

## District Track Trials

# Scot Leaps to Record

Carlmont High's Mike Hall broke the Sequoia District track and field meet record in the triple jump in an abbreviated day of qualifying yesterday at Terremere Field for Friday evening's finals.

Hall's tune-up leap of 46-11 broke the year-old 46-2 mark set in last year's meet by

Sequoia's Mike Hughes. Hughes tripled 45-1 yesterday to hold the second position going into the finals.

Although there was no qualifying in relays, pole vault, high jump, 880, mile and two-mile runs, field event performers will bring some good marks into Friday's finals.

Menlo-Atherton's Gene Johnson emerged as the leader in the long jump with a 22-4 leap while Sequoia's Mike Cantwell tossed the shot put 54-0 and San Carlos' Tom Douglas heaved the discuss 158-1 for other leading carry-over marks.

Friday's finals will get underway at 7 o'clock with the varsity pole vault. Freshman two-milers start the running events an hour later.

## Tribe Hosts District Track

For athletes who have to worry about qualifying for Friday night's Sequoia District track and field trials, tomorrow is the big day.

While distance runners, relay team members and high jumpers and pole vaulters can relax in the stands, sprinters, hurdlers and other field event men will compete for finals berths beginning at 2:30 p.m. at Sequoia's Terremere Field.

Only some of the events need qualifying trials, due to the number of entrants. The top eight times and marks will earn a place in the finals.

Junior varsity and freshman competitors also will qualify at the same time; in some cases the qualifying events will be different from the varsity.

Palo Alto also has a chance to salvage its SPAL golf championship chances in tomorrow's other prep feature.

Paly, 7-2 in SPAL play, must beat Woodside (9-1) or it will be all over for the Vikes. Woodside will be faced with the tough chore of beating the Vikes on their home course, Paly Municipal.

Also on tomorrow's card are rounds of SPAL varsity and junior varsity baseball and tennis and West Catholic Athletic League baseball.

Tomorrow's complete prep schedule:

**Track:** Sequoia District Trials, Terremere Field, 2 p.m.; St. Francis at Riordan, Mitty and St. Ignatius at Serra, 3 p.m.

**Varsity baseball:** Ravenswood vs. Carlmont at Burlon Park, Palo Alto vs. Menlo-Atherton at Flood Park, Gunn at Cubberley, St. Francis at St. Ignatius, Serra at Riordan, Mitty at Bellarmine, 3:15 p.m.

**Junior varsity baseball:** Woodside at San Carlos, Carlmont at Ravenswood, Cubberley at Gunn, Menlo-Atherton at Palo Alto, St. Ignatius at St. Francis, Riordan at Serra, Bellarmine at Mitty, 3:15 p.m.

**Tennis:** Woodside at Cubberley, Carlmont at Gunn, Robert Louis Stevenson vs. Bellarmine at Bockesto Park, Serra at St. Francis, 3 p.m.

**Golf:** Cubberley vs. Carlmont at Emerald Hills, Sequoia vs. Menlo-Atherton at Sharon Heights, Gunn vs. San Carlos at Peninsula Country Club, Woodside vs. Palo Alto at Paly Muni, 2:20 p.m.

**Fresh baseball:** Bellarmine vs. Mitty Riordan at Serra, St. Ignatius at St. Francis, 3:30 p.m.

# District Track Finals Tonight

A competitive, if not record-threatening, field in most events figures to make the Sequoia District track and field trials a crowd-pleaser while Tom Weeden of Carlmont attempts to extend a fine individual gymnastics reputation in tonight's feature prep sports action.

The district cinder meet begins with field events at 7 o'clock at Sequoia's Terre-

mere Field, with running events to follow about a half-hour later. Competition will be held in all varsity, junior varsity and freshman events.

At least three varsity athletes have double victory potential and there may be more with a few surprises.

Sequoia's Cezar Oravillo may be pressed but is favored in both hurdles races, while either Mike Hughes of Sequoia

or Mike Hall of Carlmont could nab both the triple and long jumps.

The long jump figures to be the evening's most competitive event, as Menlo-Atherton's Gene Johnson takes a leading 22-4 carryover mark from Tuesday's trials and San Carlos' Herman Jackson is also a big threat.

Although Tom Douglas of San Carlos should win the discus, Sequoia's Mike Cantwell

went 54-0 in the shot put trials and Douglas must throw a life best to beat Cantwell's mark.

Weeden, the Scots' junior super star, will bid for the all-around title in tonight's Division II gymnastics finals at San Mateo High. Qualifiers advance to the Northern California Invitational next Saturday.

Joining Weeden as top SPAL hopes against the tough Mid-Peninsula League gymnasts are teammates Dennis Fer-

ranti and Larry Manning, plus San Carlos' best, Mitch Castle.

Although nothing is really at stake, Menlo-Atherton (5-7) gets its chance under the lights against Cubberley (4-9) at Sarge Casey Field at 8 o'clock in the third night game of the SPAL baseball season.

Tonight's prep schedule:

Varsity baseball: Cubberley vs. Menlo-Atherton at Sarge Casey Field, 8 p.m.

Track: Sequoia District Finals, Terre-mere Field, 7 p.m.

Gymnastics: Division II Finals, San Mateo High, 7 p.m.

# Scots Set Two Marks; Capture District Finals

Carlmont High won the team and individual honors in the 15th annual Sequoia District Track and Field Championships before a large crowd at Terremere Field last night.

The Scots, who finished third behind Gunn and Sequoia in the dual meet season, outpointed runnerup Sequoia and the four other District schools.

The Scots garnered the top field and track individual honors due to a pair of meet records.

Senior triple jumper Mike Hall captured the field award with a meet-record jump of 46-11 1/2 in his specialty. Although he attained the standard in Tuesday's trials, field event marks carry over to the finals and nobody could top his best trial leap.

Carlmont sophomore distance sensation Steve Miller edged teamed Hans Templeman and Ravenswood's James Shirley for the top track honor with a 4:21.1 clocking in the mile.

Templeman made a strong

bid for the award when he ran the season's fastest SPAL half mile when he circled the track twice in 1:57.6.

Shirley followed Templeman's performance minutes later with a 49.8 in the quarter mile, but three events later Miller set his record in the mile and garnered the top award.

Sequoia's Cesar Oravillo and San Carlos' Tom Douglas conjured-up a pair of wins. Oravillo doubled in the hurdles while Douglas won the shot (54-1 1/2) and the discus (166-1).

Hall's closest competition for the best field performance came from another Scot. Junior pole vaulter Paul Dempster set the first meet record of the evening in his specialty when he cleared 13-8 1/4.

Sequoia's Jim May topped a competitive field in the high jump, winning the even with a leap of 6-4. Menlo-Atherton's Gene Johnson and Oravillo cleared 6-2 while the other two placers went over the bar at 6-0.

Ravenswood's talented sprinters and relay teams helped the Trojans secure third place with 50 points — 31 behind Carlmont and 19 below the Tribe.

Joe Prince edged Sequoia's Mike Macko in the 220 (22.3) and Eddie Johnson won the 100 (10.1) to lock up the sprints for the Trojans. Prince was also a member of the mile and 440 relay teams while Johnson ran on the victorious quarter-mile quartet.

The six Sequoia District schools and the three Palo Alto high schools will join

forces Tuesday at Foothill College for qualifying for Friday night's SPAL championship at the Los Altos Hills junior college.
