CANBERRA, Dec. 3/4-- The 3rd Pan Pacific Conference Games resulted in a big success for a relatively young Australian team, but the placings could not be taken too seriously: athletes from US, Canada and Japan, were competing out of the season and the NZ team did not include most of their top athletes.

However, it was pleasing to note that the 18-year-old Peter Narracott, who was badly out of form at the World Cup, won the 100m in 10.52 by 0.17 from Bill Collins into a 5.7m headwind. In the 200m, however, Collins was an easy first in 20.83.

The 400m resulted in a smart 46.27 win by NZ veteran, Bevan Smith, who finished 0.08 ahead of the young Australian, Jim O'Sullivan.

One of the biggest upsets was in the 800m. Australian champion, John Higham (26), set a furious pace over the first 600m, but he was completely exhausted with 75m to go when the 19-y.o. Chum Darvall, passed him for a smart win in 1.47.88. Darvall is 1.93m tall. He has 400m best of 46.9 and can quickly accelerate. There is little doubt that one day he will break Ralph Doubell's 1968 Australian best time on record of 1.44.3.

Graham Crouch tried hard to win the 1500m, but in the closing stages could not ward-off Japan's World Cup runner, Takashi Ishii, who won by 0.09 in 3.45.08.

The 5000m was an easy race for David Fitzsimons, who only a few days earlier was down with a virus infection. The 10,000m went to the young Australian, Robert de Castella and Ron Addison (US) took the 3000m st as he plesed in 8.38.16.

There was an boilover in the 110mH in which Warren Parr was declared winner from US star, Charles Foster, in an equal time of 14.21 into a firm headwind. Don Wright (18), who is going to the States next year, was an early leader and finished third in 14.25.

Gary Brown let Sam Turner (US) do all the early running, then came home strongly to win 400mH in 51.89. Both relays went to US from Japan in 38.85 and 3.07.26.

Ron Livers (US) bounced to 16.63 for a well earned win in the triple jump but narrowly missed the bar 2.17m to concede the high jump to Japanese ace Kazunuri Koshikawa. Chris Commons, with an illegal 2.5m wind, won the long jump with a pb. of 8.08m and Bruce Simpson (Canada) was an easy first in the PV at 5.25m.

US took the SP honours through Colin Anderson (19.62) but in the DT Dan Gardner had only 10cm to spare from Japan's Kiyotaka Kawaski at 57.5. Peter Farmer was comfortable first in HT (67.62) and Phil Olsen (Canada) in the JT (80.98).

With Raelene Boyle for the first time not in an Australian team since 1968, Denise Robertson won the 100m/200m double (11.67/22.87) and also helped Australia to win the two relays (44.26/3.34.24).

In the 400m Montreal semi-finalist, Verna Burnard, showed return to form with 0.38 win over US champ. Sharon Dabney in 52.63.

Francie Larrieu took the 800m/1500m double in 2.06.30/4.18.32.

Debbie La Plante (US) dominated the 100mH with 14.03 and Marian Fisher (Australia) set BC 400m H hurdles electronic record of 57.28.

Debbie Brill went through the motions to claim HJ at 1.88 and Lyn Jancencko cleared 6.59 for 1st in BJ from teammate, Erica Nixon, who sat down on her best jump, yet still was credited with 6.38m.

Gael Mulhall took the SP by 15cm from Japan's Kayoko Hayashi at 16.15m. Jane Haist (Canada) was too strong in the DT (55.64) and the fast improving Pam Mathews won the JT at 56.88.

PERTH, Dec. 7-- Pan Pacific Games twilight satellite meeting at Perry Lakes Stadium (venue of 1962 BC Games).

Chum Darvall, the 19-y.o. and 1.93m middle-distance sensation continued his presence felt with 1.47.6 win over Mark Belger (US) 1.48.0 and the rather tired John Higham (1.48.1), who tried to steel the race with 300m to go. However, Darvall kept in touch with him and then went on to ward-off Belger, who sprinted well over the last 90m. **Geoff Shaw, 20, set quick pace in the 3000m and did not give in to the spirited challenge from David Fitzsimons, to win by 0.2sec. in 7.57.2. Takao Nakamura (Japan) took third spot from teammate, Fushumi Shigenari in equal time

of 7.58.6, whilst Henry Marsh (US) was next in 8.19.9 from Peter Butler (Canada) 8.20.5. **Bruce Simpson (Canada) failed at his opening height of 5.05m and Ray Boyd (Australia) cleared 5.20m before three failures with the bar at Australian resident record of 5.35m. **In the women's high jump Debbie Brill (Can.) went over 1.89m and Chris Annison (17) equalled her national resident record of 1.83m. Tamami Yagi (Jap.) was 3rd at 1.77m and the 14-y.o. Vanessa Browne took 4th on a count-back from Theresa Smith (US) at 1.74m. Pacific
3rd ~~Pacific~~ Conf. Games Canberra, Australia Dec 3-5, 1977

The level of competition was very spotty. Many Americans were definitely out of shape. It was understandable since some only were selected two weeks before the meet. The Japanese seemed to be up for the meet more than most. NZ did not have Walker, Quax, etc on their team.

The medal count:

	Gold	Silver	Bronze
Aus	17	10	12
USA	10	7	2
Can	4	4	6
Jap	2	9	8
NZ	1	4	7

100 Times slow because of string headwind up to 6m/s. The heat with Narracott and Collins was the race. Collins found out that he could not take the Aussie; eased off in the final to try in the 200. Narracott uses a bunch start; had 1½ feet at first 10 yards and 1m at tape.

200 Narractto was of first and had a clear lead in the first 30, but Collins on the curb lane worked hard around the turn and came into ~~the~~ the straight with a 2m lead and added another meter at the end. The wind was reported to be 4m/s aiding. Collins protested the wind reading because his 20.83 was a new meet record. His protest was justified since it was blowing in their face and the long jump immediately parallel to the track and in the opposite direction had assisting wind at that moment.

400 In the heat Beeny Brown ran out of gas at 300m and slowed to a walk, reputed to be a bad back. Smith of NZ overtook the field in the stretch in the final. Harada of Japan had been the favorite on the basis of his fine heat.

800 Higham, the Aussie record holder and champion, pulled the field through a 51.7 400 and had a ten yard lead with 100m left. Chum Darvall demolished that with a fantastic sprint. Belger was out of shape and never in the race. Higham was trying to break 1:46.0 and ~~1500xxCrouch~~ over extended himself

1500 Crouch was lulled into a slow race and tried a 500m kick that fizzled in the strong headwind and fell to a strong kick by Ishii

5000 & 10000 The absence of the New Zealanders and lack of condition resulted in poor marks.

110H Foster had a bad start and had to try to overtake into a 5m/s headwind. Parr lunged head over heels into the tape. The photo gave the win to Parr. Foster could not accept the photo result. In my view Parr was the clear winner.

400H Turner only had limited time to train before the meet. He was out early ; had to chop at the 6th hurdle, nicked the 7th; and knocked the last three down. Brown of Australia seeing Turner's problems mustered a strong drive to the tape to overtake the faltering Yank.

SC At the halfway point the field just stretchec out and it became individual races. Addison was pleased with his time.

HJ Koshikawa, the Japanese Champ, made 2.17 on his second attempt, but failed badly at 2.23. His personal best is 2.18. Livers took only five jumps, making 2.10 and 2.13 on first tries. His first attempt at 2.17 looked like a clean jump with the wind dislodging the bar while he was in the pit. The official thought oterwise. Livers did not protest though the ~~majority~~ majority of spectators though he should have. Livers had to ~~step~~ step up and over the curl since the HJ was off the center of the field for his left side approach.

PV Simpson set a new meet record on his second try at 5.25. The snow in Canada had limited his practice to a limited space in a gym. indoors. LJ Commons first jump was wind aided and was a foot and a half better than any other jump in the competition

TJ Livers was selected for the HJ, not the triple, but all four of his jumps were over 54 with two fouls. A meet record. Tiff missed second by a little over an inch. Most of the jumping was into a 1 to 2 m/s head wind.

Shot Anderson won by ~~over~~ 4 feet.

Jav. Olsen won the javelen on his 2nd throw of 74.66. His 265-8 in the 4th round was icing. The javelin was into the wind.

Hammer Farmer shelled ot nearly \$1500 to make the trip at his own expense. He was one of the few athletes selected with out head to head competition for the Aussie team. His throw of 221-10 set a new Australia record.

Relays The 400 was a clear USA win. The handoffs were surprisingly good. Wells had looked out of shape in his 100 heat, but he ran well on the opening leg. It was doubtful whether the USA would field a 1600 team because of Browns poor performance in the 400 and Frazier was reported to be injured. Brown struggled through a 47.4 leg, but Frazier's 46.0 moved the USA around the Japanese and into the lead. the 400 relay was a meet record and an Australian record. that was

Third Pacific Conference Games

Canberra, Australia

Dec 3 - 4, 1977

by Lyle Sanderson Track & Run-ups
- En - tout - cas Olympique
(excellent surface - all advantages of Tartan
But non slip in wet - \$d)

- Swirling winds both days (wind against in all sprints.)

A well prepared Australian Team performed at a high level to dominate the third Pacific Conference Games with the best showing by an Oceania Team since the 1956 Olympics.

Swirling winds on both days hampered performances. The cross wind was effected by the stadium design so that wind was against the runners in both back straight and home straight as well as the second bend. The sprints and hurdles were all run against significant wind. The runway events were tricky with wind blowing in opposite directions at the top of the runway and the pit. Cross wind in the Javelin and Discus. Bar had to be held on during jumpers approach in women's High Jump.

The concept of the Pacific Conference Games which splits the ~~athletes~~ athletes by event (irrespective of team) into touring groups for satellite meets after the games was again very successful. Three groups each attended two satellite meets after the Canberra Games. The athletes benefited by the additional competitions and were ~~thus~~ able to see other parts of Australia. ^{Local} athletes benefited by competing with international athletes. The smaller groups made it possible for athletes from different nations to get to know each other much better. The concept of post "Games" satellite meets is an excellent one.

The star of the Games was Denise Robertson who won both 100m & 200m as well as running strong legs on both relay races. Four Gold medals.

W O M E N

~~Robertson~~

Dea ise Robertson dominated the fields in both sprints with an outstanding display of smoothness and power.

In the 100m Robertson outclassed the field ~~q~~ (against a ~~2.9~~ 2.9 mps wind which was much stronger in the final 20 meters where it funnelled through the stands). Robertson's 11.67 is worth much more under better conditions.

Debbie Wells came from well back at 50 meters to a clear second in 11.79. New Zealand's Wendy Brown caught ~~Patty~~ fast starting Patty Loverock at the line for third (11.91 to 11.97).

Robertson came back the next day to run 22.87 against a strong breeze all the way ~~in~~ in one of the better 200 meters ~~runs~~ I have seen. Wells again ran with power in the latter stages for second in 23.64 but just held off Kim Robertson of New Zealand (23.68).

Wells is one of the best prospects in the world at age 16. He size and power

are impressive.

Patty Loverock was very tight and lost fourth at the line to New Zealand's Morag Mackenzie as both timed 24.00.

In the 400 meters Verna Burnard ran a well paced race ~~to~~ from lane 8 to win going away in 52.63. Sharon Dabney (USA) (53.03) collared Marian Fisher (53.19) in the final straight for second. Joyce Yakubowich was away slowly and finished fourth (54.44) with Bev Krotowski fifth in 55.46.

Francie Larrieu came up with a strong double to win both 800m and 1500m.

In the 800m she front ran to a comfortable 2:06.3 win. Anne Mackie Morelli was well placed throughout but faded to fourth in the stretch (2:07.6) as Michelle Green (2:06.7) and Allison Wrench (2:07.2) ran her down. ~~in the~~ Debbie Scott lost contact early and could only achieve sixth in 2:10.4.

In the 1500m Debbie Mitchell-Pearson strung out the field with even 68 second laps. Cely Larrieu was able to stay with Mitchell-Pearson. With 100 meters left Larrieu sprinted to the lead ~~and~~ and went on to a clear 4:18.3 win with Mitchell-Pearson 8/10 back. Debbie Scott who was well off the pace came to life in the final 300 meters and caught Jan Healey at the top of the straight. Healey came back and after some contact the athletes crossed the line in a dead heat for third.

The wind played havoc with the 100m Hurdles times. Debbie LaPlant out classed the field with a 14.03 followed by Cheryl Boswell (Aus) 14.35 and Emi A Kimoto (Jap) 14.44. Joanne McLeod hurdled aggressively for fourth (14.59) but Diane Jones-Konikowski never recovered from a poor start and ended ~~the~~ seventh in 14.86.

Marian Fisher was ~~not~~ ~~was~~ ~~not~~ not really recognized for her three golds and bronze.

In the 400m Hurdles Fisher ran a well paced race for an excellent 57.28 win to rank tenth in the 1977 world list with a Commonwealth record. Francine Gendron was

• With Fisher at the eighth hurdle but could not match the Australians finish. Lamen Campton (Aus) caught Gendron at the tenth hurdle but could not match Franceses run in and was $13/100$ behind the Canadian ~~A~~ 58.40 at the finish. Gendron's time is the second best ever by a Canadian only $17/100$ outside her national record.

In the 4x100m relay Lyn Jacecko ran a brilliant lead off leg and Denise Robertson increased the lead on the back stretch. Marian Fisher and Debbie Wells maintained the advantage for a 44.26 Australian win. New Zealand looked sharp in 44.95 ^{for second.} The Canadian team passed well but lacked speed with only one ~~sprint~~ sprint specialist Anne Mackie-Morell, Patty Loverock, Joyce Yakubowich and Joanne McLeod finished third in 45.99.

In the 1600m relay Australia with Fisher, Campton, Robertson and Burnard were easy winners in 3:34.2. The Canadian team had a very even race to hold second.

Bev Krotowski (55.46), Francine Gendron (54.20),
Anne Mackie-Morelli,
~~Joyce Yakubowich~~ (54.07) and Joyce Yakubowich
(54.31) went into second at the break and
were never challenged.

Debbie Brill dominated the high jump.
~~Chris Annison~~ She cleared 1.84 with no misses
in spite of the wind and then sailed
over 1.88 on her second attempt for a new
Australian record. Brills third try at
a Commonwealth record 1.92m was very close.
Little Tamani Yagi ~~leaped~~ used excellent
form to clear 1.82m for second with
17 year old Chris Annison of Australia
third at 1.80m. Diane Jones-Konikowski cleared
1.71m for seventh.

Lyn Jacenko totally dominated the
long jump. Her first round 5.59m was aided by a
2.1 mps wind however the position of the wind
gauge was a factor as ~~wind~~ flags at the pit
showed negative wind. Her second round 4.48m
and final 5.51m jumps were both legal.
This capped an undefeated season for Jacenko.

Her 5.59 was only 1cm ~~cm~~ short of her best. Erica Hooker, who has a very strong approach, jumped well to record 6.38m. Noeline Hodgins jumped 6.18m in the last round to take third from New Zealand Team mate Sue Burnside. Diane Jones-Konikowski was sluggish and could not improve on her first round 5.97m which placed her fifth.

Gail Mulhall gave Australia the shot put title with a 16.45m put ahead of Kayoko Hayashi of Japan (16.00m). Lucette Moreau lacked her usual explosion and finished third with 15.40m. Diane Jones-Konikowski could reach only 14.27m for seventh.

Jane Haist reached 55.64m to win the Discus with Mulhall second (54.40) and Lynn Winbigler third (52.58m). Lucette Moreau reached 50.20m for fourth.

Pam Mathews gave Australia the javelin gold with 56.88m. Karin Smith (USA) was second (54.50m) with Keiko Myokai (Jap) third

at 49.90m. Alison Hayward, who had been added to the team in mid week when the twelve women maximum team size was dropped threw 47.66m for fourth.

Men

Paul Nattacott is perhaps the top high school sprinter in the world. He was out fast in the 100m and never gave up his $\frac{1}{2}$ meter advantage to Bill Collins as the recorded 10.52 and 10.69 respectively. Fred Lehman gave Australia the bronze with 10.77 just $\frac{1}{100}$ up on Charlie Wells. Desi Williams was out well but faded badly against the wind to end sixth in 10.84. The 5.7mps wind against the runners made good times impossible. Dan Biocchi never recovered from a terrible start and ended a none qualifying fourth in his heat in 10.89 sec. Collins reversed the results in the 200 meters with a strong 20.83 against the wind. Nattacott recorded 21.06 for second. Dan Biocchi ~~was~~ was again away slowly but came on strongly to record 21.30 just $\frac{1}{100}$ behind Toshio Toyota's ~~for the~~ bronze medal performance. Williams was again away well but slowed badly to fade to seventh in 21.62.

Bevan Smith gave New Zealand her only win with a strong stretch drive victory in the 400m in 46.22. Jim O'Sullivan (46.35)

and Michael Willis (46.93) gave Australia the other two medals. Dacre Bowen (47.89) and Leighton Hope (48.24) were both out slowly and finished fifth and sixth.

John Higham went out fast in the 800m but could not hold off Chum Darvall's finish as the young Australian won in 1:47.9 to Higham's 1:48.5. Takashi Ishii added the bronze in 1:48.9. Bob Reindl finished very strongly for fourth in 1:50.9. Kelly Britz was never in the race and ended seventh in 1:54.3 ~~ahead~~ of a dejected Mark Belger.

Ishii used his great finish to collar the fading Graham Crouche at the line in the 1500m for a 3:45.1 to 3:45.2 victory. Eighteen year old Geoff Shaw also finished fast for a 3:45.9 bronze. Dave Hill and Brian Rhodes were well back in sixth and eighth.

M3

Dave Fitzsimons front ran much of the way and broke away with six laps to go for a 13:45.2 win in the 5000 meters. Shaw held ~~third~~ second in 13:50.7. Dave Hill, who entered the event after his disappointing 1500 meters was with the leaders until the break and held on for a gutsy 13:55.2 bronze medal in his first ever international 5,000 meters ahead of fast finishing Croucher (13:58.2). Brian Rhodes developed a stitch and was forced to drop out early in the race.

Only three started the 10,000 meters. Robert De Castella front ran to a 29:23.7 win ahead of Greg Fredricks 29:28.9. Peter Butler ran well in the early going but could not answer the veterans mid race surge and finished third in 30:20.2.

Ron Addison used a strong last three laps to win the steeple chase in 8:38.2 from Shintaku (8:44.4) and Bob Hendy (8:55.2).

Warren Parr lunged at the tape to take the 110 meter hurdles as he and Charlie Foster both recorded 14.21. Don Wright was only 4/100 back in the closest event of the games. The wind against again ruled out Fast times.

Garry Brown won the 400 meter Hurdles in 51.89 when a hamstring pull stowed Sam Turner who was comfortably in front after eight hurdles to second in 53.08.

~~5.1100 Matsunaga~~ Takashi Nagao ran 53.20 for third. Mike Forgrave had injured a hamstring ~~in the~~ when he hit a hurdle in the warm up meet. It is to his credit that he ran at all with a smooth 54.89 for 5.57.

The USA team of Wells, Frazier, Gailbrain and Collins ran to an Australian 4x100m record of 38.85. Japan handled the baton well to place second in 39.54 with Australia third 39.96. Desia Williams ran a strong lead off leg and Mary Nash kept Canada even with the USA at the second

M 5

exchange but Dan Biocchi miss judged ~~the~~
Nashes speed and a very poor exchange
~~made~~ ~~a medal~~ cost a medal. Biocchi
and Frank van Dooten ran strongly but could
not make up the lost ground.

In the 1600m relay Sam Turner
gave the USA the lead. Wardel Gailbraith
extended the lead and Benny Brown (suffering
from a bad back ~~which~~ which caused him to
drop out of his 400m heat) held it. Herman
Frazier, who saw only relay duty here
extended the lead to a 3:07.26 win.

Japan ran a determined 3:08.01 for second.

Australia's 3:11.18 held off Canada's
(van Dooten, Forgrave, Hope, Bowen)
3:12.01 for third.

Kazunori Koshikawa cleared 2.17m on his
second jump to take the high jump. Ron
Livers who had led until ~~Kazunori~~ Koshikawa's
clearance, could not clear 2.17m and settled
for second at 2.13m. Seiichi Takako cleared
2.10m for third. John Beers who looked good
at 2.04m passed 2.07m and then had approach

M 6

trouble and failed three times at 2.10m
to end ~~third~~ fifth at 2.04m.

Bruce Simpson vaulted 5.25 m, his best result in two years to win the Pole Vault. Bruce cleared 5.00m on second attempt and then passed 5.05m and 5.10m. His first time clearance of 5.15m gave him the win. He was over 5.25m on his second attempt and was close on one try at 5.35m. Ray Boyd was a disappointed second at 5.05m with Kigawa third at 5.00m. Harold Heer, who had suffered a hamstring pull in training did well to clear 4.85m on his first attempt for fourth.

Chris Commons read a slightly over the limit wind to a 8.08m^{on his first attempt for the} Long Jump victory. Machida of Japan's 7.64m jump was good for second with Glen Stewart third at 7.59m.

Ron Livers completely dominated the triple jump with any of his fair jumps good enough to win. His best ~~was~~ 16.62m. Yasushi Utea's third round 16.35 stood the challenge of

Mike Nipinak
Milan Tiff's 16.32m. ~~16.32m~~
recorded a ^{consistent} ~~good~~ series with a 15.73m best
for sixth. Dave Watt reached only 15.23m
for eighth.

Colin Anderson's 19.62m ^{shot} put easily
out distanced Bruno Pauletto's 18.43m
with Koxama a distant third at 15.44m.

Dan Gardiner's 57.54m Discus won
by 10cm from Kiyotaka Kawasaki with
Wayne Martin third at ~~5~~ 51.66m.

Peter Farmer's 67.62m ~~Hammer~~ Australian
record in The Hammer outclassed the
field as Yoji Kitano's 62.82m gained
second from Murray Cheater's 61.06m throw.

Phil Olsen threw his best distance
of the year for an 80.98m win in the
javelin. Michael O'Rourke caught a 74.32m
throw to take ~~the~~ second from John
Carazza's 73.54m heave.
