

NATIONAL AAU 50-KILOMETER WALK

Columbia, Missouri

Aug. 14, 1977

In his first race of the year, Larry Young again mastered the best 50-kilometer walkers in the country. Eight times ('66,'67,'68, '71,'72,'75,'76,'77) in the last 12 years he has done this to remain unbeaten on American soil. An amazing record for the twice Olympic bronze medalist.

Despite the early 5:30am starting time, it was quite humid and warm, especially the later stages. Still the times were quite good, with the first four men qualifying for the Lugano Cup team.
