To those who didn't receive the first issue, EASTERN TRACK intends to cover college action in the area as fully as possible. Women's, H.S., and AAU results will be included when space permits.

Some coaches have been very prompt in sending results as well as their \$5, but I still haven't heard from quite a few of you. I need your help to make this newsletter accurate, so please put me on your mailing lists.

Next issue will be mailed out Wed., Feb.9.
