Cal, Stanford Track Forces on Short End

Special to The Examiner

LOS ANGELES — Near the finish of the 100 yard dash California's Eddie Hart pulled up slightly and barely held off the challenge of USC's Willie Deckard.

Hart won in 9.4 seconds but left the track and did not return. Diagnosis: a cramp or a hamstring pull. A few minutes later Isaac Curtis conferred with coach Dave Maggard and joined Hart in the stands at Bruin Stadium.

Earlier in the week Curtis had turned an ankle in practice and the stress of running the 100 had caused it to swell.

Indicative

It was indicative of the kind of day it was to be for California and, for that matter, Stanford. The Bears won only four events and lost to USC by 101-43 in a meet that was expected to be close and UCLA routed Stanford, 108-37.

So much for the great double dual.

"We really didn't compete badly," Maggard said, "it was just that USC had a great afternoon. They were prepared for us and out-did every good performance we could mount."

What was most destructive to the California ego was that the Trojans beat them in their traditional strongholds, the 440 relay

WILLIE DECKARD
Nation's fastest 220

and mile relay. USC led the 440 relay from the beginning and mounted such a big margin by the anchor lap that Hart took off early and missed the handoff from teammate Dave Masters.

Deckard ran anchor as the Trojans lowered the national best to 39.5 and then Deckard came back to run the 220 virtually by himself in 20.5 — also a national best.

Lost Lead

In the mile relay Rick Brown took the baton on the last lap with a 12 yard lead but was beaten at the tape in 3:10.2. Edesel Garrison of USC ran a 44.8 leg to Brown's 46.7 for the decision.

Brown had earlier extended his unbeaten string in college competition to six and his overall streak to three years by beating Rich Carr in the half mile.

The mile relay time and Brown's 1:51.2 half were both season bests. California, in fact, had nine career bests and a school record in the discus (191-4) by Jim Penrose. It just was not enough.

Stanford also had a school record. Intermediate hurdler Randy White lowered his own mark by a tenth second to 51.2 and in so doing upset UCLA's Wayne Collett. It also provided half of the Indians' victory total with Rick Tipton's 13.9 in the high hurdles the other.

Meanwhile, UCLA swept the 100 yard dash, shot put, 440 and both relays; went 1-2 in the triple jump, high jump, 880 and long jump.

In the long jump freshman James McAlister made his last appearance before heading for spring football practice a dramatic one. McAlister won with a 26-0 effort but had a foul jump of 27-10.

Even subtracting the four inches McAlister was over the board, it would have been the second longest jump of all time. Bob Beamon holds the world record at 29-2.

With McAlister's jump and the efforts of Rick Fletcher, Francois Tracanelli and Denny Rogers UCLA put together the best field event performance in school history. Fletcher cleared 7-0 $\frac{1}{4}$ in the high jump; Tracanelli 17-0 $\frac{3}{4}$ in the pole vault and Rogers 51-9 $\frac{1}{2}$ in the triple jump.

The triple jump was a school record and the remaining three were inches short.

BRUIN, TROJAN TRACK TEAMS ROMP

BY HARLEY TINKHAM
Times Staff Writer

UCLA's James McAlister got it started with a foul jump of 27-10 in the long jump and USC's Edsel Garrison wound it up with a 44.7 anchor lap in the mile relay.

That's the kind of day it was, a beautiful day for track, incidentally, as the Bruins and Trojans stomped all over Stanford and California in a rousing doubleheader at Westwood Saturday.

A crowd of 12,343 saw UCLA thrash Stanford, 108-37, and USC humble California, 101-43, and if you're looking forward to the Bruin-Trojan showdown, May 8, here's what you get when you match the best marks of both teams Saturday:

USC 75½, UCLA 69½.

Hold all bets, however, because some explanations are in order. UCLA's Wayne Collett, for instance, ran only 52.9 for second in the 440 hurdles after easing up, and you could hardly rate him third behind USC's Henry Jackson and Bobby Coffman, who ran 52.3 and 52.5 respectively.

Other adjustments would have to be made, depending on wind, injuries and what have you, but make no mistake, the Trojans are looking mighty fierce.

From Behind

Willie Deckard anchored Troy to a 39.5 in the 440 relay and won the 220 in a meet record 20.5; Joe Antunovich set a personal record of 193-9 in the discus; Doug Lane improved his season's best to 63-0 3/4 in the shot, and then there was Garrison.

The ex-Centennial flash, after winning the 440 in a meet record 46.9, took the baton 20 yards behind Cal's Rick Brown on the anchor of the mile relay.

"I was ready to give up," said Garrison, "but when I hit the turn I heard the crowd whoopin' and hollerin' so I decided to give it a go. I had no idea I ran that fast. I was just trying to win."

McAlister, after being denied a collegiate record on his foul jump which, incidentally, was aided by an over-the-allowable wind of 5 m.p.h., came back to win with a legal 26-0. This surpassed a wind-aided 25-4 3/4 by USC's Henry Hines against Cal.

"He really made a believer out of me," said Hines. "They should call these meets 'The James McAlister Show.' That cat is really something. As for myself, I've just got to be more aggressive off the board."

UCLA coach Jim Bush said, "I think James will be the first manto do 28 feet (Bob Beamon by-

passed 28 feet in setting his world record of 29-2½). Believe me, he's a real threat to win that gold medal at Munich."

Other Bruin heroes included Rick Fletcher with a lifetime best of 7-0-1/4 in the high jump, Denny Rogers with a school record of 51-9½ in the triple jump and Ruben Chappins with a personal record of 8:52.4 in the two-mile.

Bush, however, was happiest about the crowd.

"This proves that track and field will draw if you have the right attraction," he said. "If Cal had met USC at the Coliseum while we were meeting Stanford here, I don't think the combined crowds would have hit 6,000. This looks like the answer."

Track Notes

In the 440 relay, California failed to make connections on the last pass between Dave Masters and Eddie Hart. They were trailing by two yards at the time. Hart and Isaac Curtis both aggravated injuries in the 100 and scratched from the 220. Hart has a cramp or a pull and Curtis a foot injury. . . USC's Lance Babb, winner of the high hurdles in 14.0, almost didn't run after injuring his right foot Saturday morning in an accident at home. He decided to give it a try after X-rays at UCLA Medical Center proved negative. "That was a real courageous performance," said coach Vern Wolfe. "At that time we needed the points, and Lance's come-through really sparked us."

Garrison, on the upcoming race against Collett and John

Smith of the Bruins: "I'll be going all out, that's for sure. I'm not going to give Wayne an inch and I'm sure he won't give me one. There'll be no coastin', no floatin'. They've got to run." . . Cal coach Dave Maggard gives a slight edge to UCLA in the meet with USC "because of a little better first-place strength" and rates UCLA, Oregon and USC the top three in the country over Texas (El Paso) . . . McAlister, who starts spring football practice this week, said it's still doubtful he will compete against the Trojans.

UCLA-Tenn- the 46.9n for Frey was apparently taken by Dick Bank, Mort Tenner, and a third watch. The official time was 47.3. It is probable something in between would be more correct, but I guess Bank, et al are more reliable.

Milerly UCLA 3:11.3(official splits by timers-46.4,49.4,48.2,47.3)
JBS splits 46.3,49.7,47.8,47.5

USC 3:10.2- Official timer splits are 49.2~~XXXX~~^{had 48.8}, 47.4, 48.9, 44.7
(these official splits are wrong as Burks ran more like 49.3
and Hines had 47.4 for 2nd and 3rd. I had 44.8 for Garrison
as did Wenos, but we'll go with a 44.7 which is what Eales
and official watches had. Only disagreement is 2nd and 3rd
times.

Cal splits in paper okay if Andrew given 49.4(then they add up). Stan
Eales had 49.1 but official splits probably better.
