Bruce Jenner Classic

by Keith Conning

April 11. The Bruce Jenner Classic, San Jose City College.

Leslie Deniz (Gridley) and the Berkeley girl's 800 meter relay team set new national records.

Deniz threw the discus 170-3 to better the National High School Federation record of 167-1, which she set at the State Meet last year. Deniz also won the shot put at 43-9½. For her outstanding performances, Deniz was selected as the outstanding meet performer in the girls division.

The Berkeley relay team of Kim Webster, Sherifa Sanders, Sharon Ware and Tanaya King ran the 800 meter relay in 1:37.6 to better the national record of 1:37.8 by Ball of Galveston, Texas last year. Kennedy of Granada Hills with Sherri Howard anchoring came in one second behind Berkeley. Only an early flubbed pass prevented Kennedy from making it a more competitive race. Willie White, the Berkeley coach recalled, "The father of the Howard sisters (Tina, Denean and Sherri) was going around at the Jenner meet saying that his girls were going to run 23.0 splits back-to-back. But for our girls, everything was coming together. The girls ran really strong. They've got the talent and they will get better." Berkeley also defeated Kennedy in the 400 Meter Relay 46.53 to 46.61. However, in the 1600 meter relay the Kennedy team of Tina Howard, Kelly Cook, Denean Howard, and Sherri Howard ran away from Berkeley to post a national best of 3:48.0.

Kenny Robinson (Berkeley) was selected as the outstanding boy performer. Robinson won the 100 meters in 10.61 to defeat Carl Montgomery (South San Francisco) with 10.66. Robinson also ran on two winning relay teams--400 meter and 800 meter. The Berkeley 400 meter relay team of Robinson, Homer Dotson,

Kerry Brogan (Los Altos), returning from her earlier victory in the 800 (2:11.6), placed second in 10:00.6. Brogan in the very next race on the track anchored her team to victory in their section of the 1600 relay! Maria King (Ayer, Milpitas) was second in the 800 at 2:11.9.

Greg Ellis (Menlo-Atherton) won the pole vault at 15-4. St. Francis' Ben Mahoney finished second also at 15-4.

Henry Andrade (Johnson, Sacramento) won the high hurdles in an excellent 13.79, but the wind was 3.04 meters per second, which is above the allowable.

Sharon Ware (Berkeley) captured the 100 in 11.81.

Sherifa Sanders (Berkeley) and Alesia Sweeney (Tamalpais, Mill Valley) went one-two in the 100 hurdles in 13.96 and 13.965. Sanders also won the long jump at 19-8, but there was no wind gauge.

Pedro Reyes (Jesuit, Sacramento) defeated Larry Guinee (Castro Valley) in a fast 1500 race. Four runners including Tito Torres (Johnson, Sacramento) and Ken Bergkamp (Leigh, San Jose) broke the four minute barrier.

Jay Marden and teammate Rich Read (Mission San Jose, Fremont) pretended they were running cross country again by placing one-two in the 5000. "I want to stay with our (the American) system," said Marden, who ran a 15:01.0. "It's hard to convert. I'd never run meters before and it's hard to get your splits down."
