

Oregon-bound Andrew Banks nipped ex-Duck Chris Braithwaite in a swift 100 meter dash to highlight the all-comers track action Friday night at Hayward Field.

Banks, who ran for Lane Community College this past season, was clocked in 10.4 to 10.5 for Braithwaite. The time is equivalent to a 9.55 100-yard dash, which would be just over the meet record of 9.4 by John Mays of Oregon in 1972.

Braithwaite came back to win the 200 meters in 21.2, which adjusts to 21.3 for yards and is only two-tenths off the meet record by Ernie Smith of the Staters Track Club.

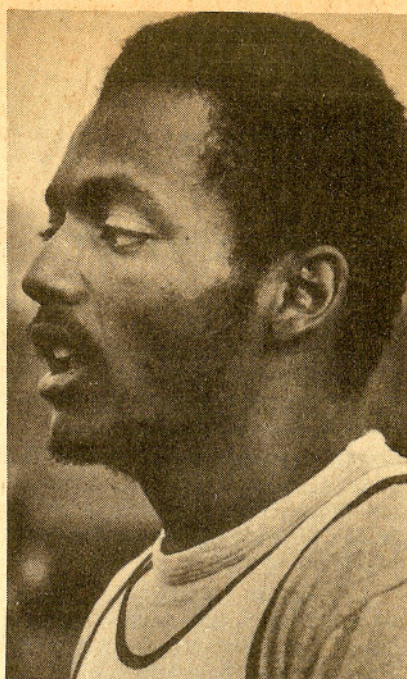

Oregon's Stan Whigham had a quick time of 14.4 in winning the 110-meter hurdles and Oregon freshman Mike Fritton won the men's open 800 meters and 1,500 meters.

The turnout was comparable to that of the first night for younger kids as close to 300 took part.

The joggers mile was again the most popular event, drawing 80 competitors. Race walker Bill Ranney and Harland Towne of Junction City exactly predicted their times — Ranney walking to a 7:10 time and Towne finishing the distance in 6:10.

Of the age group competitors, Steve Bates of Roosevelt had an outstanding triple, winning the shot put with a heave of 50-5, the discus with a throw of 155-6 and capturing first in the high jump with a leap of 5-10.

The series will resume next week with 12-and-under children competing on Thursday starting at 5:30 p.m.
