FORUM

Sirs,

I look forward to receiving each of your bi-monthly publications of Starting Line, as I'm sure all of your readers do. Like myself, I feel many of the parents and coaches get some personal satisfaction from seeing their son(s)/daughter(s) or team members' names in print. But I'm sure, for all of us, the reason for subscribing to your magazine is the interesting articles and editorials, comments on the Forum page, or the enjoyment of going through the age groups checking on times, etc. of team-mates or members of other teams that we've watched grow up in our years of attending track meets. I also spend many hours throughout the year, going through the back issues, comparing times of the previous year's meets, where I have found them to be much faster this year, mainly due to the year-of-birth change in the age groups.

While at the track meets I hurriedly write down the results and times, etc., given by the announcer, in my program. For one reason or another, I never seem to get them all — maybe it's because I rely on the "S.L." knowing the next issue will have the complete results. But this year your first five publications have been a disappointment, as regards the coverage given to girls' AAU track in the So. Calif. area.

I know some the reasons for not being able to give coverage is the lack of results, etc. from contributors, but being a So. Calif. based publication, I'm sure your staff were at most of the above mentioned meets (a couple of which were rained out).

I think part of the problem is you're trying to give too much national coverage, hence the reason for less "local" meets (not just in So. Calif.) getting better coverage.

Therefore, may I make this suggestion. That you give some thought to dividing the area served by Starting Line into four geographical locations. Then print 24 pages, 16 of which would be standard to all areas, the remaining eight pages could be devoted to "local" coverage and each inserted into their respective geographic location editions.

Of course, this may be easier said than done, as I'm sure this would create additional costs to your typesetting, printing, etc. But if it is at all feasible, I'm sure it would make for a better publication and more interesting reading for your subscribers.

T. McKenna, No. Hollywood, Calif.

(Editors: The points you raise are good ones. We have been wrestling with "local" vs. national coverage since the inception of SL in 1971. We were deluged with meet results from all over in 1975 in contrast to our first year, when at least 1/4 of all the material submitted to us was from southern California girls' meets.

Though our essentially "part-time" two man staff prohibits adopting the solution you suggest in the immediate future, the format of SL will be changing in order to strike a compromise between regional and national coverage. We are happy to know we are not simply a southern California publication.)

Editors

Last year's Boys Nationals was a pretty good meet. We came a long way and I must say the competition was good. But I think a few more ideas should be added to the Nationals:

(1) There should be a type of get-together for the kids so at least they can meet new friends instead of on the track.

(2) Why don't they have a point system like they do in cross country. It gives the whole team a chance to strive for one basic goal -- to win the Nationals and be national champs.

(3) Why don't they run-mile relays? The 440 relay is great, but I would like to show the west we can also run quarters better than any team around.

Bob Jackson
Morris Estate Track Club
Philadelphia, PA

(Editor: SL heartily endorses your first point. As for the other points, we believe that team points and relays have no place in national individual championships, especially since these aspects traditionally cause more disputes than all other parts of track & field put together. However, why not have a big relay carnival or a real team championship meet, a few days after the individual championships let's say, at the same site or nearby. In the interim, athletes and coaches would have time for the "get-together".

Editors:

I have received your magazine for over two years now and enjoy it very much. I am very surprised though, that you support the January 1 rule.

Hugo Pruter and Jerry Montgomery covered all the issues so well (see Forum, No. 34 and 37) but I would like to add that I have only met one person who likes the rule. The reasons for the rule seem so weak, like changing divisions in the middle of a season. This would not happen if cutoffs were at the beginning or end of a season such as May 1 or August 1 for outdoor Track & Field.

Since the three seasons - Indoor Track, Outdoor Track and Cross Country - extend through the entire year, everyone would be at the top of their age group during one of the three seasons. January 1 is just too far from Outdoor Track & Field and Cross Country seasons.

The rule appears to have been made for older kids. Four to six months means so much to the younger (15 and under) kids. I am grateful that you print comments both pro and con on this important subject.

A concerned parent,

Don Geier

Opinions expressed in this column are not necessarily those of the editors of STARTING LINE. It is hoped that the pertinence and timeliness of the subjects discussed will stimulate our readers to re-examine their attitudes toward the sport of Track & Field. The editors invite comments on these and other topics.

In the Region Four Junior Olympics, the winner of the intermediate/seior girls-discus throw at Gainesville, FL was Karlyn Gansel, who was only 14 years old. Karlyn could not go on to the National Junior Olympic Meet, because the discus throw is only held every other year at this level.

Next year, at age 15, is the only year she will be able to compete at the national level unless some nonsensical rules are changed. When Karlyn is 16, the event will not be held at the national level.

Charles Gansel
Lake City, Florida

(Editor: Good news for Karlyn and many others. According to late word, the discus throw will be among the eight additional events which will be contested every year at the National JO Championships, beginning in 1976).

Editors,

I can't see what Mark Becker is complaining about (see Forum, Sept/Oct Starting Line). At the 1974 Cross Country Championships in Dayton, I openly announced that I wanted to host the 1975 Nationals in Albuquerque, so the western teams wouldn't have to travel East again, which they have to.

I wrote Gabe Mirkin many, many times and never got an answer. Then all of a sudden Annapolis (coincidence?) gets the bid and once again we westerners have to travel east.

So now I am publicly announcing my bid for the 1976 Men's and Boys National Cross Country Championships. Want to bet we don't get it?

Dave Sanchez
Albuquerque, NM

LATE NEWS!

According to reports from the National AAU Convention in New Orleans, more track & field competitors will be at the National Junior Olympic meet in Memphis, Tennessee this year. Not only will each of the thirteen regions be allowed to advance two contestants in each event, compared to one per event previously, but four more national championship events will be added for both boys and girls.

In addition, the JO age determining date has been moved to January 1 (again) to coincide with AAU Age Groups.

Among other sites selected for National Championship Meets: AAU Jr. Women - Los Angeles (UCLA) on June 13 & 14; JO Cross Country - St Louis on Dec 11; Jr. Women AAU Indoor Pentathlon - Boy's Town, Nebraska; Outdoor Pentathlon - Santa Barbara, Calif.; JC Boys & Girls Pentathlon/Decathlon - Chicago.

Additional details will appear in the next issue of Starting Line.

STARTING LINE depends on contributions of results, news, opinions and photos from all of our readers (athletes, coaches, officials, parents, and general followers of junior and age group track & field).

It is more likely that your contributions will appear in the pages of STARTING LINE if you adhere to the following guidelines when submitting material:

RESULTS

Include first and last name of at least the first three competitors in each event, along with hometown or team affiliation, time or distance of each competitor listed, type of track (dirt or all-weather), wind conditions (the more specific the better), height of hurdles, weight of implements (shot, discus, etc.). Also include heat or qualifying round marks (if better than final mark) and birth-dates on top athletes would be helpful for best performance lists.

NEWS

General interest items (in contrast to news merely of your team or of one individual) are more useful. We want material on both boys and girls (such as schedules of upcoming events, new teams or programs), background info on area, athletes, etc.), especially from areas which haven't gotten much space before.

STARTING LINE IS PUBLISHED EVERY TWO MONTHS - FEBRUARY, APRIL, JUNE, AUGUST, OCTOBER AND DECEMBER.

In 1976, S.L. will be expanding their services in areas that we had planned for some time. (1) CLUB MEMBERSHIP SUBSCRIPTIONS - while every other track magazines are raising their rates, we, on the contrary, will not only maintain ours but will also offer substantial discount rates to clubs as well; (2) We are coming out with our first CATALOG of important books and stop watches starting in February. There will be over 35 items especially selected for age group track participants. It will be offered to clubs, and distributed at meets throughout the United States by selected distributors. If you want to be one of our distributor and earn royalties (without investment) write to us and we'll tell you all the particulars. We will start our mailing to clubs at the end of this month. Look for it!

From the Editors

At a recent championship meet, one of the top junior distance runners in the nation remarked, after watching an age group race, "I'm glad I didn't have to compete when I was that age". The runner's teammates agreed unanimously.

We have heard similar remarks from several top high school athletes. Many of them are astonished to see over-zealous parents or coaches exhorting their nine year-olds, at the top of their lungs to win at all costs.

SL believes that winning may be an important aspect of competition, but not nearly so much as health (physical and mental), self-satisfaction, enjoyment and personal improvement. We often wonder who is getting the most from age group track and cross country. Is it the boy or girl who must win in order to gain the approval of mom, dad, coach or friends? Is it the young athlete who competes for years without ever winning? Might it be the one who tries it for a year or two, then quits to devote more time to some other experience?

Maybe it is the adults who get the most out of the age group programs. Which reminds us of the remark made by basketball player Bill Russell, when asked what he thought of Little League. "The best I can say for it," Bill replied, "is that it keeps the parents off the streets." We wonder if that is the best that could be said about age group track.

VAN CORTLAND PARK, BRONX, NEW YORK - NOVEMBER 2, 1975

3018 competitors, from most parts of the country, took advantage of the unseasonal warm temperature and came early to compete at 1 1/2 miles for boys and girls age 6 to 15, and at 3 miles for ages 16 & over over the famous Van Cortlandt Park X-Country course.

It is truly astonishing to see how smoothly everything goes, considering that in some races there were over 400 starters. Obviously Meet Director BARRY GEISLER has very little sleep for weeks preceding what surely must be the largest Age Group Cross Country meet in the United States.

In the Boys Competition, PETER SCHWASNICK of the strong LIAC team, NY, won convincingly over GEOFFREY MIRKIN of Maryland in the 6-7 group. The 8-9 race saw the Metuchen Recreation team of New Jersey make a clean sweep, led by irresistible JOE O'CONNOR, followed by TODD GIBBONS and 8 year-old MIKE CATALANELLO, last year's 6-7 winner.

The 10-11 race was loaded with outstanding athletes with WAYNE WILLIAMS of the D.C. CYO edging out teammate RICKY JACKSON and Jenkintown's (PA) CHUCK LEDER. MARK SOLTIS of Clarks Grove (PA) added another feather to his hat taking the 12-13 title over competitive SEAN TRACY (D.C. CYO).

14 year-olds took the first 3 places in the 14-15's, as ED GALLAGHER of Yonkers took the measure of 880 National champion, BRIAN PHARR of Philadelphia. 16 year-old BOB HELLER of River Dell School (NJ) took his division's title on the new 3-mile course, over MIKE BROWN of Massachusetts, also age 16.

In the Girls competition, the Ambler Olympic Club (PA) went 1-2 in the 6-7 group, with TYLMAC JULIAN winning easy. Sensational 9 year-old DAVIDA JACKSON (D.C. CYO) broke the old 8-9 course record by 22 seconds in recording her third consecutive RRCA National title. Her teammate VALERIE ANDERSON was also under the old standard.

KIM GALLAGHER (Ambler O.C., PA) repeated in the girls 10-11 improving by 2.5 seconds over her winning time of last year.

The CYO tried for a 1-2 finish in the 12-13's with TITA LEWIS and TRACY GRANT, but LINDA YEAGER of Kettering (OH) edged out Tracy, stopping the rout. Massachusetts' LYNN JENNINGS took the measure of AILEEN O'CONNOR of the D.C. CYO, recording the fastest time ever by a female runner over this 1.5 mile course.

BOYS AAU X-COUNTRY CHAMPIONSHIPS

ANNAPOLIS, MARYLAND
NOVEMBER 30, 1975

Meet Director/GABE MIRKIN

From a humble start that saw 111 runners from 4 states in '73, growing to 350 boys from 14 states last year in Ohio, the meet has become more than respectable, attracting to Annapolis, MD, 560 athletes from 22 states.

According to most observers, the 14-15 Division saw the most exciting as well as controversial race of the day.

In contention were FRANK and CHUCK ASSUMMA of Rialto, CA, who had placed 1-2 in the two previous Nationals and had been undefeated in X-Country (and track) competition, and ALAN SCHARSU of Austintown, Ohio, the new and sensational Age 14 record holder in the 2-mile at 9:24.8 (also an unconfirmed 9:15.6). The confrontation was eagerly awaited. The race was as promised, with the three boys running ahead of the pack until the last 300 yards where Alan put on a fantastic kick, taking a six second advantage at the finish. However, a protest was lodged and, after much debate, Scharsu was disqualified for "cutting many parts of the course" (quote) and Frank was declared the winner.

Another incident occurred in the 16-17 Division, and is still at this time not fully resolved. The National Indian Activities Association Team, who had among its members the eventual winner ANDY MARTINEZ, a 13:50/3-miler, was absolutely devastating with an 1, 2, 8, 9 and 17 finish. The Indian team, however, was disqualified by Meet Referee Bob deCelle, because all the members of the team did not come from the same association.

The MORGANS of Albuquerque, NM, are challenging the Assumma clan as Age Group's Premier family. Seven year-old GLEN destroyed the field in his group. Among his victims was up-and-coming PETE SCHWASNICK of the Long Island AC team, the 1975 RRCA National Champion in the same age group.

Glen's brothers FRANK and ALFRED went 1-2 in the 10-11 Division, with Frank repeating his win of last year and Alfred, who had placed 2nd in the 9-Under in '74, giving his older brother a lot of trouble.

In the 12-13 group, the Rialto Road Runners, CA, completely dominated the race, with KEVIN DOWNEY, MIKE ASSUMMA and RAY COOK sweeping the top three places, and placing 6 of their runners in the first 11 finishers! Speaking of his team's success coach John Cook remarked, "we had five runners on the team capable of taking it all. DAVID NEIDORF, had he not been ill, might have been our logical choice as favorite, but, as it were, it was a free for all, with...our fifth man winning it".

JOSEPH O'CONNOR of Metuchen, NJ, continues picking up the 9-Under titles, finishing almost a minute ahead of the rest of the group. His time of 16:27 would have placed him 9th in the 10-11 Division. A teammate of his, 8 year-old phenom MIKE CATALANELLO, took an excellent runner-up spot, beating out a strong challenge by PAUL SCHRADER of the Nassau Co. PBL of NY.

The powerful Washington, D.C., CYO contingent, made the strongest team showing, taking a narrow victory over the Duke City Dashers of NM in the 10-11's, thanks to third placer WAYNE WILLIAMS (Bantam 880 National Champ), another close win in the 14-15 over a surprising Gator T.C. from Florida, and, led by JOHN IRELAND and SEAN TRACY, a valiant runner-up spot in the 12-13 age group.

Shown in this photo are two members of the great Metuchen Recreation Team, with 8 year-old MIKE CATALANELLO leading TODD GIBBONS. JOE O'CONNOR was already far in front.

Half-Mile to go in the Youth (12-13) race, with easy running AILEEN O'CONNOR beginning to pull away from CORRINNE NUNEZ.

LYNN BJORKLUND, now 18, does it again.

CAROL LANTRY Leads the field and stayed there.

Midway in Junior Women's race, KATHY MILLS extends her lead. Eventual runner-up LYNN JENNINGS is moving up on left of leading pack. Who else can you recognize?

BELMONT, CA - NOVEMBER 29, 1975

KATHY MILLS and LYNN JENNINGS from the northeast corner of USA, proved much too tough for a talented Junior Women's field in leading their teams to victory over perennial powerhouses. Kathy, wearing the togs of Fayetteville-Manlius High School in suburban Syracuse (NY), and Lynn, from Bromfield (MA) High, spent much of the fall running with the boys on their school teams.

Kathy challenged the early pace-setter PAULA ROSE, opened a gap midway in the race and ran on by herself. Her Syracuse Charger mates easily defended their team title by placing five girls in the top 16, before any other squad had finished three scorers. Meanwhile, Jennings was leading New England's Liberty AC to second place, using the numerous hills to advantage after a slower start, passing the tiring Rose and other well known runners in mid-race.

Hardly surprising was the continued dominance of junior LYNN BJORKLUND in the Women's Division. New Mexico's finest has now won more major distance titles than any other American female except for the great Doris Brown. A minor sensation was created by ERYN FORBES, 14, who was a fast closing fourth in back of Bjorklund. Erynn only ran in this race because her Portland TC team lacked the necessary eligibles for the Junior Women's race. Northwesterner DEBBIE QUATIER made up some for a frustrating track season by placing a strong sixth.

Age Group Races:

YOUTH - Hard working AILEEN O'CONNOR shocked her coaches as much as anyone by skittering to an easy win, after following the pace of CORRINNE NUNEZ until the last half mile. A strong race by Reno's KAREN BAIN edged last year's winner and third placer SHANNON CLINE and SANDY HOFFMAN. Nunez led her Rialto Road Runner mates to the first of three easy age group team wins.

MIDGET - A terrific three way battle all the way was won by CAROL "KIKI" LANTRY over last year's runner-up VICKIE COOK and the 1974 9-Under champ LAURA CRAVEN, after a very fast start by the Ambler (PA) Olympic Club squad.

BANTAM - Diminutive KATHY KIERNAN and KAREN BRADSHAW proved better equipped for the hills than lanky DAVIDA JACKSON, last year's runner-up. Kathy set the pace, while Karen just got by Davida near the end.

Best Performers of 1975

The 1975 Best Performers Lists appearing on these pages show the best outdoor marks known to the compilers on the date stated in the introduction of the boys or girls lists. Marks reported in fragmentary form are shown with the "questionable" or invalid marks at the end of the tabulated list of valid marks.

Only marks taken from detailed summaries of complete meet results are considered for the regular list, though additional information on "questionable" marks will be appreciated. Please submit additional results and / or corrections to the compiler, in care of STARTING LINE, P.O. Box 878, Reseda, CA 91335

The following guidelines have been considered in judging the validity of the marks:

1. Marks must be made on standard outdoor facilities (surveyed track with curb, reasonably legal jumping pits, throwing rings, toe boards..).
 2. There must be at least three timed or measured competitors in the event, which is part of a regularly scheduled meet. Hastily improvised record attempts are not acceptable.
 3. In the sprints, hurdles, long & triple jumps, wind assistance should be reported (wind gauge readings are best; wind estimates helps).
 4. The weight of the shot, discus, hammer and javelin must be reported (some indication that implements have been properly checked for weight and dimensions will help determine the validity of the mark).
 5. In hurdle races, note height of hurdles, as well as distance of race.
- *****

Data in the following lists include (left to right):
 (1) Time or distance, (2) Name of athlete, (3) Birth year, if known, (4) Home State, (5) Date of best mark.

Boys Best Performers List

Compiled by Max & MARK ZUCKER

In the next five pages we are presenting the year-end lists of Best Performers of 1975 for the three lower Age Groups: Division I (formerly known as 9-Under), Division II (recognized as 10-11) and Division III (commonly referred to as 12-13).

Litterally thousands of youngsters have been recorded. However there are some omissions due to a lack of information regarding the results of some meets. Any additional data is most welcomed and should be submitted to the compilers.

At the head of each division is an explanation of the specific type of competition included in that particular Age Group.

Each division will be further divided according to the actual Age of the athlete and published in depth in the 1976 STARTING LINE HANDBOOK - Boys Annual, along with the All-time Age lists in all standard events (see AD on page 12 of this issue).

NOTE : Boys appearing under the dotted line, at the end of each event, are additional younger athletes in that division. E.g. 8 year olds in Division I, 10 year olds in Division II and 12 year olds in Division III.

The traditional yearly STARTING LINE HANDBOOK has been divided in two volumes in its 1976 Edition. The material was getting too voluminous to be contained in one Handbook, while keeping the price low enough to be easily accessible to those that possibly need it the most - the athletes.

By separating the material in a Boys Annual and a Girls Annual, we will be able to go deeper in every event allowing more deserving athletes to be recorded as part of the history of the Sport.

Our DIRECTORY OF CLUBS will not be published this year. However, all additions and changes from the listing of last year's Handbook will be recorded and will appear in STARTING LINE Magazine throughout the year in the newly created section "Club News", starting in the Jan/Feb 1976 issue.

Girls Best Performers List

Compiled by BILL PECK

Throughout 1975 readers have deluged us with results and other useful information in unprecedented amounts. Literally hundreds of hours have been spent compiling the best performers lists below, which include only the best efforts of more than 5000 (!) girls whose marks were recorded and considered. More than 15000 performances were recorded during the year.

We heard from no less than 44 states (only Alabama, Alaska, New Hampshire, Rhode Island, South Carolina and West Virginia were missing). Nevertheless, the lists below are by no means complete. We still need more detailed results from such places as Nebraska, Indiana, Ohio, New Jersey, Colorado and other areas from which we are receiving an increasing volume of information.

Our thanks go to the dozens of coaches, parents, officials, athletes and other readers who have taken the time to submit corrections and additional info. When submitting results please always include: date, meet site, first & last names, team affiliation or town and info pertaining to each event (see next column).

Information listed below (from left to right) in the regular outdoor best performances are (1) the girls' best time or distance of 1975, (2) symbol for any questionable or unknown aspect...see above, (3) first and last name of athlete, (4) her birthyear if her exact birthdate is known, (5) her home state, and (6) the date of her best reported performance.

COMPILED FROM OUTDOOR RESULTS RECEIVED BY DEC. 1, 1975

Performances included in the regular lists below have met the following criteria:

(1) They were made under reasonably competitive conditions,

(2) According to our information, they were made on reasonably legal tracks or field event facilities, and

(3) They were taken from complete meet results submitted to STARTING LINE by December 1.

All other performances, including those with two or more questionable aspects, are placed in the supplementary list at the end of each event. Unknown or questionable information is designated by the following symbols:

W = wind-assisted time or long jump (over 2.0 meters per second or 4.67 miles per hour)

w = wind unknown or questionable

f = facilities unknown or questionable...includes tracks without curbs (for distance runs)...high school dirt tracks (for races in lanes around curves)...all high school field events...unless known to be legal...unknown hurdle height

i = implement (shot, discus, javelin) weight unknown or questionable...assumed that implements are not checked, unless known to be otherwise

m = measurement (of field events) questionable...marks out of sequence to places...no fractions listed in jumps or shot put...fewer than three marks listed

C = competition not present...only one competitor listed

c = competition questionable...fewer than three competitors listed...all competitors from same team

t = timing questionable...times out of sequence with places...fewer than three times listed

d = date unknown

u = unconfirmed by complete results

INTERNATIONAL NEWS

AROUND THE WORLD WITH CASEY

I went to the Pan-American Games in Mexico City. Literally, Pan-America means "every America"--North, Central, South and the adjacent islands. There were 33 countries represented at the Games, in a variety of sports.

Usually I talk about girls but this time I'll start with the boys. There was only one Junior on our men's team. Sprinter CLANCY EDWARDS made the finals in the 100 meters and then won a gold medal as a member of the 4x100m relay team.

As far back as the 1968 Olympics, also at Mexico, there were two members of our team competing in field events, who had not yet finished high school--CASEY CARRIGAN in the pole vault and REYNALDO BROWN in the high jump. I mention field events because these are usually dominated by the older and more experienced athletes, while high school sprinters have been making the top ranks for year.

Sports such as gymnastics, swimming and rowing have younger athletes involved. The youngest competitor in the Games was a 10 year-old coxswain from Paraguay and there was another coxswain who was 11. The youngest girl was Canada's 12 year-old gymnast who was in contention for medals.

Our youngest girls in T&F was 16 year-old CHANDRA CHEESEBOROUGH, who won the 200 meters. Mexico's may have been 17 year-old ANGELES ARANCELI, who has competed in the USA.

Seventeen year-old KATHY McMILLAN set a Pan-Am record during the trials of the long jump only to see it broken twice in the finals that afternoon. Kathy, a high school girl from North Carolina, took third.

DANA COLLINS, who turned 17 just a week before the competition, came in sixth in the pentathlon with over 4000 points. SHARON DABNEY, 17, won her heat in the 400m and was fifth in the finals. KATHY WESTON, 17, won the 800 meters with a new Pan-Am record.

Among other teenagers, were JONI HUNTLEY, who broke teenager DEBBIE BRILL's Pan-Am record in the high jump with 6-2 $\frac{1}{2}$; JAN MERRILL, whose new record time of 4:18 in the 1500m was fantastic at that altitude; and TERRI SABOL, eighth in the discus.

The Pan-Am Games are always held the year before an Olympic year, giving athletes a chance to get international experience. Some of the western hemisphere competitors representing their countries in Mexico will make it to Montreal this year.

Pan-America reaches almost from the North Pole to the South Pole, which means that wherever the Games are held it will be the "off" season for either the northern or southern hemisphere, a difficulty encountered also in the Commonwealth and Olympic Games. The next Pan-Am Games will be held in Puerto Rico, in a tropical climate where we have been promised an air-conditioned Athletes' Village!

SIX-MINUTE RUN CONTEST for SCHOOLS First Entries for 1975-76

McKinley Middle School of Muncie, IN was the initial entry in the fourth annual Starting Line Six-Minute Team Run for Distance. McKinley, runner-up in last year's Intermediate (8th grade and below) Division contest, totaled 21 laps for the five member team. NATHAN DROWN led the Hoosiers by covering 4 $\frac{1}{2}$ laps in the six-minute span.

No less than twenty entries from the active Syracuse (NY) Schools feature the early returns in Elementary Boys (6th grade & below) and Girls Divisions. Syracuse has already had 28 schools and 455 runners trying the event. Only Second Ward School of Latrobe, PA betters the Syracuse girls totals. Top schools so far:

GIRLS (Eighth Grade & Below): 18 $\frac{1}{2}$ laps-2nd Ward, Latrobe; 16 $\frac{1}{2}$ -Lincoln, Syracuse; 15 $\frac{1}{2}$ -Lemoyne & Elmwood & McKinley Brighton & Huntington & Roberts ...all Syracuse

BOYS ELEMENTARY: 18 $\frac{1}{2}$ laps-Charles Andrews; 18-Lincoln; 17 $\frac{1}{2}$ -Meachem & Elmwood & Van Duyn & Robert...all Syracuse Schools. Note: One overseas entry...Susses Road CP School, Tonbridge, England totaled 19 $\frac{1}{4}$ laps.

Entry Deadline is May 15, 1975. See July/Aug SL (page 4) or write for entry blanks.

GIRLS—SHOT PUT & DISCUS CONTEST

Final 1975 Results

Western Pennsylvania Track Club swept two team titles and were runner-up in a third division in the fifth yearly Starting Line Team Contest for female throwers. Often a contender in prior years (when they were known as Mt. Lebanon Track Club), the Pennsylvanians were easy victors in the Junior Discus. In addition, they won the Junior Shot contest with the third best three-girl total since the contests were inaugurated in 1971. Though KIM TRAVERS led both events, the West Penn victories were mostly due to good balance.

Valley of the Sun Track Club from Phoenix squeaked to a narrow win over the Boulder Cinderbelles in the Age Group Discus, with a stronger #2 thrower accounting for the difference. The Age Group Shot was taken by southern California's Orange Coast Thunderbolts, who actually lost their second best girl, SUSAN RAY, early in the season...before she became the top age grouper in the nation. Non California teams dominated the standings for the second consecutive year.

All results were compiled from information received by Starting Line throughout 1975. The contest, originally designed to encourage more girls to take part in the least developed events in U.S. track and field, will be the last one which Starting Line will conduct.

3 Is there anyone who still hasn't seen an electronic digital stopwatch? These fabulous timers have come of age, and considering accuracy, readability and reliability—and now price!—they make mechanical stopwatches obsolete. We carry several models, including the Tempo 2 (\$39.95) and the Cronus 3 (\$59.95). Write for descriptive folder and comparison sheet.

4 Our jumbo track posters are very popular with fans, athletes and coaches. Rick Wohlhuter, Ben Jipcho, Steve Prefontaine, Frank Shorter, Steve Williams, Dwight Stones, Tony Waldrop, Jim Ryun/Kip Keino, Dave Wottle—9 posters, all full color, \$2.50 each. Add 50¢ postage for first poster, 25¢ ea. addl. poster.

5 Our Montreal 76 Olympic tour is sold out, but a waiting list has been established... write for information. Over 600 have signed up already for our Moscow 80 Olympic tour. Write for details. We'll also have a tour to the Commonwealth Games in Edmonton, Canada in 1978. Info not available until 1977.

6 Track films and film loops for technique study, most taken at the 1972 Olympic Games. New cartridge films and hand-held projector give you unequalled on-the-field coaching aids.

7 T&FN is still the foremost publisher of books on track and field. Recent titles are *The Little Red Book* (with Metric Conversion Tables and a goldmine of information on the sport), \$2.95; *Corbitt* (story of Ted Corbitt, pioneer long distance runner), \$3.95; and *High School Track 1976*, (avail. 1/76), \$1.50. Write for complete booklist.

8 Coaches: keep up with the latest in technique and training. Read *Track Technique*, the Quarterly Review of Track and Field Athletics. Emphasis is given to easy-to-follow, immediately applicable material for your day-to-day coaching needs. \$5 a year. \$12 for three years.

California residents add 6% sales tax to all orders except subscriptions.

MASSACHUSETTS GIRLS HIGH SCHOOL X-C

BOSTON, MA - Nov 15 (from John Carroll) Over 400 individuals and 55 schools competed in three divisional meets to qualify for this state final, which was run in conjunction with the Boys HS Championships.

Impressive LYNN JENNINGS destroyed a strong field, including US International trackster JOHANNA FORMAN. Lynn led wire-to-wire here and has been #1 runner on her high school (boys) team. Johanna's Falmouth High squad won their fifth consecutive state title, but had a scare from Cape Cod's Mohawk Regional High.

REGION ONE JR. OLYMPIC CROSS COUNTRY

ELIZABETH, NJ - Nov 23 (from Nancy Frank & Ed Grant) Runners from seven AAU associations waged some torrid battles for qualifying spots to the National JO Meet in Houston.

New Jersey-ites scored most heavily, especially in boys' races, while young ladies from the Metropolitan Association (New York City) led the girls in qualifying. Five of the ten titles were decided by two second or less, with Jersey's SUE DOWNEY having the widest girls' margin and New England's JOHN MURPHY holding the largest boys edge.

NEW YORK RRC AGE GROUP CROSS COUNTRY

ROSLYN, NY - Sep 27 (from Ed Quinlan) Runners from the New Hyde Park Police Boys Club, Long Island Golden Spikes and Long Island AC dominated the top ten positions in most age groups.

JIM GARDINER, from Yonkers, was selected as the meet's outstanding male performer with his clocking of 8:51 over the very hilly 1.5 mile course. NANCY FRANK of the Golden Spikes was selected the meet's top female runner, with her victory in the open two-mile race (11:33). Approximately 260 athletes competed in warm, sunny weather.

JF KENNEDY MEMORIAL THREE MILE RUNS

PITTSBURGH, PA - Nov 2 (from John Harwick) Ever expanding fields have graced the thirteen years of this athletic memorial to the late President. More than 230 ran in the two 13-Under divisions alone, in the '75 renewal.

JOHN WESSELS of the Mt. Lebanon AA outdistanced the boys field and a horde of sprinter types from New Image Track Club showed their versatility by completely dominating the girls field. SHANNON CLINE, 14, of Ohio's Scioto Track Club covered the 3-mile distance in 20:28 to best the Women's (14-over) field.

MID ATLANTIC JR OLYMPIC CROSS COUNTRY

Ambler, PA - Nov 15 (from Tim Hickey) Philadelphia's DARRYL BURTON and Camp Hill's MARY RAWE had the biggest winning margins in the District JO Meet. Darryl took the Bantam Boys race by 18 seconds. Mary was 35 seconds up in the Intermediate Girls contest, with sister Barbara third. Philadelphia and Ambler produced about 1/3 of the top places in all divisions combined.

EUGENE, OR - Nov 15 (from Myrna Wierson) ERYN FORBES of Sunset High in Portland was the individual champ in the AAA Class of the State High School Meet, but her team was only third to Ontario High, led by sophomore SUE JOHNSON. Freshman Erynn covered the two-mile distance in a brilliant 11:01 on a soggy course, leaving Johnson 59 seconds back, and Sunset's TERESA WIERSON another three seconds back. 119 Girls finished.

Class AA champ was Lake View's DANA MERRILL at 12:00 and BARBIE BUTLER of Siletz was Class A Schools winner at 12:31s. Nationally known BILL McCHESNEY led South Eugene HS to the AAA 5000 meter team title by running 15:31

OREGON AAU AGE GROUP CROSS COUNTRY

PORTRLAND, OR - Nov 8 (from Myrna Wierson) It takes commitment to run while drenched and cold. But northwesterners don't have webbed feet for nothing. A fine turnout, despite the elements, was highlighted by team sweeps of the Spartan TC in the Bantam Girls Division (led by sisters TERRI and JULIE MULLIN) and Portland TC in the Boys 10-11 Group. Track City Track Club's STEPHEN GILLAND had a runaway (sloshaway!) triumph in the 9-Under Boys race.

CHENEY 20 KILOMETER RUN

CHENEY, WA - Nov 15 (from Lawson Van Kuren) In conjunction with the fourth annual Cheney Marathon, a sizable field assembled for the 20km companion race. Local boy SCOTT ANDREWS has the fastest time for juniors, while teammate LOUIS MURPHY was the youngest finisher. CINDY CHAPMAN, 18, of Whitworth was the first dis-taff finisher with a time of 1:30:03s. STEVE GULLA, 17, of Seattle was the first junior in the Marathon itself, setting a high school record for the course of 3:07:56s.

PACIFIC AAU AGE GROUP CROSS COUNTRY

BELMONT, CA - Nov 2 (from Nick Sakelarios) Nearly 400 runners tried the tough courses on which many major races (including national championships) are held. All team titles were runaways, except for the Midget Girls. Salinas Valley was the only club to win team contests in two divisions in this always balanced association. San Jose Cinder-gals annexed the Junior Women's crown with six runners in the top 14.

Individual contests were much closer, the only exceptions being the solid one-two by DON and DEAN AVILES in the Boys 10-11 and Cinder-gals' ROXANNE BIER's 13 second triumph in the Youth Girls Division.
