

# U.S. Juniors Win Track Meet Over Canada, Japan

BY MIKE KENNEDY

Times Staff Writer

Tom Petranoff of Palomar College and UCLA freshman Greg Foster led the United States to victory over Canada and Japan Saturday in an international junior track and field meet at UCLA.

The combined United States men's and women's team scored 255 points to 227 for Canada and 156 for Japan. The U.S. men had 156 points to easily defeat Canada (128) and Japan (87). The American women were edged by the Canadians, 101-99 after dropping the baton in the 400-meter relay.

Petranoff, who had never thrown a javelin before last March, won the event with his best-ever toss of 254-2.

"I actually thought I would throw farther today," Petranoff said. "On my winning throw I only got about half the height that I normally get. Then on my next throw, I got the javelin off to the side and felt something pull in my back."

Foster easily won the 110 hurdles in 14.05 after anchoring the 400-meter relay team to a winning time of 40.32.

The United States men were impressive in the field events, winning every one except the hammer throw, which they didn't enter. Winners included: Dommie Butler, a sophomore from Fremont High, in the long jump (24-9½); Tim Warner of El Camino College in the pole vault (15-9); Dokie Williams, a junior at El Camino High in Oceanside, in the triple jump (50-7); Jeff Stover, a University of Oregon freshman with a personal best in the shotput (60-9), and Scott Ender of Fresno St. in the discus (168-0).

In the women's competition, Kim Jeffrey of Canada ran 2:05.2 in the 800 to hold off Linda Goen of North High in Bakersfield. Goen, who was the national junior champion, finished second in 2:05.7 as a nonscoring entrant.
