

NAIA DISTRICT III TRACK AND FIELD

WATER'S SCORES 7200 AT MEET OF CHAMPIONS

ROSE BURNS A 10.4

The District III track scene is rapidly improving with several quality marks being recorded. It appears things are leveling out also as Oxy has leading marks in only nine events as compared to 12 two weeks ago. Pt. Loma follows closely with 6 event leaders.

Probably the most note worthy mark recorded was a 7200 decathalon score by Pt. Loma's Bill Waters, placing him 3rd in the meet of champions at Irvine. He needed to run a 4:36.3 1500 meters to reach that score, and thats exactly what he did. Two weeks earlier Waters scored 23 points single handedly in a dual meet with Whittier setting two PR's (Discus and Javelin) and equally PR's in the vault and high hurdles. Quite a performance.

The new leader in the 100 meters is Rose of Cal Lutheran. His 10.4 clocking makes him the man to beat at that distance. Cal Lutheran won their own Kingsman Relays with Azusa Pacific close behind in the 7 school gathering.

Oxy is showing incredible strength in the middle distances, especially in the 1500. Colley, Acedo, Patterson and Bitterly have run 3:50.5, 3:52.2, 3:52.6, 3:52.7 repeatedly.

An interesting note, George Matthews who is now the coach at USIU, informs me that world record holder Bob Beamon is now on the USIU staff and working with their field event men.

Below is a list of NAIA National qualifying standards and I hopefully will publish the NAIA District III meet schedule in the next issue of "District III Track."
