NOTE

AAU Olympic Development Medals were awarded to first
three places in six events: 100, 440, Mile, pole
vault, novice shot put, and triple jump. Similar
medals will be awarded in six events in each of the
remaining three all-comer meets (Aug. 3, 17, 24).

Mattos First-Ever Triple Jump Winner

BURLINGAME—A new event, the triple jump, was born at Saturday's Olympic Development All-Comer track meet, with two-time Olympian George Mattos emerging as the winner.

Mattos, representing the Santa Clara County Youth Center, cleared the bar at 14-6 in his speciality, the pole vault, high jumped 5-10 and broad jumped 20-7 $\frac{1}{4}$ for a cumulative distance of 40-11 $\frac{1}{2}$.

Runnerup Terry Fitzhugh, also of the SCCYC, was 10 $\frac{1}{4}$ inches back at 40-0 $\frac{1}{4}$ (12-0, 6-0, 22-04 $\frac{1}{4}$), while Wil Gasper of City College of San Francisco was third at 39-2 $\frac{1}{2}$ (12-6, 6-2, 20-6 $\frac{1}{2}$).

The meet sponsored by the Northern California Track and Field Association, marked the first time in history the event had been held.

Under the point scoring table set by the International Amateur Athletic Federation for use in scoring decathlons, pentathlons and other track events, (but not in use Saturday) Mattos compiled 2331 points, with Gasper edging Fitzhugh with 2099 points to 2070.

Next to Mattos' performance in the triple jump, top honors for the meet were taken by

Jack Egan, the ex-Balboa High School weightman now attending USC. He set an all-comer meet record of 167 in the discus.

Other meet records were set by: Ray Norton (SJS) 21.9 in 220; Larry Guilford (unattached, Santa Clara High School) 15.3 in 39-inch hurdles; Dixon Farmer (unattached, Maramonte High School) 42-1 in hop, step and jump.
