

## Liquori Defeats Keino by 10 Yards in 1,500

VILLANOVA, Pa. (UPI)—Trailing by 30 yards starting the last lap, Villanova's Marty Liquori passed fading Olympic champion Kip Keino midway through the stretch to win the 1,500-meter race at the second annual Martin Luther King Games Saturday at Villanova Stadium.

Liquori upheld his ranking as the world's best at 1,500 meters as he finished 10 yards ahead of Keino, who almost came to a stop 30 yards from the finish and then picked up enough speed to last for second over Villanova's Chris Mason, Byron Dyce of United AA, New York, finished fourth.

### Texas Triumph

Liquori was timed in 3:42.6 with Keino, the police sergeant from Kenya, running the distance in 3:43.8. Mason's time was 3:44.1 and Dyce's 3:44.3.

Texas A&M's 440 and mile relay teams won impressively in the meet honoring the memory of Dr. King, the late civil rights leader.

The only individual double winner was sprinter John Carlos, who took the 100-meter dash in 10.1 and the 200-meter event in 20.4.

Olympic champions Bob Beamon won the long jump with a leap of 25 feet, 5 3/4 inches; Lee Evans the 400 meters in 45.6, and Willie Davenport the 110-meter hurdles in 13.5.

The big event, however, for a crowd of 10,500, was

the 1,500-meter run between Liquori and Keino, who won the 1968 Olympic Games event with Liquori limping in last on a game leg.

The Kenyan's strategy was to steal a big lead and let the others catch him. Texas A&M and Villanova put on a thrilling mile relay duel, the Aggies winning by a stride in 3:08.3. Villanova was a tenth of a second away in 3:08.3 as A&M's Curtis Mills overtook Villanova's Larry James in the home stretch. Mills ran a 45.4 anchor leg to 43.7 for James.

## BRUINS WIN TITLE

Continued from First Page

It was a combination of a great clutch high jumping by Hal Greenwood and Steve Lang, b) an amazing piece of luck in the 440 relay and c) the reluctance of Oregon coach Bill Bowerman to double Steve Prefontaine in the mile and three-mile.

Greenwood and Lang both leaped 6-10, placing second and tied for third, respectively, while Oregon's 7-foot leaper, Marty Hill, finished out of the money.

### Bonus for Bruins

Bush's dope sheet had given the Bruins 2 points in the high jump, so Greenwood and Lang gave him a bonus of 11.

In the 440 relay, in which UCLA finished second to California, UCLA's Steve Gibson pulled a muscle at the end of the third leg and was limping toward Wayne Collett when the latter unaccountably slipped and fell to his hands.

"If I hadn't slipped," said Collett, "I would have taken off and Steve never would have caught me. We wouldn't have scored a point. It was a Godsend."

Prefontaine, an easy winner in the three-mile, was scratched from the mile by Bowerman who said, "That's one of the toughest doubles in track. It's one I'd be reluctant to ask of a mature runner, let alone a freshman—especially in this heat."

Bush wouldn't second-guess Bowerman's decision not to double Prefontaine, but said, "When I heard he wasn't at the scratch meeting, I said to myself, 'Thank God he didn't.'"

### Track Notes

Washington State's John Van Roon, considered the highest cinch in the meet, fouled twice and reached only 160-10 on his third throw in failing to qualify for the discus finals. . . Collett came up at the end of the intermediates or might have threatened the world record of 49.3. "I was trying to save myself for the mile relay," said Wayne who ran a 45.2 anchor to bring the Bruins from third behind Oregon and Washington State. . . After Bruin sprinters were shut out in the 220, Bush said, "I thought we didn't know how to quit. It's the greatest team I've ever been associated with."

Prefontaine asked if he could have doubled, answered affirmatively, "I think I could have scored big points in both races," he said. . . UCLA's John Smith, who came from two yards back in the stretch to nip USC's Edsel Garrison in the 410, had to scratch from the 220 and mile relay because of a leg cramp. . . Garrison had a 45.9 relay leg. . . Riley, on his mile win: "It has to be my biggest thrill. It's my first important victory since high

school, I was just trying to get by Macdonald in the stretch. Then, when I did, I knew I could catch Divine. I felt great at the finish, but later it caught up with me."

## Indiana Wins Big 10 Track Championship

BLOOMINGTON, Ind. (UPI)—Indiana, scoring heavily in the sprints and weight events, won its first Big Ten outdoor track and field title in 13 years Saturday.

Two meet marks were shattered in the 70th conference championships.

The Hoosiers piled up 18 points each in three of the 18 events on the two-day program to dethrone Wisconsin.

Indiana scored a record 117 points under a new scoring system of 10-8-6-4-2-1 for six places. Wisconsin, which had set the winning record of 80 points last season under the old scoring system, wound up with 91 points.
