Preps Off to Fast Start

By Tim Gartner

High school track participants in Northern California are off to one of their fastest starts in recent years.

Compared with 1969's initial Chronicle listing, this year's competitors are better in 13 of 16 events. And 1969 wasn't a down year as that group was better in 10 events from the previous season.

The 1969 marks that haven't been surpassed are the mile and shot put. There was a tie in the high jump. Last year, Buck Black of Pitts-

burg had run a 4:13.6 mile and Al Delario of Clovis had put the shot 61-4½. Bests this year in those events are juniors Chuck Mork of Washington (Fremont) and Tom Hale of Campolindo, both with 4:19.6 times in the mile. In the shot, Chris Adams of Los Altos has a 60-8 effort, better than his initial best of 59-6½ last year.

The tie in the high jump is at 6-6. Last year, Rick Fletcher of Hoover (Fresno) had cleared that height and this season junior Kerry Elders of Fresno has done the same.

Four individuals either lead or are tied in two events. Rick Brown of Los Altos has run 48.1 in the 440 and 1:56.1 in the 880; Hale has a 4:19.6 non-winning mile and 9:18.6 two-mile; junior

PREP PATTERN

Games Wanted: Riordan (enrollment 950) of San Francisco is looking to fill open football dates on Sept. 11-12 or Nov. 6-7. Contact coach Bob Toledo at 586-8495. Terra Nova of Pacifica is looking for some practice basketball games next December. Contact coach Don Delbon at 359-3961.

Coaches' Note: If you have noticed any omissions or inaccuracies please notify Tim Gartner, Chronicle Sports, 5th and Mission, SF 94119. In sending in names, please include first names, year in school and any other pertinent data. Thank you.

Randy Williams of Edison (Fresno) has long jumped 24-10 with a wind and triple jumped 48-6½, and Adams has a phenomenal 198-0 discus heave to go with his 60-8 shot put.

At this early stage, California trackmen lead the nation in eight events and Don Taylor of Edison (Stockton) has run 9.5 to tie for the fastest 100-yard dash time and Leman Childress of Hoover (Fresno) has a 21.4 in the 220 which ties him with Holt Lee of Midland, Tex.

Other NorCal pace-setters

(MP) 21-4. 15 — Perry (MP) 42-7. PV Young (B) 12-0. SP — Fleming (MP) 49-0. D — Fleming (MP) 152-10. Frosh-Soph — Bellarmine 100½, Mount Pleasant 33½.

☆☆ Thurs., Apr. 2, 1970

are Adams in the discus, of course, and Williams' wind-aided long jump.

Because of the splendid weather and two good meets Saturday, the San Ramon Relays and the King City Invitational, the marks should get even better.

Los Altos State Title Bid

By Tim Gartner

Los Altos High will try to become the first Northern California high school since 1963 and only the ninth Nor-Cal school in 52 years to win the State Track Meet, today the State Track Meet, tomorrow and Saturday at Berkeley's Edwards Stadium.

Trials begin tomorrow with field events at 4 p.m. and running at 4:20 p.m.; Saturday, finals in the pole vault start at 12:30 p.m. with track events at 2 p.m.

The Knights, with California-bound star performers Rick Brown and Chris Adams, are favored to bring the title to the North for the first time since Edison of Fresno won it seven years ago.

Los Altos coach Leo Long, 38, who guided the Knights to six straight Santa Clara Val-

ley Athletic League track championships before taking a four-year leave to direct athletics at a Kaiser Industries plant in Argentina, said, "We've got a real shot at it."

"Physically," he said, "we're ready to do." The hay is in the barn, as far as that goes. Now we'll make sure there's no mental letdown, but I don't expect any. These kids are very hungry, coachable and intelligent. They know what they have to do."

Los Altos' main opposition is expected to come from Long Beach Poly, Blair of Pasadena and Santa Ana in the South; and Castlemont, El Cerrito, Hoover and Edison (both of Fresno), Bakersfield and Edison of Stockton in the North. Castlemont will need to be healthy and get a double win from hurdler Milton Turner to succeed, and El

Cerrito will need a double from junior sprint star Sam Burns and a 440-relay win to upset Los Altos.

"When you get the best nine kids together in the State meet," admits Long, "look out. Anything can happen. We feel around 18 points can win, though, and that's what we'll be shooting for."

Brown has the state's best time in the 440 and 880, an unprecedented double for a prep. In last Saturday's Central Coast section finals, Brown won the 880 in 1:50.7 and 20 minutes later came back to win the 440 in 47.1. These marks represent a national high school record for a double of this kind.

Forty minutes later, Brown was back on the track to anchor Los Altos' mile-relay team. He ran a 46.5 leg as the Knights breezed to a

3:15.8 mark.

In the State Meet, Brown will have nearly an hour between each event. He's used to being rushed, however. In the league finals, he had only 16 minutes rest when he ran 1:51.7 and 47.3.

Meanwhile, consistent weightman Adams was winning the shot put and discus. He is the national discus leader with a throw of 201-0, only the second prep in history to exceed 200-feet. In fact, Adams owns six of the top 10 discus distances. In the shot he is always over 60-feet, with a practice best of 64-feet.

Figuring the meet conservatively, here's the way Long sees it for a Los Altos win. Adams wins the discus for six points and takes fourth in the shot for another two. In the 880, Brown takes second for another four, and he and Jim Andrew manage to score three points between them in the 440. In the mile-relay, Los Altos takes second. That totals 19 points, certainly enough for the championship.

"Of course," explains Long, "we've also figured it the other way with us scoring 29 or 30 points; that's dreaming, I think. If we were to win the 440, 880, mile-relay and discus, however, that would give us 24 points. But there are many fine teams and individuals in the meet that will be splitting points, so anything can happen."

The Chronicle's prognostications in the past three years have been less than accurate, although each year the correct team winner has been tabbed. Individually only five winners were picked in 1967, six in '68 and a paltry five again in '69. With this past performance in mind, here are The Chronicle's selections this year:

Team Winner: Los Altos, 100—Sam Burns, El Cerrito, 220—Jackie White, Santa Ana, 440—Rick Brown, Los Altos, 880—Rick Brown, Los Altos, Mile—Dave Harper, Clairemont (San Diego), Two-Mile—Jim Chaffin, Long Beach Poly, 1200H—McKinley Mosley, Bakersfield, 1800H—Milton Turner, Castlemont, 440-Relay—El Cerrito, Mile-Relay—Los Altos, High Jump—Culp, Oceanside, Long Jump—James McAlister, Blair (Pasadena), Pole Vault—Dave Hamer, Santa Barbara, Discus—Chris Adams, Los Altos, Shot Put—Randy Withrow, Pasadena.
