# U.S. HIGHLIGHTS

Virtually lost in the wash of the "Olympic Trials" and another spate of overseas World Records were some significant domestic competitions:

## NATIONAL JUNIOR CHAMPS

Knoxville, June 16-17—Despite an unfavorable position on the calendar—starting the day after the TAC Seniors and ending just 4 days before Trials—the National Junior Championships were of the highest caliber, highlighted by Steve Stubblefield's HSR in the vault (17-6) and Carl Lewis' fine sprint double (10.21, 20.66).

Montana State's unheralded Lance Deal surprised with a big 187-4 in the discus, moving to No. 4 on the U.S. Junior list all-time.

## 2 RECORDS TO DENIZ

Lancaster, Ca., July 3—The friendly breezes of famed Antelope Valley College have added another pair of American women to Olympic Standard (183-9) in the discus.

Lorna Griffin was the winner (196-8) but the significant action came in places 2-3, as Denise Wood (185-3) and Leslie Deniz (183-11 AJR, HSR) topped the barrier. As the Trials 4th-placer, Wood now stands eligible for a place on the "Olympic Team." Trials 3rd-placer Lisa Vogelsang ended up 4th at only 155-8.

Wood and Deniz moved to 4th and 5th on the all-time U.S. list, with Deniz cracking her own Junior and High School Records (178-8).

## NEXT MONTH...

If you don't like the idea of calling it the Olympics, you can call it Spartakiad II if you'd like. But whatever you call that big meet in Moscow in late July, you're going to end up calling it great.

It's certain to be the best track meet since Montreal '76, and the way the Eastern bloc athletes are tumbling World Records these days (not to mention a certain pair of Britons) one can see that quality at the top end isn't suffering much from the boycott.

Although most American news sources will give short shrift to the proceedings, T&FN will have an elite staff in Moscow, bringing you our inimitable brand of coverage.

That's Track & Field News for September—the Olympic Edition—mailed on August 29. Mailing dates for the rest of 1980: October—October 10; November—November 14; December—December 19. □
