

Welcome to the world of EASTERN TRACK. This will be an expanded version of the newsletter that Pete Schuder so ably published the last few years. The emphasis will again be on Eastern collegiate action, but, space permitting, I will also include highlights of HS, AAU, and women's competition, plus other items of interest to the Eastern track fan. If you haven't already done so, and wish to subscribe, please send \$5 to:

My thanks to those coaches who have been sending results. To those who haven't been contacted yet, please put me on your mailing list. Schedules and rosters would also be appreciated. If anyone wants to volunteer information, please feel free to do so. I can use all the help I can get to make this publication as informative as possible. If necessary, I will accept collect calls for important results that I need quickly.

Enough of introductions. On to results and wishes for a healthy and successful new year for all athletes and coaches.
