

# Mission Spikers Roll to Title

## Bears, Poly Tie Overall

By BOB SPRENGER

Old Man Wind almost blew the 36th running of the All City track championships out of Kezar Stadium yesterday.

While it put most of the record-breaking attempts to a near standstill, it didn't halt Mission's Bears, who rolled to their first Academic Athletic Association track crown in the history of the school.

Pete Dalton's mighty Bears wrapped things up early in the varsity scoring. They tallied 41 points — 20 of them in the first three running events — to nose out fast-charging Poly, which ended up with 38.

### WIND HURTS

The Bears and Poly's Parrots tied for the overall title with 83 points apiece, while Washington edged Mission for the 130's crown, 44-40½; and Balboa walked away with the 120's title with 43.

Not much happened in the way of outstanding times — the wind saw to that. But for excitement, it was a thriller down to the final event.

Mission, paced by double winner John Davis, took the lead early and never gave it up. Clarence Coleman got the winners started on the right foot when he flipped the discus 165-5½ for a first place.

Then the Bear runners took over from there and marched into the sprints and distances. Davis took his first victory in the 120-yard high hurdles, where he nipped Poly's Tom Carter in 15.1. Then he led the AAA champions in a point-splurging 100-yard dash that gave Mission 10 points. Davis' time in the century was only 10.1, but he surprised favorite and teammate Vern Bradford, who finished second.

### DOUBLE VICTOR

The meet's other double winner was Poly's Willis Fort, who raced to a 440 victory in a respectable 49.6 and then came back to take the 220 — in 22.2.

Washington's Hoy Henderson ran into a stiff wind and couldn't lower the 880 mark but finished ahead of the field in 1:57.4 for the day's top mark.

Glen Diffenbaugh of Lowell made it look easy in the mile as he jogged to a 4:31.2 clocking and was some 20 yards ahead of his nearest competitor, Walt Andrae, of Galileo.
