

Gentlemen of the Press:

I'd like to welcome all of you to the meet and hope you find it very enjoyable.

We have tried to set up the press facilities so that you might have a chance to enjoy the meet to the fullest while covering it.

To achieve that goal, we have attempted to cram as much information as possible on the result sheets that will be distributed to you as soon as possible after the completion of each event.

Included on that sheet will be official times of the first five finishers, as well as names and marks of as many of the other finishers as possible.

In addition, records will be noted, along with any other pertinent information available.

At the completion of the meet, a less bulky complete summary will be distributed, including the final team scores.

There is a telephone available, but all calls MUST BE MADE COLLECT.

If you have any special needs, don't hesitate to call on me or one of the boys serving the press section.

Here is some added information to help you in your coverage.

FIELD PASSES-----Only photographers with ribbons will be allowed on the field and only if they are carrying a camera. If you wish to interview an athlete following his event, you may request one of the press runners to bring him to the area just north of the press section. No athletes are to be disturbed during field events or before their races.

WESTERN UNION-----The Western Union teletypes are located in the back row at the south end of the press area. Art Albert is in charge and will take care of your needs.

REST ROOMS-----It's a long haul up the stairs behind you, but it is there.

SCORING-----Points will be awarded on a 5-4-3-2-1 basis in all events with the exception of the special events, for which no points will be awarded. Whenever feasible, a scoring summary of the leading teams will be distributed.

That's about it, except that any plug you can give Stanford will be appreciated. The University has been a big help in setting up the State Meet, as Meet Director Loren Lansberry of Carlmont High School will testify.

Thanks for your interest:

Ed Jacoubowsky
Publicity Director

220 Yard Dash Lane Assignments

Lane	Name	School	Time
1.	XXXXXXXXXX Burns, Dick 114	XXXXXX Menlo-Atherton	21.4 21.9
2.	Beaty, Forrest 146	Hoover	21.3
