## REGION II MEET INFORMATION

The SPAL, in conjunction with Foothill College, is the co-sponsor of this meet. The SPAL is trying something new in the sponsorship of the meet this year, in that there is no meet director. We are making the meet a cooperative venture, with all the coaches in the league participating with some phase of its administration.

If there are any complaints about the conduct of the meet, the appropriate coach should be contacted.

## REGION II PREVIEW

Today's meet should feature a tight team race between Awalt, Cupertino, and Los Altos of the SCVAL, and Carlmont, Sequoia, and Gunn of the SPAL.

In last weekend's league title battles, both conferences had upset winners. Carlmont and Awalt emerged victorious in their respective leagues over their more highly rated opponents.

Final SPAL scores were: Carlmont 70, Sequoia 59, Ravenswood 47, Gunn 46, San Carlos 24, Woodside 22, Palo Alto 16, M.A. 13, Cubberley 5.

Final SCVAL scores were: Awalt 105, Cupertino 102½, Los Altos 99½, Homestead 56, Sunnyvale 40, Fremont 27, Santa Clara 23, Lynbrook 19, Mt View 16, Buchser 6, Wilson 2.

There were many outstanding marks in both meets, and several region marks could fall. Benny Brown of Sunnyvale figures to be a threat to Rick Brown's 440 mark of 47.2. Benny blazed to a 47.8 mark last week and could be pushed to a new mark by Shirley of Ravenswood, and Scallier of Cupertino. Cupertino's Craig Conway and Mark Thorp are both past the 24'0 mark and are a threat to break the 23'5 mark set by Freeman of Santa Clara in 1969.

Conway also figures to crack the 48'4 triple jump record also set by Freeman. Dave Chamness of Awalt and Steve Miller of Carlmont figure to hook up in an exciting mile that should result in a time in the teens. Smith and Berka of Los Altos and Templeman of Carlmont and Mc Mitchell of Gunn could all break the two mile record of 9:23.2

Last week, sprint and hurdle times were slow due to a soft track. The same problem may again be a factor in record breaking this Friday.

The main purpose of the Region II meet is to qualify to the Central Coast Section meet to be held next Saturday at San Jose City College. The top 5 placers in each event will qualify to the section meet. Although team scores will be kept, the meet is mainly an individual affair, rather than a team battle.

In the Frosh-Soph division Lynbrook looks most formidable, with Gunn, Cupertino, San Carlos, Buchser, Homestead, and Monta Vista trailing.

Outstanding Frosh-Soph athletes appear to be Marcki of Buchser in the sprints and long jump; Mc Gowen of Fremont in the weights; True of Monta Vista in the high jump; Florant of Palo Alto in the hurdles; Veal of San Carlos in the 440, relay, and long jump; and Mc Carthy of Cupertino in the triple jump.

The Region II meet marks the second year that the SPAL and SCVAL have combined to form a region. The SCVAL brings 7 league qualifiers into the meet, and the SPAL 5.

The two leagues are recognized as being among the strongest in the Bay Area, with many athletes ranked high in the national rankings.

We welcome you to the 1971 meet.....you will be privileged to see one of the top prep meets in the nation.
