HURDLE CREW CHIEF - Dean Brewer

"AA" 1974, CIF, SOUTHERN SECTION

TRACK AND FIELD PRELIMINARIES

Valencia High School, Saturday Afternoon, May 11, 1974

First Field Events at 12:00 Noon

First Track Events at 12:30 P.M.

The purpose of the meet is to qualify boys in each event for competition in the championship "AA" meet to be held Saturday night, May 18, at Valencia High School. The MASTERS' MEET will be held Friday night, May 24, at Cerritos College.

There will be three heats in all events except the Two Mile where we will have two heats of 18 boys with the first six finishers in each heat qualifying for the finals.

As soon as the number of contestants in the High Jump and Pole Vault has been reduced to 10, all competition should stop. However, those boys whose past performance indicate they may be able to establish new CIF records will be given the opportunity to try for new records provided this activity does not delay running the meet. In the long jump and shot put, each boy will be given four trials, and the ten best boys will be qualified for May 18. Any ties that would qualify more than ten boys must be resolved.

The starting height in the Pole Vault will be: Varsity 12 ft. 6 in; Frosh-Soph 11 ft. 9 in. The starting height in the High Jump will be: Varsity 6 ft; Frosh-Soph 5 ft. 10 in. This program lists competitors in order of competition.

ALL NEARBY SCHOOLS ARE REQUESTED TO DRESS AT HOME. Schools planning to dress at the meet should bring their own towels and locks.

EVENT 1 VARSITY 120 YARD HIGH HURDLES

Record: 13.7, Earl McCullough, L.B. Poly '64

Bruce Gridley, Northview '66
