MEET HIGHLIGHTS

Ernie Reese's fantastic 51.3 for the first time he has ever run the quarter, was without a doubt the most outstanding performance of the day. Ron Schloss' 54.7 and Cam Miller's surprise 56.3 also pleased Coach Yanicks as the team is short of quarter milers.

Ken Murphy's 22'9 long jump was the third best mark in the school's history. Dan Meub turned in a creditable 2:07.6 880, and a 41'11 3/4 triple jump, the latter mark being the third best triple jump mark ever made by an M-A athlete.

Ron Watson starred for the Juniors as he won both the high jump and "B" triple jump with life-time best marks.

The meet was an important tune-up for the Bears, as they meet strong Balboa on Tuesday, and Lowell on Friday, as the 1970 track season gets under full swing.
