

Lincoln sets 3 new marks to win PAL Relays Paly's shuttle hurdle team ties meet record

A group of Lincoln High School speedsters broke three meet records to capture seven out of 11 events to win the sixth annual running of Peninsula Athletic League Relays yesterday afternoon before a large crowd on the Burlingame track.

The Palo Alto quartet of Buddy Best, Quenton Manchester, Buck Pinkerton and John Streit gave the Vikings their only first place of the day by tying the meet record of 1:11.2 in the shuttle hurdle relay.

Lincoln's two mile team of Dennis Smart, Tom Liston, John Robinson and John McGarrity lived up to advance notices by smashing the mark of 8:53.5 set by Palo Alto in 1943 with an

8:52.6 for the distance. The Vikings foursome of Richard Long, Charlie Taaffe, Carl Feldman and Gene Arnold made a good run to finish in the runnerup spot.

Other record-breaking performances turned in by the Lions were in the 880 Class B relay and the Class C medley event.

The team of Manchester, Don Martin, Norm Silberling and Dick Moore annexed a third place in the Class A mile relay for Palo Alto.

Final team scores: Lincoln 42, Sequoia 29, San Mateo 17, Palo Alto 14, San Jose 7, Jefferson 6, Burlingame 5. The 42 points scored by the winners set a new high team mark for the meet.

Coach Hod Ray of Palo Alto said today that he was both pleased and disappointed with the performances turned in by his cindermen. The Vikings squad was handicapped by a number of injuries that forced Ray to

make several last minute substitutions.

Shuttle hurdle relay, Class A, Palo Alto (Best, Pinkerton, Manchester, Streit) Lincoln, San Mateo, Sequoia. 1:11.2 (tied meet record).

440 Relay, Class B, Lincoln (Farias, Vickers, Baron, Pagan), Sequoia, San Jose, Jefferson. 0:46.5.
