Dear Cordner

*I am enclosing results and news stories
of The K of C Games. You will be able
to get most of the info from them. I'll
give you some of the other highlights*

*In the two mile Jack Bachelor led through quarters
of (66.5, 65.5, 66, 67, 67, 70, 69.6 and then McLaren
jumped him to turn in a final quarter of 60.8)
McLaren looks like a real good one. He is strong,
smooth and fast. He would be an asset to any meet.*

*In the mile the lead changed hands
several times through quarters of 62, 64, 66.5 and
58.2. With 2 1/2 laps to go Grant McLaren jumped
the field and looked like he was going to
pull off an excellent double but John
Maron pased him at the bell and sprinted
home with a last quarter under 57.*

*In the 880 Leon Webster led through
a 60.4 in the first section. after a shoving match
on the seventh lap (with Barry Cunningham) John
(more)*

2

Lilly took off to win going away in 1:56.0
It looked like Ken Libbel was going to
pull off an upset in section Two as
he led through a 57.9 but he did
not have it over the last quarter
and just held off Florida's Fred
Bert to win the section but place second on
time

~~the~~ I missed the relay split except in
the mile relay Wiley Turner turned in
a 49.3 and second leg for Oregon
state (Rue Schmiedel of the all stars was
about the same) and Evans ran 49.8 to
win it on the anchor leg. He blew by Pat
Collins with 2 to go and really burned it.

No misser in the H. J. until seven feet
and none until 7' $1\frac{3}{4}$ by the first three.

Seegren was over about 18' on his jump
when he cleared 16' $8\frac{3}{4}$ "

Richmond

In the 600 Carl Woods led through the first
350 of a 49.7 quarter but Evans went by the
field on a corner to come home strong. Woods came
back strong and was closing at the finish. Evans looks
like he is finally learning to run the bend.

In the 300 meters Willy Turner in
 lone two ~~beat~~ beat Lee Evans to the break
 line and held off his challenge on every
 straight. There was a slight bump on the
 back straight of the last lap and Lee lost
 his balance. He felt a twinge in the ankle
 and dropped out. He was very very
 mad at Lee Evans about 10 seconds later.

Second & 3rd came from the second
 section.

Van Ruden broke over the 2 mile
 relay on the third leg. Sorry, no split
 except Rich Rikhege lead 1:55.6 and Ken Lowen's
 second leg (we loaded him to B.C.) 1:54.2 for
 B. C. International.

Best of luck in the new
 year.

Sincerely
 Lyle Sanderson
