Rosen: "It's fantastic; it's something you always dream about . Outdoors Tennessee will take first but we'll be tough."

Huntsman: "We gave it a shot ; yeah, we gave it about all we have. I was pleased with our kids--I thought we'd win. It's going to be tougher than hell outdoors. We plan to win theSEC, but it's too early to tell about the Nationals. We lost 8 national points to injury but 32 are coming back."

Maiyo: "I feel great. I have been practicing and was ready to double. I wasn't hurting at all. I don't know yet about outdoors. I can run anything from the 880 to the 3M."

Bolt: defending mile champion: "It felt great in the 2M. I plan on peaking at Nationals, but this day has been my best." Re: Maiyo: "He's a typical Kenyan, but I don't mean that being derogatory. They just all run the same. I ran my way, and he ~~w~~ ran his."

"I haven't run outdoors in awhile, but I will probably run more 5000 than 1500s."

Easley: "The outdoor season looks very bright for the whole team. The whole year ~~α~~ long, my mark in the long and triple jumps was off. But this was the time to show myself what I could do."

Glance: After 5.9: "5.9 felt real smooth. I reacted well but I didn't drive. I'm going all out tomorrow. I want this one real bad. I just run with the pain (still having stomach cramps). After 60: "I'm getting my sharpness back. I went to bed last night, I said into myself, "Why not 5.9 again?" Of course, no one has beat me this year ~~x~~ who's sorry, they're all world class."

Smith: after prelims: "I wasn't even cognizant of how fast I went out(first 220 in 22.0).
With ~~When~~ Jennings in it tomorrow, it should get faster."

England: "I never caught a good one. My goal is second at Nationals. If you think I'll beat Albritton, ~~xx~~ ^{you're} crazy. Now comes the big one."
