Dephoff, NZ (23'3"); 4, Forsythe, NZ (23'3")

**POLE VAULT:** 1, Anderson, Eng (13' 1/8"); 2, Eperton, Can (13' 1/8"); 3, Denton, Aus (12'9").

**HOP-STEP-JUMP:** For the second Games, Australia took all 3 major spots in the triple jump; 20-year-old Brian Oliver proving an easy winner with a magnificent leap of 51'2 1/2", only 3/4" short of Jack Metcalfe's Games record. Oliver's jump should wind up as pretty near the world's best for 1950. Athletes from all over paid close attention to the styles employed by the Australians. 2d, McKeand, Aus (50'1 3/4"); 3, Polmear, Aus (48'1 3/4").

**SHOT PUT:** Fiji's only winner of the meeting came in this event; M. Tuicakau (he has been close to 50ft.) getting the 16lb. ball out a distance of 48'1 1/2". 2d, Moody, Eng (45'8") 3, Roininen, Can (44'10 1/2").

**DISCUS:** Ian Reed (Aus), produced a record flip of 158' 3/4", easily the best ever by an Empire athlete. 2d, Tuicakau, Fiji (144'4 1/2"); 3, Sigfusson, Can (142'8").

**JAVELIN:** 1, Roininen, Can (187'4 1/2"); 2, Tunabuna, Fiji (185'9 1/2"); 3, Robinson, Can (182'5").

**HAMMER:** 1, Clark, Scotland (163'10 1/2"); 2, Pardon, Aus

## Pincus Sober Replies to Maxwell Stiles

It is interesting to read in the December, 1949, issue of TRACK & FIELD NEWS the conflicting comments of Messrs. Potts and Stiles on the AAU's tabling of the Patton 220-yard record application. The complete rule is:

"No record will be accepted in races on straight courses, in the broad jump or in the hop, step, and jump, if the competitor obtains any assistance from a wind blowing at his back, either directly or in a slanting direction. For this purpose a following wind exceeding two meters per second (393.7 ft. per minute-- 4 1/2 miles per hour) will be considered to be of assistance to the competitor!"

Note the language "... any assistance from a wind... exceeding ... 4 1/2 miles per hour..." Should the plain language of the rule, as above, be construed to mean "any assistance from a wind ... exceeding ... an average of 4 1/2 miles per hour"?

The question is not whether Dr. Krick is a better scientist or weather predictor than I, something Mr. Stiles belabors at length. I freely and fully concede to Dr. Krick all honors in those fields. The question is simply whether presentation of the "average" wind velocity during a race complies with the requirements of the rule, even though there may have been during part of the race a following wind above the allowable limit. There, I submit, is the crux of the problem.

If the "average" concept be adopted, then we would have to accept a record in a 220 yard race, let us say, during which for 110 yards there was a following wind of 9 miles per hour, with no wind at all during the other 110 yards (an "average" of 4 1/2 miles per hour).

If the "average" interpretation is not correct, however, then it follows that we must know what were the "high" and "low" velocities upon which the 3.3 miles-per-hour "average" was computed, as the "average" is no more than the end result of a mathematical computation in which such "high" and "low" must have had some part.

To date we have no such figures. We have only an opinion from Dr. Krick (who himself was not at the meet) that there would not ordinarily be a deviation of more than 30% from the "average" given. Little mathematical ability is required to note that a figure 30% above the 3.3 "average" comes dangerously close to the 4.5 limit.

At San Francisco, the AAU Track and Field Committee agreed with me that it was our obligation, in all record applications, to see that no existing record is supplanted except by a new record whose authenticity has been established beyond any reasonable doubt. In tabling the Patton application, the Committee did no more than act on this principle, in the hope that by the time the full Committee meets in Washington, D.C., next December, we can have before us the additional information we should have.

What do you think?

(Editor's note: Mr. Sober, I think you are right, but let's not reject Patton's mark until we find out what the I.A.A.F. thinks about the revelations dug out by Mr. Stiles.)

## AUSTRALIAN RESULTS

Sydney, Feb. 17--John Treloar ran 10 and 21.6, while Len Eyre did 4:17, George Gedge 24.3 in the lows and 23-2 in the broad jump.

Melbourne, Feb. 18--Ray Weinberg had his best day, running the 220 lows in national record time of 23.6 to beat Duncan White by two yards and then taking the highs in 14.2. John Holland took the 440 hurdles in 53.6 and John Marks won the mile in 4:18.6, while Murray Morris won a sprint double in 9.9 and 21.7.

## WILT WINS IN 4:12.3

# TRACK TALK

by Cordner Nelson

A few months ago I almost went overboard praising a wiry, dark-haired, 19-year-old, sophomore short order cook at the University of Michigan. He was Don McEwen, a 5'9", 145 pound Canadian who had just beaten Don Gehrman by over 150 yards in the Big 9 cross country championship. Keeping in mind that Gehrman, America's second best college cross country runner, had bettered his own course record and yet finished far behind, I was certain McEwen was something superior, a discovery of world-wide interest. But as I was about to shout his ability to all parts of the globe, I heard the results of the NCAA cross country, where McEwen did not show. "Another flash in the pan," I thought. "I'd better play safe and forget him". That, friends, was a bonehead mistake. McEwen, who ran a mile in about 4:20 in high school, has already run the 2-mile in 9:06.9 this year, and there's no telling how much faster he'll go. How many sophomores can you name who ever ran that fast?

**IS MY FACE RED!** The month's mail brought an overload of corrections, which I am duty-bound to pass on to you. (1) Dick Ganslen, a great athlete and an even greater technician, writes in to say Don Laz is not the protege of Bob Richards. Ganslen has coached Laz himself and deserves the credit. (2) Ganslen also objects to my saying I find it hard to believe Laz cleared 15 feet. Well, Dick, I still find it hard to believe, just as I was slow accepting those new mile records by Hägg. But that doesn't mean I'm disputing the accuracy of your measurement. (3) Another comment of mine drew fire, when I said Gehrman lacks the determination of John Twomey. I didn't call Gehrman yellow. No distance runner is that; a man must have far more than his share of "guts" to run any distance race, and I admire all distance runners more than others for that very reason. But determination (the word I used) is relative; and John Twomey has a little more of it than most others. He more nearly approaches his potential ability than Gehrman has yet.

(4) John Sterner, an extremely well-informed reader, corrects me on the walking races being thrown out of the Olympics. Mr. Sterner says the program is already fixed and cannot be changed. Mr. Sterner is probably right, but my source of information contended it is still possible to change. (5) Pincus Sober, one of America's top officials, takes me to task for saying Barry might run for America in the 1952 Olympics. (I did not mention the word Olympics). He points out that Barry, having competed for Eire in the Olympics, cannot compete in the Olympics for any other nation. Thank you, Mr. Sober. (6) "Pinky" Sober also sends the real truth about Bernie Mayer's disqualification. It seems Mayer's amateur standing was questioned before the meet and he was allowed to compete under protest, pending receipt of final information. Later, when that information failed to clear him, Mayer was disqualified. I'm glad to know the situation was handled in that proper manner. Many people criticize officials too readily, and this should show the officials as honest and hard-working. Let's not forget that track would be confined to local picnics if it were not for these officials. We fans owe them our support.

**POLE VAULT NOTES:** Dick Ganslen, who has coached Bob Richards off and on for three years, finally converted Richards to the flyaway arch clearance in place of his jack-knife, and Richards promptly cleared 14'11 $\frac{1}{2}$ " that week. Ganslen, himself a 14'5" vaulter, may well become America's top pole vault coach, succeeding the co-champions, Dean Cromwell and A.C. Gilbert. Ganslen took over Don Laz when Laz was a 12'6" vaulter — only a year ago. But Laz and Richards are not Ganslen's only successes. Two 19-year-olds at Illinois will be heard from: Dick Calisch is practicing at 13'6", and Dick Coleman is the first Negro to clear 14 feet (in practice). Ganslen says Coleman is stronger and faster than Laz. It looks as if California's pole vault supremacy has ended, although Walt Jensen of USC has cleared 14'7" in practice this year. Ganslen also says Bobby Smith's vaulting is being hurt by his glass pole, which is not "critically damped" for vaulting.... Boo Morcom, now assistant coach at Penn, says that Bob Richards, "despite his seemingly faulty self-coaching, is the greatest vaulter in competition today, and has, in my opinion, the best form in pole vaulting history. When Bob settles down, he will not only do the magic 15 feet often, but occasionally an additional three or four inches".

**SHORT STUFF:** One little-publicized fact is that John Joe Barry broke Cunningham's "world" record for  $\frac{1}{2}$  miles last year. Barry knocked 1/5 second off Cunningham's 6:34.... Bob McMillen, Olympic steeplechaser, has decided to continue his running career at Occidental College. Move over, Druetzler, McEwen, Urquhart, and Black! This guy can really run — if he wants to.... Fanny Blankers-Koen plans to run in the European Championships next summer, then retire.... Bill Howton of Rice, a hurdle find last year, is ineligible.... Steve Seymour recently swam 21 miles in a

# MIDWESTERN INDOOR RESULTS

By D.H.Potts

ILLINOIS VARSITY 68 2-3, FROSH 45 1-5

**Champaign, Ill., Jan. 21** - As reported last month, Illinois soph Don Laz cleared a measured 15 ft. in this meet. Laz started at 12' and made 12'6", 13', 13'6", and 14' before missing at 14'4". He made 14'4" on his second attempt and cleared 14'8" on his first try at that height. Laz missed twice at 15' before clearing it decisively on his 3rd attempt. Three tries at 15'3" failed. Don Leuthold broad jumped 24'9" for the varsity and Henry Cryer copped the 880 for the frosh in 1:54.8. All three marks bettered school records.

NEBRASKA 79, IOWA STATE 25

**Lincoln, Neb., Jan. 28** - Nebraska's pole vault star Don Cooper, who did 14'2"1-2 in 1948, won the 60y in 6.4 while teammate Leonard Kehl took the vault at 12'6" as the Cornhuskers won their first meet of the 1950 indoor season.

NEBRASKA 55, MINNESOTA 49

**Minneapolis, Feb. 4** - By winning the mile relay the Nebraska Cornhuskers triumphed over the 1949 Big Ten outdoor champ, Minnesota. Clark Rice of the Gophers beat Harry Meginnis of Nebraska in the 60y in 6.2. Dick Kilty of Minnesota won the mile in 4:23.6 and the 2 mile in 9:46.2. Ray Magsem of Nebraska beat the two Gopher hurdle stars Nielsen and Brass in taking the 70yHH in 8.9. Harry Cooper of Minnesota and Don Cooper of Nebraska tied in the FV at 13'4". Byrl Thompson of the Gophers won the shot at 49'10"3-8.

LOYOLA 64 1-2, CHICAGO 49 1-2

**Chicago, Feb. 4** - Bill Conrardy of Loyola won the 880 in 1:55.9 and tied with teammate Kelly in the mile at 4:30.2. Kelly won the 2 mi. in 9:36.3. McEWEN RUNS 2 MILES IN 9:06.9 AS MICHIGAN BEATS WISCONSIN

**Ann Arbor, Mich., Feb. 11** - Twenty year old Don McEwen of Michigan paced his teammates in a victory over Wisconsin by running the fastest indoor dirt track 2 mile ever recorded. McEwen's time of 9:06.9 has been bettered indoors only on board tracks. The previous best was 9:09.0 by another Wolverine star, Ralph Schwartzkopf. The latter clocked this time on the same track in 1940. Michigan scored 72 5/6 to Wisconsin's 41 1/6.

The 145 pound McEwen, who hails from Toronto, lapped three of the other four runners in the race. Only teammate Justin Williams, who was 2nd in 9:34.8, escaped being lapped. The Canadian star passed the mile mark in 4:35.5 and the  $\frac{1}{2}$  mile mark in 6:52.0.

As usual, the star of the Badger squad was Don Gehrman, who took the mile and 880 events with clockings of 4:18.5 and 1:57.4. Aaron Gordon, Michigan's Negro miler, was 2nd in the longer race and was clocked in 4:19.6.

Charles Fonville, Michigan star on the comeback trail, won his third straight victory in the SP with a toss of 53'7"1-2. Michigan's Art Henrie scored 12 points by winning the 60y in 6.4 and the HJ at 6' "3-4 and taking 3rd in the low hurdles and the BJ. Leroy Collins, Badgers sophomore, won the 440 in 51.4.

LAZ, JEWSBURY STAR AS ILLINOIS BEATS OHIO STATE, 73 1-3 TO 40 2-3

**Champaign, Ill., Feb. 11** - Led by vault star Don Laz and distance runner Walt Jewsbury the Illini triumphed over the Buckeyes from Ohio State. Laz cleared 14'3"5-8 to win the FV and set a new meet record. Jewsbury set a new meet and armory record in the mile as he clocked a fancy 4:13.9 to beat Buckeye Leonard Truax and Illini Lawton Lemb. Jewsbury also scored a 3rd in the 2 mile behind Ohio's Frank D'Arcy and Vic Twomey of Illinois. D'Arcy was clocked in 9:32.2.

Double winners for Illinois were Don Leuthold and Bob Hinkle. Leuthold won the 60y in 6.3 and set a meet record in the BJ at 24'4"5-8. Hinkle took both 70y hurdle events, clocking 8.8 in the highs and 8.2 in the lows.

Hunter Gilbertson of Illinois beat Ohio's Gene Cole in a 50.9

440. Lou Irons won the high jump at 6'5" for Illinois.

FLEMING TIES 60 YARD LOW HURDLE MARK AS IRISH BEAT MISSOURI

**Notre Dame, Ind., Feb. 11** - Bill Fleming of Notre Dame ran the 60y low hurdles in 6.8 leading his Irish teammates in a 66 1-2 to 47 1-2 win over the Missouri track team. Fleming's mark tied the US indoor record held by Madill Cartiser and Harrison Dillard. Fleming also won the high hurdles in 7.3 (60 yds.) setting new meet, fieldhouse, and school records.

Missouri miler Bill McGuire also scored a double win by taking the mile in 4:27.0 and the 2 mile in 9:38.2. Byron Clark, Missouri sophomore, won the 60y in 6.3 while teammate Gordon went 6'4" in the HJ. John Halwig of the Irish took the shot at 51'9"1-2.

FURDUE 64, NORTHWESTERN 50

**Evanston, Ill., Feb. 11** - Dean Pieper scored a double win for Northwestern by taking the mile in 4:29.4 and the 2 mile in 9:53.8 beating Furdue's Bob Rodibaugh in both events. Furdue 440 stars Meyer and Harder placed one-two in their event with clockings of 51.4 and 51.6. Other winners were: Ed Tunnicliff, Northwestern, 60y in 6.5; Ed Jones, Furdue, HJ at 6'3"1-4; Jim Holland, Northwestern, BJ at 23'4"1-4; and Mike Orlich, Northwestern, SP at 48'11"7-8.

MICHIGAN NORMAL 65 5-6, WHEATON 30 1-6

**Chicago, Feb. 11** - Paced by sprinter James Bibbs and hurdler Norbert Badar Michigan Normal triumphed over Wheaton. Bibbs won the 60y in 6.2 and the HJ at 5'10" while Badar took both barrier events. He was clocked in 8.8 for the 70yHH and 8.0 for the 70yLH.

pool, being timed in 13 hours and 40 minutes.... A Belgian reader writes in to correct R.L.Q.'s pronunciation of Reiff. It rhymes with "strife".... Bert Healion of Ireland, who threw the hammer 192'1 7/8" as an amateur, has tossed the ball and chain 202 feet in practice this year, according to Hank Dreyer. Unfortunately, a professional wrestling career bars Healion as an amateur.

# MIDWESTERN INDOOR RESULTS

MINNESOTA 79, IOWA STATE 24

**Minneapolis, Feb. 11** - The Golden Gophers of Minnesota scored victories in 11 of 12 events to swamp Iowa State. In the pole vault, Minnesota's Harry Cooper passed two lower heights and then failed to clear 12', so the event went to Iowa State. Gopher hurdlers Fred Brass and Jim Nielsen divided honors by each scoring a 1st and a 2nd. Brass took the 70yHH in 8.6 and Nielsen the 70yLH in 8.2. Other good marks made by the Gopher squad were: Byrl Thompson, 50'1"1-4 in the SP; Dick Kilty, 9:33.2 in the 2 mile; and Schimmel, 4:23.3 in the mile.

NEBRASKA 61, KANSAS 43

**Lincoln, Neb., Feb. 11** - The Nebraska Cornhuskers won their 3rd straight meet in defeating the Kansas contingent. Meet records were set by Kansas runners in the 800 and 2 mile events. Pat Bowers won the 800 in 1:56.9 while Cliff Abel won the 2 mile in 9:53.4. Bob Karnes of Kansas won the mile in 4:23.2 and was 2nd in the 800. Nebraska's Don Cooper won the PV at 13'7" and took 2nd to teammate Harry Meginnis in the 60y sprint. The latter was clocked in 6.4.

McEWEN RUNS 4:11.7; MICHIGAN LOSES TO ILLINOIS 52 TO 62

**Ann Arbor, Mich., Feb. 17** - Don McEwen scored a very impressive distance double for Michigan but to no avail as a well-balanced Illinois team turned back the Wolverines by a ten point margin. McEwen first took the mile in 4:11.7 easily beating the Illinois runners. Lawton Lamb of the Illini was 2nd in 4:15.1 and Capp of Michigan was 3rd in 4:18.5. Walt Jewsbury of Illinois started but dropped out. He was suffering from a cold. McEwen added the 2 mile to his string of victories afterward and clocked 9:18.8 in so doing. Justin Williams, Wolverine Captain was 2nd in 9:29.8 and Vic Twomey of Illinois was 3rd in 9:39.0.

Charley Fonville won again in the shot, but his marks seem to get progressively worse. This time he won at 52'10"1-2. In the PV Don Laz won for Illinois at 14' while teammate Coleman tied with Ed Ulvestad of the Wolverines at 13'6" for 2nd. Lou Irons scored a double for Illinois in taking the HJ at 6'3"5-8 and the BJ at 22'10"3-4. Lamb won the 800 in 1:55.6 after taking 2nd in the mile.

OKLAHOMA 52 1-2, KANSAS 51 1-2

**Norman, Okla., Feb. 18** - A trio of Kansas distance stars broke meet records, but Oklahoma came up with a narrow victory. The records set by the Jayhawkers were: 1:56.1 for the 800 by Pat Bowers; 4:22.3 for the mile by Bob Karnes; and 9:39.6 for the 2 mile by Cliff Abel. Oklahoma's Bill Carroll also set a meet record of 14' "3-4 in the pole vault.

LOYOLA 64, CHICAGO 53, DEPAUL 50 2-3, ILLINOIS TECH 3 2-3

**Chicago, Feb. 18** - The Loyola triumph was led by distance stars Conrady and Kelly and sprinter Charles Whittingham. Conrady won the mile in 4:52.2; Kelly won the 2 mile in 9:34.2; and Whittingham won the 70y in 7.2 and the BJ at 21'2"1-2.

MACK RUN MILE IN 4:09.6 AS SPARTANS BEAT BUCKEYES

**East Lansing, Mich., Feb. 18** - Michigan State's Bill Mack ran the 2nd fastest mile ever run on an indoor flat dirt track by clocking 4:09.6 as the Spartans defeated Ohio State, 67 to 47. Only Chuck Fenske of Wisconsin has done better on a dirt track. Fenske clocked 4:08.9 in 1938 at Chicago. Mack chalked up fractional times of 61.6, 2:06.1, and 3:09.0 in setting a new fieldhouse record. The former mark was 4:12.7 set by Don Gehrmann of Wisconsin earlier this year.

Two other fieldhouse records were broken during the meet. Warren Druetzler of Michigan State set a new 2 mile mark of 9:11.7 in beating Ohio's Frank D'Arcy. Len Truex of Ohio set the other mark. After taking 2nd in the mile the Buckeye took the 800 in 1:53.9. Don Makielaki of Michigan State was 2nd.

Fred Johnson was the top scorer for the Spartans. He won the 60y in 6.4, the BJ at 24'5", and tied for 1st in the HJ at 6'. Horace Smith took both hurdle events for Michigan State. He did 9.4 in the 75yHH and 8.7 in the 75yLH. Jack Dianetti of the Spartans won the 440 in 49.9.

Winners for Ohio State were: Bill Edwards, 49'7" in the SP; and Bill Bruney, 15'6" in the PV.

GEHRMANN RUNS 800 IN 1:51.8 AS BADGERS BEAT MARQUETTE

**Madison, Wis., Feb. 18** - Nearly duplicating his feat of last year, Don Gehrmann, Wisconsin mile star, turned in a flashy 1:51.8 half mile on the Wisconsin banked dirt track. Gehrmann had earlier won the mile very easily in 4:28.9. Last year in the same meet the Badger star was clocked in 1:51.5 for the 800.

Other good marks by the Wisconsin team were: 51.5 in the 440 by Leroy Collins, 9:37.1 in the 2 mile by Glenn Weeks, and 49'3" in the SP by Albright. The Badgers won by a score of 83 3-4 to 30 1-4.

NOTRE DAME 64 1-2, PURDUE 49 1-2

**Notre Dame, Ind., Feb. 18** - John Helwig of Notre Dame set a meet record in winning the SP at 52'11"5-4. Teammate Bill Fleming did likewise with a 6.9 clocking in the 60yLH. Harold Omer, Purdue's Big 10 indoor sprint champ, took the 60y in 6.3 while Boilermaker Captain Frank Harder won the 440 in 49.7. Both marks were meet records.

ILLINOIS 68 1-2, MINNESOTA 45 1-2

**Minneapolis, Feb. 18** - One day after taking Michigan into camp, the Illinois track squad polished off Minnesota. Dick Kilty of the Gophers set a new track record of 9:26.4 in the 2 mile run as he beat Vic Twomey of Illinois by half a lap. Another Minnesota winner was Byrl Thompson who took the shot at 50'3".

The pole vault ended in a three way tie among Don Laz and Calish of Illinois and Harry Cooper of Minnesota at 15'. Lawton Lamb of the Illini won the mile in 4:18.6.

IOWA 75, NORTHWESTERN 41

**Iowa City, Feb. 18** - Dean Pieper of Northwestern set a fieldhouse record in winning the mile in 4:17.9 and then came back to set a meet record of 9:45.9 in the 2 mile run. Russ Merkel scored a double for Iowa by taking both barrier events. His clocking of 8.0 in the

70yLH was a meet record. He took the 70yHH in 8.8.

Jim Holland of Northwestern was a third double winner as he took the BJ at 23'9"1-2 and the 440 in 51.4. Iowa's Marcellus Boston set a meet mark of 6.2 in the 60y in beating Ed Tunnioff of N.U.

MISSOURI 62 1-2, NEBRASKA 41 1-2

**Lincoln, Neb., Feb. 18** - The Missouri Tigers stopped Nebraska from winning a fourth straight dual meet. Harold Carter, Tiger sophomore, tied the meet record of 6.9 in the 60yLH. Carter was also 3rd in the 60y dash to another Missouri sophomore, Byron Clark. Clark won in 6.3 with Nebraska's Harry Meginnis 2nd.

The closest race of the meet was the 440 in which Elmer Klein of Missouri beat Loyd Hurlbert of Nebraska by one foot in 51.1. Nebraska was without the services of Don Cooper, who had a pulled muscle, while Bill McGuire of the Tigers was also absent due to illness in his family.

TRUAX BEATS McEWEN IN 4:10.7 MILE

**Ann Arbor, Mich., Feb. 25** - Ohio State sophomore Leonard Truax beat Don McEwen, Michigan sophomore, in the mile run as Michigan turned back Ohio State in a dual meet, 62 to 52. McEwen led through the first six laps of the eight lap race with Truax trailing him closely. At the three quarters the Buckeye took over. Truax fought off McEwen's last lap bid to win by 5 yards in 4:10.7, a new meet and fieldhouse record. The former fieldhouse record of 4:11.7 had been set by McEwen only a week before.

For Truax it was the end of the role of "eternal second" in the mile run. The Ohio star had placed 2nd to Gehrmann in the Michigan State Relays mile three weeks earlier and then finished 2nd twice more in succeeding weekends behind Walt Jewsbury of Illinois and Bill Mack of Michigan State.

Truax was the meet's only double winner as he returned to take the 800 in 1:56.3. McEwen did not run the 2 mile race. Ohio won seven of the twelve events but weakness in the hurdles was their downfall.

In the absence of McEwen from the 2 mile Frank D'Arcy of Ohio beat Wolverine Captain Justin Williams in 9:21.8. Michigan's Charley Fonville scored his 5th straight shot put victory with a toss of 53'10"1-2. Ohio 440 men Harry Cogswell and Gene Cole were one-two in their event in 51.2 and then each ran a leg on the winning mile relay team. Ed Ulvestad won the pole vault for Michigan at 13'8".

GEHRMANN RUNS 9:08.2 TWO MILE AS BADGERS BEAT GOPHERS

**Madison, Wis., Feb. 25** - NCAA mile champ Don Gehrmann took a shot at the 2 mile distance as he and his Wisconsin teammates triumphed over the Minnesota track squad, 66 1-2 to 47 1-2. The result was a sensational clocking of 9:08.2 by the Badger star as he clipped the former Army Annex record of 9:31.2 set by Jim Urquhart of Wisconsin in 1949. Gehrmann had previously won the mile in 4:27.5 before his record 2 mile run.

Three other annex records were broken during the course of the meet. Badger sophomore Leroy Collins set a 440 mark of 50.6 in winning that event. The other two marks went to Gophers Harry Cooper and Byrl Thompson. Cooper vaulted 13'8"5-8 and Thompson took the shot at 52'7"4. Clark Rive of Minnesota scored his 4th straight sprint victory of the season in taking the 40yd. sprint in 4.6.

ILLINOIS TRIUMPHS IN QUADRANGULAR

**Champaign, Ill., Feb. 25** - Illinois established themselves as the favorites in the forthcoming Big Ten indoor championships by easily triumphing over three Conference rivals. The Illini scored 73 points as Iowa and Purdue tied with 43 1-2 and Northwestern scored 33.

Illinois vault star Don Laz turned in the best mark of the meet as he vaulted 14'5"6-8. Dean Pieper of Northwestern and Russ Merkel of Iowa were double winners. Pieper beat Illini Lawton Lamb in a 4:17.4 mile and then came back to take the 800 in 1:56.7. Merkel took both 70 yd. hurdle events going the highs in 8.8 and the lows in 8.1.

Frank Harder and Ronald Meyer of Purdue were one-two in a 49.7 440 and then both ran on the winning mile relay team which was clocked in 3:20.2. Ed Jones of Purdue beat Lou Irons of Illinois in the HJ with a leap of 6'4".

Marcellus Boston of Iowa won the 60y dash in 6.3 as Purdue's Big 10 champ Harold Omer finished 4th. Jim Holland of Northwestern, who was 2nd in the 60y, took the BJ at 23'5"3-4. Walt Jewsbury of Illinois won the 2 mile in 9:27.7.

# Boston AA

## Record Heave by Fuchs, Fast Times Feature

Boston, Feb 4— Fast times, close finishes, form reversals and a world's indoor record thrilled over 12,000 fans at the 1st annual Boston AA Gms.

Jim Fuchs added the indoor shot put record to his 58'4 3/8" outdoor mark with a great heave of 57'6 1/2". (Fuchs used a brass shot from a wooden circle. Fonville's 56'10 5/8" was from a dirt circle, and Blozis' 56'4 1/2" was with a leather-covered shot.)

Curtis Stone stunned Fred Wilt with a last lap kick that left his former nemesis 15 yds in the rear. Stone's 8:55.1 was the fastest 2-mile won by any American except Greg Rice. Both runners and Horace Ashenfelter were under nine minutes, lapping Viljo Heino, who made his indoor debut one week early. It was the first defeat of the year for Wilt.

Charley Moore, NCAA 440 champ, & American record holder for the 400m hurdles, outkicked Frank Fox by one foot to win the 600 in 1:12.1.

Another great finish saw John Barry of Ireland edge past John Twomey at the tape to win the mile by a foot in 4:13.4. Barry, who had lost three consecutive mile races, led through 63, 2:09.1, and 3:12.5 quarters, but Twomey, George Wade, and Tom Kirwan of Penn all passed him in the last quarter. Barry passed all three in the last 100 yds with his tremendous kick.

Roscoe Browne provided another upset victory, outkicking Phil Thigpen and Bob Mealey by 8 yds in a fast 1000. Browne, a professor of languages at Lincoln University, won in 2:11 to take possession of the Lapham Cup.

Still another upset came in the 50, where Ira Kaplan inched out Andy Stanfield in 5.4. Stanfield was given a reprieve earlier when Starter Joe Orpen fired a recall shot after Stanfield's starting blocks slipped.

Previously undefeated John Heintzman of Bradley tied for second in the high jump at 6'4" behind John Vislocky's great 6'7 1/2" leap.

The pole vault was also something of an upset, as neither Bob Richards nor Don Laz could go higher than 14 feet.

## Steve Dillon Breaks Indoor Weight Mark

New York, Feb 3— Steve Dillon, 19-year-old St. Francis College sophomore, broke the indoor record for the 35 pound weight throw with a mighty toss of 58'9 1/2" in the Metropolitan Intercollegiate meet at the 168th St. Armory.

Dillon, a 6'3", 220 pound protege of the great Bert Helion of Ireland, came from behind on his last throw to defeat defending champion John Ogle's 56'11 3/8". All six of Dillon's throws were over 55 feet.

NYU won the most individual titles, but Manhattan won the team title with 77 1/2 points to 60 1/2 for NYU.

## MICHIGAN STATE RELAYS

East Lansing, Mich., Feb. 4 - Don Gehrman, Wisconsin's NCAA mile champ, set a new meet and fieldhouse record in his favorite event at the annual Michigan State Relays. His time of 4:12.7 bettered his own mark of 4:15.2 set in the 1949 Michigan State Relays and is the best time he has ever turned in on a flat dirt track indoors. Gehrman swept through fractions of 61.0, 2:05.3, and 3:11.0 while beating Leonard Truex of Ohio State by about a 100 yards.

Michigan State star Fred Johnson scored in three events with a 2nd in the 75y dash and wins in the 75y low hurdles and broad jump. Johnson tied the meet and fieldhouse record of 8.3 in the lows in a heat.

Other outstanding marks were turned in by Michigan stars Charley Fonville and Don McEwen and Notre Dame's Bill Fleming. Fonville, on the comeback trail, took the shot at 54' "1-8. McEwen bettered the meet record in the 2 mile with a 9:12.9 clocking. Fleming tied the meet record of 9.1 in the 75yHH. Gene Cole, holder of the US interscholastic 440 record at 48.0, made his collegiate debut by winning the 300y dash in 31.8 for the Ohio State Buckeyes.

In the relay events the Michigan State distance stars scored two wins for the host school. Dean Pieper anchored Northwestern to first in the sprint medley and was clocked in 1:54.8 for his half mile leg.

## New Indoor Mark for Jim Fuchs

New York, Feb 11— Husky Jim Fuchs, greatest shot putter of all time, shattered his own indoor mark with a mighty 57'7 3/4" push of the leather-covered shot in the New York Athletic Club Games at Madison Square Garden. The black-haired Yale senior won on his first toss, and could do no better than three 55-footers after that.

Marks in the individual events were disappointing, but a new star was found hiding out on Georgetown's fast 2-mile relay team which set a new meet record of 7:42. Joe Deady, Georgetown's virtually unknown anchor man, was timed in 1:52.8 for his 880 yard stint.

And the Pioneer Club ran one of the fastest indoor mile relays on record. The team of Stafford Thompson, Hugh Short (indoor record holder at 600 yards), Reggie Pearman, and Roscoe Browne blazed to a 3:18.7 clocking.

Bob Richards cleared 14 feet easily, but pulled a muscle trying 15 1/4". Richards cooled off while waiting for NCAA champ Bobby Smith to finish at 14 feet. He barely missed on his great effort, but held his left leg in pain while he lay in the sawdust pit. He was able to run easily after that, but did not try to vault.

It was Fred Wilt's turn to win the 2-mile, and Curt Stone obliged by fading to a slow 9:02.9, only one week after his sizzling 8:55.1. Horace Ashenfelter set a fast pace tonight, leading by 20 yards at the quarter and half (2:08.9 and by 30 yards at the three-quarters (3:17.4). Ashenfelter passed the mile in 4:27.1, 25 yards ahead of Stone and Wilt. At a mile and a half (6:49.3), Ashenfelter's lead began to shrink. One lap later, Wilt, who had trailed Stone all the way, rushed past and Ashenfelter's lead disappeared. Wilt went into the lead, but Ashenfelter held Stone off. Heino was 15 yards back and fading. With three laps to go, Stone captured second place, and Ashenfelter faded. With 2 1/2 laps to go, Stone grabbed the lead. For one full lap, Wilt tried to pass, then, with a lap and a half left, he sprinted, leaving Stone 20 yards behind. The 29-year-old G-Man won in 8:59.3, his fastest winning time.

George Wade, Yale's long-striding indoor IC4A champ led all the way in the Baxter Mile, outlasting J.J. Barry and John Twomey. Wade's lap times were 59.8, 2:03.5, 3:10,

## Profiles of Champions

Dick Phillips

by Louis Delucchi

America is full of high jumpers who are called potential seven-footers -- frog-legged men like Stanich, McGrew, Eddleman, Walters, and Martin -- but nobody ever seems to consider the best jumper of them all, 22-year-old Dick Phillips of Brown University.

Phillips, a very tall, very skinny, bespectacled, almost colorless jumping machine, is the most consistent jumper in America since Les Steers. Last year, Dick made a clean sweep of all the major high jump titles in this country -- the NCAA, and indoor and outdoor AAU and IC4A.

Phillips started up the ladder slowly. In high school, his best jump was 5'10", although he won the New England AAU that year at 6 feet even. Then he spent 17 months in the Army Medical Corps, with no competition. And so it was that in 1947, he had never leaped over six feet.

This was soon remedied. In a dual meet, he jumped 6'5 1/8". Later, he was third in the IC4A at 6'3".

Dick startled the track world in his first indoor competition of 1948, jumping 6'7". After that, he was consistent around 6'5", placing second in the AAU at 6'6" and winning in Cleveland at 6'6 5/8".

Outdoors in 1948, Dick ranked 8th in the world, winning the Penn Relays at 6'5 5/8", placing 2d in the IC4A at 6'5 7/8", tying for third in the AAU at 6'6 5/8", and barely missing the Olympic team with a 6'6 1/2" leap.

That was the last major defeat for Phillips in this country. Indoors in 1949, he started slowly, but won the AAU at 6'7", tied in the IC4A at 6'4 1/2", won the Heptagonal at 6'8", and won in Chicago at 6'4".

Dick was undefeated outdoors in America. He tied Mondschein at 6'7 7/8" in the IC4A, won the NCAA at 6'7", and copped the AAU at 6'6 7/8".

It wasn't until the USA vs Scandinavia meet that Dick fell down. He was able to clear only 6'4 3/4" for second place. But keep your eyes on him this season; he's America's best bet to regain some of her lost prestige in the high jump. He's the man to beat in every meet.

jump. His 24'6 3/4" also won the junior AAU title which had been postponed from last week. John Vislocky cleared 6'6" on his last jump to win the high jump, and Gil Borjeson of Brown came from behind on his last throw of the 35-pound weight to win from perennial champ Henry Dreyer and the new "world" record holder, Steve Dillon.

The mile saw favorite George Wade lead through 60.2 and 2:05.2 quarters, only to fade far back, and keep on fading until he finished eighth. J.J. Barry, the Villanova frosh from Eire, took over the pace, passing the three-quarters in 3:09.2 and coming home easily in 4:11.5, over a second slower than he ran in the Wanamaker Mile. Horace Ashenfelter beat John Twomey for the second straight race, copping second place five yards behind Barry.

Roscoe Browne outspurred Phil Thigpen in a slow, 2:15.6 thousand. Thigpen, who had angered the crowd earlier by using his elbows too freely in a heat, finished two yards back. Harrison Dillard won his fourth straight high hurdles title, and Bob Richards regained his pole vault championship. Henry Laskau, of course, won the mile walk in 6:33.4, which saw the third and fourth finishers (Locke and Terry) disqualified.

In the mile relay, Morgan State's imposing array of potential world record breakers won by two yards in a fast 3:19.9 race. Joe Deady anchored his Georgetown 2-mile relay team to a narrow triumph over speedy Syracuse.

## Reversal Gives Wilt Wanamaker Victory

New York, Feb 10-- Fred Wilt was declared winner over Don Gehrman in the Wanamaker Mile in a decision reversed by the registration committee of the Metropolitan AAU.

This reversed decision was prompted by an appeal by Major Patrick J. Walsh, one of the two first place judges, both of whom picked Wilt as the winner.

Now comes news that Wilt's victory is being appealed.

All this paves the way for

MARKS SET BY MOORE, MACK, CHURCH (continued from page 1)  
The veteran ran the legs off five high class competitors for his best winning time, 8:55.2. John Barry was the only one who stayed close, finishing 15 yards back as Curtis McTene, whose recent 8:55.1 is, with the exception of Greg Rice's efforts, the fastest winning time by an American, wound up fifth. Horace Ashenfelter, who lost his IC4A standard of 9:14.8 to Church, was third with John Twomey fourth.

Mack shaved an even second from Leslie MacMithell's 1940 mark and locked to be good for at least another second faster if he hadn't breezed the last lap, repeatedly looking back over his shoulder. The 22-year-old senior was saving himself for the two-mile but as it turned out he didn't run in it. Pennsylvania's Tom Kirwan was a fast second, some 10 yards back, while George Wade, the defending titlist, dropped out with two laps left.

The two-mile was a fast, rugged battle until the gun lap when Church moved away from a tying up Dick Sha of Army. The cadet struggled around the final circuit but was good enough to finish in 9:10.2, well under the old record.

Moore's 600 victory was achieved with a foot to spare and his principal victim was Hugo Maiocco, the AAU champ. Maiocco led into the last lap but was then caught napping by Moore and failed to make it all up in a homestretch drive.

Left sitting at the gun, Stanfield had to come from behind to tum in his record tying 6.2 in the 60. Joe Cianciabella was off ahead of the other finalists but Seton Hall's new world's fastest human made it up for a clear victory.

Stanfield also turned in his best ever bred jump, a 24-5 3/8 leap which placed second to Fred Johnson of Michigan State who hit 24-8 3/4 to retain his title. Joining Stanfield and Johnson in retention of individual championships were Jim Fuchs, whose 56-3 3/8 shot put won by nearly three feet but fell short of Al Blozis' meet record, and Thigpen, who took the 1000 in a slow 2:15.2, winning by two yards from Browning Moss.

Penn State won a pair of victories when Jim Gehrdes copped the high hurdles in 7.3 and new star Victor Fritts cleared 6-4 1/2 to win the high jump. Gilbert Borjeson of Brown, with a 56-7 5/8 mark in the weight, and Yale's Neil King and Amy's Richard Bastar with a 13-6 tie in the pole vault, rounded out the individual winners.

In a special 600 yard handicap, Frank Fox ran 1:11.7 to defeat Reggie Pearman with both men starting from scratch.
