PROGRAM DEDICATION

Coach Frank Wetzler 1912-1969

Lehigh University, and the Middle Atlantic States Collegiate Athletic Conference, respectfully dedicate this program to the memory of Frank Wetzler, LaSalle College track and cross country coach who died last Jan. 10 from injuries suffered in an automobile accident.

Mr. Wetzler, one of the world's most respected track authorities, won a total of 14 championships in a 20 year coaching career at La Salle. He was a member of the NCAA Rules Committee and past president of the IC4A Track Coach's Association. He conducted numerous clinics including one for the U.S. Army in Germany (1955) and State Department in Austria (1957).

Among the outstanding athletes he developed are Jim Webb (1952), indoor and outdoor high jump champion at IC4A, with

6'5½" leaps; Al Cantello (1953-54-55), three time Penn Relay and IC4A meets winner, 1960 Olympian and World record holder in the javelin; Vic Gavin (1956), IC4A low hurdler winner with 23.1; and Ira Davis (1956-57-58) American record holder in the hop, step, and jump event, in which he represented America in the 1956, 1960, and 1964 Olympic Games.

Mr. Wetzler took great pride in his athletes, both on and off the field. He was equally proud of the dozens of men he influenced who, in turn, have gone on to help hundreds of young men as coaches and teachers. As his successor Ira Davis says, "The men who are doing good for other people remember the good Frank Wetzler did for them."

Lehigh University welcomes participants and spectators to the 13th Annual Middle Atlantic States Collegiate Athletic Conference track and field championships.

This competition provides an opportunity for the University to host fellow members of an association of colleges and universities in this geographic area with similar objective for their athletic and academic programs.

Every best wish is extended to the competitors and to the colleges and universities which they represent.

DR. W. DEMING LEWIS President, Lehigh University

We are pleased to make the efforts of our staff, and the use of our facilities, available for this year's conference track and field championships. We remember with pleasure the 1965 tournament, also held at this athletic complex, and trust the present competition will be as exciting.

Everyone at Lehigh is striving to make your visit to our campus a most enjoyable one in the hope that you'll return in the near future.

WILLIAM B. LECKONBY Director of Athletics, Lehigh University

THINK BECK

Let us do the thinking for you. From concept through to the finished, folded, full-color printed piece, if you wish. Perhaps it's only a few tickets or programs. . . or a few million brochures. Both require the attention of a fully-equipped printing plant . . . and Beck Printing and Publishing is just that. An estimate on your next job will cost you nothing but a phone call. Give it some thought.
