Coulter Sparkles In Track Finals

SALINAS — Don Coulter of Harbor High just seems to get better with each succeeding week. As the track and field competition gets better, so does he.

Coulter blazed to a sensational 48.5 clocking in the 440-yard dash here Saturday best time in the Central Coast Section to date this season and highlighted the Monterey Bay League Track and Field Finals. He also stopped the watches at 22.1 seconds to take a victory in the 220-yard sprint.

Monterey High's Toreadores won the varsity team title at the annual competition with 68 points, nudging runner-up Seaside High School — its close but competitive neighbor — by only five points.

Soquel and Salinas deadlocked for third place honors with 26 points each while Harbor High was fifth with 22. In the frosh-soph action, North Salinas edged Watsonville to the tune of 47-40, while Alisal trailed with 35 points for third and Soquel captured fourth place honors with 30 points.

Eric Lindsey of San Lorenzo Valley was runner-up in the 880-yard run with a time of 1:56.9, breaking the school record, bettering his own mark of 1:57.5. Teammate Randy Geiss set a school mile mark of 4:42.3 but didn't qualify for the region meet as he was fifth.

In the frosh-soph competition, SLV's Thierry Rackley won the 100-yard dash in 10.6 for a clocking that was only one-tenth off the school record and he was second in the 220 with a school standard of 23.5. Teammate Jim Thylin qualified in the mile, taking fourth at 4:45.2.
