FORWARD

This year, the North Coast Section of the California Interscholastic Federation drew the honor of picking the scene for the 42nd Annual State High School Track Meet.

The meet has been set for Saturaday, June 4th.

Carlmont High School is the host school for the affair, with coaches of the various high schools on the San Francisco Peninsula assisting Carlmont Coach Loren L. Lansberry with the administration of the meet.

Stanford Stadium, where later in June the United States Olympic team trials are scheduled, will be the site of what is giving promise of being the greatest state meet ever, including the fantastically successful 1956 meet in Chico.

As this brochure was being put together early in May, there appeared to be hardly a meet record that wasn't in Jeopardy.

It is hoped that this brochure will be of assistance to you in helping us publicize the 1960 State Meet. Any aid you can give the Meet Committee along this line will be greatly appreciated.

Please feel free at any time to call upon us for any information concerning the meet.

DATE AND PLACE

Saturday, June 4, 1960, at Stanford University Stadium.

TIME

Trial heats begin at 9:30 a.m. in the sprints, hurdles and 880-yard relay. Finals will be held in the afternoon with the pole vault starting at 2 p.m. All other field events begin at 2:30, with the first running events starting at 3 p.m. (See Time Schedule on Page 6 for details)

ENTRIES

The number of entries for the State Meet allowed by section is as follows: Southern 3, Los Angeles 3, North Coast 3, Sacramento-San Joaquin 2, Central 2, San Francisco 1, Oakland 1, North 1.

SCORING

The scoring in all events will be as follows:

- 5 points for 1st place
- 4 points for 2nd place
- 3 points for 3rd place
- 2 points for 4th place
- 1 point for 5th place

No points will be awarded placers in the special events
(See Special Events on Page 3 for details)

AWARDS

All five place winners in each event will be awarded medals, with duplicate medals awarded in case of ties.

PHOTO FINISHES

A finish line camera will be used as an aid in determining official order of finish in the heats and finals. Decisions of finish in the heats and finals. Decisions of the judges will be subject to change after a review of the official movies.

PRESS ARRANGEMENTS

Stanford Stadium's track press facilities are located alongside the track near the finish line for most of the races on the east side of the field.

WORKING PHOTOGRAPHERS, PRESS AND COMPLIMENTARY PASSES

Papers wishing working press credentials should apply to Ed Jacoubowsky, State Meet Publicity Director, Box 45, Redwood City, California.

Requests for photographers passes and complimentary passes should be addressed the same way.

SPECIAL PRESS SERVICES

Results

Complete results of each final event will be mimeographed and distributed

as soon as the event is completed.

Complete mimeographed results of the morning trials will be available as soon after their completion as possible.

Meet Photographer

Special picture requests by newspapers will be handled by a local photographer for \$7.50 per picture. They will be printed following the Meet and mailed special delivery that evening. Barring delay in the U.S. Mails, they should be on all sports desks by Monday morning.

We realize that requests depend on boys reaching the meet, but we would like a response from any papers interested if their local youngsters do reach the State Meet.

Western Union

Papers wishing Western Union wire service should contact their local Western Union Office, giving the approximate amount of copy that will be filed from Stanford.

Miscellaneous

Runners will be available during the meet to contact any athlete and bring him to the press area for interviewing.

Except for photographers, no press personnel will be allowed on the field during the meet.

SPECIAL EVENTS

There will be four special events held at the State Meet this year which will not count in the final team score.

The special events include:

Class A 4-Man Mile Relay

Class A Hop-Step-Jump

Class B 660 Relay (110-110-220-220)

Class C 440 Relay

Only one school per C.I.F. section will be allowed to compete in the special relay events, with the method of selection at the discretion of the individual sections. No competitors already entered in the State Meet will be allowed in the special events.

MISCELLANEOUS

Stanford Track: Completely renovated this season, the Stanford track is composed of volcanic crushed rock mixed with decomposed granite and tidal clay. For the State Meet, there will be nine 36 inch lanes.

Turns: All races, 440 yard and over, will be run around two turns per 440. Two competitors will be assigned according to times posted in section meets, with the 440 runners holding their lanes all the way. In the 880 and mile, the runners may break for the pole as they come off the second turn.
