Dear Jon,

Attached are the National Championship results. The interesting fact is the number of young athletes who achieved excellent results. They form part of a group under a scheme called "adopt an athlete" in which firms sponsor an athlete bearing all the costs of education etc, which is tax deductible.

On the men's side using the Portuguese tables the best five results were:

1. Hammer Throw of Celso Joaquim de Moraes from Rio Grande do Sul with a new Brazilian record of 64.92m
2. Triple - João Carlos de Oliveira - 16.26
3. High Jump - Irajā Chedid - 2.09
4. 200m - Rui da Silva - 20.7
5. 100m - Rui da Silva - 10.4

and of course the 20k walk, and the 4x400 relay just 3 outside the S.A. record of Venezuela.

On the women's side:.

1. Discus - Odete Valentim Domingos - 48.34
2. High Jump - Maria Luiz D. Betioli - 1.88 a new South American Record
3. Shot - Maia A. Boso with 14.45

Best wishes.
