

NORMAN PAUL STARS AS SAINTS ANNEX HONORS

San Diego Takes Second Place as Sprinters Fail; Lyman Sets New Shot Put Record

BY IRVING ECKHOFF

After coming within an ace of winning the Southern California meet for the past several years, Coach Tex Oliver's Santa Ana Saints finally broke the jinx yesterday at Housh Field, L. A. High and for the first time in the history of the Saint school annexed the much-coveted Southland prep track-and-field championship.

Santa Ana took 17 points for first place, while last year's champions, San Diego, placed second with 15. Coach Dick Arnett's Inglewood Sentinels amassed 12 1-8 points to finish third, with Santa Monica and Poly tying for fourth with 10 5-8 points apiece.

Alvin Koenig, diminutive Huntington Beach sprinter, took both dashes to give the Spudgers 10 points and fifth-place honors.

The rest of the places were as follows: Manual Arts, 9; Long

The fair-haired boy for Santa Ana was Norman Paul, husky "iron man," who annexed the low hurdles by 10 yards from a fast field in 24 4-5s., besides taking first in the broad jump with a leap of 22ft. 8 1/2 in.

Paul also ran a speedy lap on the relay team, which placed third, and competed in the shot, failing to place in the iron-ball event.

Last track season Paul jumped

22ft. 7in., hitting the take-off board with his right foot. During football season he injured his ankle, making it impossible for him to use his right foot on the take-off. This year, Oliver changed him over to a left-footed jumper and, although it wasn't natural for him, Paul responded nobly as the results of the meet show.

Paul doesn't like to run hurdles either, but Tex figured that he had possibilities and made him run them.

Alvin Reboin and Doyle Gilbert were the Saints' other entries in the meet. Reboin competed in three events also, taking second in the high hurdles, fifth in the low sticks and tied for fourth in the pole vault.

Gilbert placed fourth in the broad jump.

San Diego's hopes for retaining the title were more or less ruined last Saturday when rain postponed the meet. The squad spent too much time traveling back and forth between here and the border city for their own good.

The first event on yesterday's program, the 100-yard dash, saw Fernando Ortiz, San Diego's hopes for first, drop into second place behind Koenig of Huntington Beach. Koenig had been set back a yard and still had enough to win by a yard in 10s.

Ortiz and Jimmie Willson failed to place in the furlong, with Koenig again leading the way to the tape in 22 3-5s. Willson's bad leg hampered him considerably, while Ortiz seemed to be affected by the cold weather.

One new Southern California record was made, John Lyman of Santa Monica breaking Bud Houser's mark of 54ft. 3in. in the shot put. Lyman tossed the twelve-pound ball 54ft. 7in. All the rest of the men placing in the event were over 50ft.

The quarter-mile was the best race of the day with Clark Satterfield of Manual Arts, Jimmy LuValle of Poly and Irvine Warburton of San Diego all hitting the final stretch side by side. Satterfield had the most stuff and won by inches with LuValle taking second. The time of 50 1-5s. was very fast, considering the conditions.

Another tight race was the mile. Jimmie Lawrence of Manual Arts led all the way until the last ten yards, when Evans Dowers of San Diego sprinted past him. Lawrence came back and ran even with Dowers to the tape. Officials ruled Dowers won. The time was 4m. 32 3-5s.

100-yard dash—Won by Koenig (Hunt. Beach.) third: Ortiz (S.D.) second: McCarthy (Fair.) fourth: Clark (Fre.) fifth: Powell (B. Pau.) fifth. Time, 10s.

SEALS DEFEAT HOLLYWOODERS

(Continued from Eleventh Page)

Wingo followed with a potent home-run poke over the center-field screen and the contest ceased to hold interest for the Sheiks.

Singles by Severeld, Catina and Shellenbeck produced the last Hollywood tally in the sixth, while the Seals collected their other two runs in the eighth on Gaston's homer, McDougal's single, and Donovan's hit.

Skipper Oscar Vitt will send young Vance Page to the mound for Hollywood today, while Nick Williams has Lefty Montgomery and John Miljus ready to hurl for the Seals.

WILLSON FAILS IN CENTURY RUN

Defending Champion Not to Run in Finals

Fremont Takes Second Place Behind Southerners

Mannul, Poly, Inglewood and Santa Ana Tie

BY IRVING ECKHOFF

Featured by the failure of Jimmy Willson, Southern California and State 100-yard champion last year, to qualify in his favorite event, Coach Glen R. Bredrick's San Diego track and field squad led the qualifying in the Southern California prep yesterday afternoon at Hirsch Field, L. A. High.

JIMMY WILLSON

The youngsters placed seven men in eight events, besides qualifying their relay team. Although Willson failed to show in the century, he qualified in the faring, placing third behind Jack McCarthy of Fairbanx and Ashley Burch of Jordan in 22 1-16.

Fernando Ortiz, Willson's running-mate in the sprints, placed in both dashes, winning all of his races in good time. Ortiz's fine running established him as the outstanding candidate to win both dashes next Saturday when the finals will be held at L. A. High.

BEST OF TEAM

Others who will run for the championship next Saturday are Irvine Warburton and Peterson in the quarter, Evans Downs in the mile and Ortiz, Warburton, Peterson and Fletcher on the relay team. Ray Russell qualified in the shot, while Larson placed in the high jump.

Coach Irwin Tanner's Fremont Pathfinders annexed second honors with six men placed in seven events, besides a relay team. Walt Clark led the Pathfinders, placing in both dashes, besides running a lap on the battery-boosting quarter. The rest of the Fremont team will be Hahn in the quarter, Collier, Lescotte and Simon in the half-mile and Peterson in the broad jump.

Third-place honors are divided between the Manual Arts Tutors, the Poly Merchants, the Santa Ana Saints and the Inglewood Nationals. The Tutors qualified six men and a relay team, while Inglewood placed six men in seven events. Capt. Bill De Fay placed in both hurdle races for the Nationals.

SAINTS STRONG

Coach Eddie Lester's Mechanics qualified six men and a relay team, while Santa Ana placed three men in seven events and a relay team. The half-down Tutors are Laurie Osburn in the 100, Carl Satterfield in the quarter, Jimmy Lawrence and Claude Lindsey in the mile, Moore in the high jump and Dejon in the low hurdles.

Inglewood's team of six in the 100 yards are, besides De Fay in the hurdles, Maguire in the quarter, Dickson in the mile, Hall in the shot, Ramsey in the pole vault and McNeil in the high jump.

James La Valle led the Poly qualifiers, winning his heat in the quarter in the fast time of 30 3-16. The others are Lott in the quarter, Mack in the high hurdles, Lindsey and Stankevich in the pole vault and Vignola in the high jump.

PAUL AND REBORN

Both Norman Paul and Alva Reborn of Santa Ana placed in three events apiece. Paul qualified in the shot, the broad jump and the low hurdles, while Reborn placed in both hurdle races and the pole vault. Gilbert qualified in the broad jump, while the Saint relay team also placed.

Another strong team in the 100 yards will be Fairbanx, with Jack McCarthy in both dashes, Becker and McCarthy in the pole vault, Maize in the high jump and Smith in the broad jump.

Santa Paula High may place high in the finals with Phil Powell in both sprints, Coronado in the half and Brown in the high sticks. Powell is a very strong runner and may surprise a lot of the spectators.

Another sprint favorite to fall by the wayside was Ashley Burch in the 100-yard dash. Officials failed to place him in his heat, although some of the fans in the stands thought Burch was among the leaders. However, as the pay-off is on the judge's decision, Mr. Burch is out of luck.

CHICAGO, April 26. (AP)—Anne Adams Stagg, veteran University of Chicago athlete-director, won at least a partial victory today in his determined fight to continue his national high school basketball and track tournaments in defiance of the North Central Association of Colleges and the National Federation of High School Athletic Associations.

In secret session, the university's board of physical culture and athletics heard Stagg's long plan for continuance and decided to make an exhaustive investigation before deciding for or against the two prep athletic carnivals, which annually attract high school stars from all sections of the United States.
