CCS track — a triumph for Green, Cubberley, Reg. II

By Mike Nolan
Times Tribune Staff

SAN JOSE — There's no question about it — Bill Green overshadows everything and everyone at a track meet.

Yet just the fact that Peninsula track fans were enthused about so many other local performances Friday night at the Central Coast Section finals, in addition to the Cubberley super sprinter's routine brilliance, showed what a collective triumph it was for Region II.

Green-guided Cubberley, the soon-to-close school which was making its final bid for the first varsity championship in any sport in the CCS' 13-year history, gave the student body a nifty goodbye gift by scoring 52 points — as many as it realistically could have earned — to take the title.

Menlo-Atherton, enjoying the finest hour in its CCS history, fin-

ished a solid second with 42 points to third-place Mt. Pleasant's 30 and fourth-place Carlmont's 28. Nearly every M-A athlete came up with the best effort of his career on a beautiful evening at San Jose City College.

Meet records? There were four, all by Region II athletes — Green's 9.56 in the 100 and 46.73 in the 440, Greg Ellis' 15-6 pole vault for M-A and Mesha Spivey's 6-10 high jump for Woodside.

Champions? Eight of the 16 went to Region II — the above four record-setters, plus M-A long jumper Steve Bruce's 23-8 3/4 life best on his last leap, Awalt discus thrower Rick Weyer's 174-5 life best and two Green-anchored relay victories by Cubberley, a season-best 42.07 in the 440 and 3:18.39 in the mile.

Dominance? Region II athletes earned 22 of the 48 available state meet positions (the top three finish-

ers in each event) for the show in Sacramento Friday and Saturday.

Overshadowed excellence? Region II produced plenty. For example, M-A's Art Nicholson set South Peninsula Athletic League records with high-caliber runnerup finishes in the 220 (21.81 electronic, 21.6 hand-timed) and 440 (47.74).

Four other first-rate second-placers were Awalt's D.J. Bahl (life-best 15-3 pole vault), Carlmont's Tim Thompson (life-best 48-0 triple jump), Los Altos' Jim Krueger (59-1 1/4 shot put) and, critical to Cubberley's title, Terry Smith's life best 37.88 in the 330 low hurdles.

Nine other locals also achieved their state dreams with third-place efforts, including two surprising Gunn discus thrower Dave Cowell (168-5) and Carlmont two-miler Kevin O'Connor (9:15.1), both with
