

Holliday's Sub Is 2nd in Long, Triple Jumps; Team Wins 4-A Title

By CHRIS BAKER
Times Staff Writer

NORWALK—Most high school track experts wrote Muir off after it lost long/triple jumper Ricky Holliday with a hamstring pull in last week's CIF 4-A preliminary meet, and predicted Compton would win the 4-A track championship.

But they were wrong, just like many basketball experts who said the Lakers would fall apart after they lost center Kareem Abdul-Jabbar in the National Basketball Assn. finals.

Muir won its second 4-A title in the last three years Friday night at Cerritos College, when Ed Tave virtually came out of nowhere to finish second in the long and triple jumps behind teammate Charles Mayfield. Holliday had been expected to finish second in both events prior to his injury.

Muir became the first team in recent history to win a CIF track championship without winning any events on the track. The Mustangs scored 61 points, all but five of which came in the field events. Compton was second with 57 points, scoring all of them in the running events.

"I thought it would come down to the last event, the 1,600 relay," Compton Coach Curtis Seymore said. "But that kid from Muir (Tave) came out of a peephole."

Tave, a lanky (6-3) freckled-faced junior, surpassed his previous bests by more than a foot in the long jump (23-10½) and triple jump (47-1½) to score 16 points. He had been expected to finish fourth in the long jump and sixth in the triple jump.

"Tave is like Magic Johnson," Muir Coach Walt Opp said. "Magic stepped in when Kareem was hurt, and Tave stepped in when Holliday was hurt. Tave did the impossible."

But Mayfield, the national prep record holder in the triple jump at 52-10½, should get as much, if not more credit for helping Muir win the title.

Mayfield scored 30 points by winning the long jump (24-5), triple jump (50-6) and high jump (6-8). He also ran on Muir's 400-meter relay team, which finished sixth (1 point).

Scott Garnett, the nation's second-leading shot-putter, scored another 10 points for Muir when he won the shot put with a toss of 64-8¾, the best mark in the state this year. Garnett had another throw over 64-feet and two others over 63.

Pomona won the 3-A title with 34 points as sprinter Jim Spotville won the 100 (10.67), 200 (21.25) and 300 low hurdles (37.0). Riverside Poly was second with 30 points.

Sprinter Mike Turner turned in the nation's second fastest time in the 400-meters, 46.97, as Centennial ran away with the 2-A title by scoring 97 points.

Serra won the 1-A title with 74 points while Crespi was second with 55. Crespi's John Costanzo, bidding to become the first white sprinter to win the state 100 in over 10 years, won the 1-A 100 in 10.73.

AAA—Cajon 70; North Torrance 36; Garey 26; Corona del Mar 22; Ganesha 20.

AA—Centennial 46; Rio Mesa 34; Dana Hills 28; Laguna Beach 27; Capistrano Valley 21.

A—Marshall 60; Alemany 55; Valley Christian 37; Orange Lutheran 24; Marymount 24.

Key to HOLLYSWEEPS PICK-6

Fabulous chance to win big money in horse racing.

I will show you what your chances are to beat the 6 with combination tickets for LESS MONEY. If you really want to hit the JACKPOT you have to use my fantastic system.

Here are your chances:

You can pick all 6 races, 3 horses (choices) each race.

- If you find any 2 from your first choice, you get 2 times 5 winners and 3 times 4 winners.
- If you find your first choice from 3 and 8, 4 and 7, or 5 and 6 races you get one time 6 winners.
- If you find 3 from your first choices 8 different ways give you 1 time 6 winners.
- If you find 4 from your first choices 3 different ways give you 1 time 6 winners.

(6 races, each race 3 horses full play cost 729 tickets)

This system cost 125 tickets and you can play on 15 combination tickets. You get 3 different other small system with this offer.

Make check or money order for \$15 payable to:

by Doug Speck

As the 1980-81 school year rolls around another Fall High School Cross-Country season is underway. The CIF-Southern Section has some super individuals and fine teams returning to compete for honors in this tough 469 school section. Three area returnees have to be rated among the top harriers in the entire United States at the high-school level. Barasa Thomas (Santa Barbara) and Kenyan foreign exchange student followed his 1979 Sectional 4A win with a Kinney's Western Regional victory and second in the National Kinney affair. He ran 9:04.56 (3200 meters) in the Spring and is looking forward to a big senior year. Jon Butler (Edison, Huntington Beach) was 8th in the National Kinney's Meet and blazed 8:54.44 (3200 meters) on the track. Vickie Cook (Alemany, Mission Hills), after blazing to the Section's fastest time in her 2A class win, went on to place 6th in the National Kinney's Meet. Vickie has run well since—her 4:47.31 - 10:14.78 state meet distance double was awesome, and she blazed a 9:24.8 (3000 meter) labor day weekend in the Pan American Junior Meet. Other Sectional returnees who gathered big post-season honors were California Track Running News All-State picks Anabelle Villanueva (Fountain Valley) and Shelly Hazlett (Saugus)—Honorable Mention for the State-Wide team in 1979 and returning are Bonnie McGlinchey (Fountain Valley) and Polly Plummer (University Irvine). Chris Bowlus returns for Rolling Hills as All-California Honorable Mention for the local Men.

All three divisional (4A, 3A, 2A) Women individual Champions from 1979 return for the 1980 season. Annabelle Villanueva (Fountain Valley-4A) and Shelly Hazlett (Saugus-3A) will face each other as Shelly's Golden League has been moved up to 4A status. Vickie Cook (Alemany-2A) is back for her junior year. The returning Men's individual champions Barasa Thomas (Santa Barbara-4A) and Don Orr (Upland-3A) will likewise face each other, is Upland's 3A Baseline League has been moved up to 4A status.

Some changes have been made in Divisional structuring. The Men have competed for some time with a 4A, 3A, 2A, 1A school size structuring (with some variations to be discussed). The Women's Division will feature, in addition to their 4A, 3A, and 2A groups, a 1A division for the smaller schools for the first time this year. Some significant changes took place in realigning Leagues within the different division. To balance the number of Leagues in the four divisions and as a reward or punishment (you pick the term) for continued superior results at one level a League may find itself bounced up to the next level. Significant moves for the 1980 season were the moving of the Baseline, Foothill, and Golden Leagues from 3A to 4A. Always strong 3A powers Upland (Baseline) and Foothill schools Burbank and Burroughs (Burbank) will add fine programs to the 4A dog-fight. Golden League Women's powerhouse Saugus will complicate the 1980 4A picture. The Rio Hondo League, with powers La Canada, San Marino, South Pasadena, and rising Temple City found itself up to 3A after years of 2A domination. The Whitmont League, featuring Montebello and Pioneer, is another that was moved from the 2A to 3A level. 4A power Agoura (Maramonte League) was traded to the 2A Frontier League for growing Westlake.

Sectional Championship competition is tentatively scheduled for Saturdays November 15th and 22nd. It was hoped to run the meets at Mt. SAC but conflicting activities at that site have things still up in the air.

In doing this research it quickly becomes apparent that there are a number of top-flight programs who each year have a squad in the Sectional Finals. In an activity which this writer feels easily requires more preparation than any other for High-School age students this is a real tribute to the Coaches behind this perennial top teams. Three of these fine mentors have moved on from their area Coaching slots. Bob Latham (Palos Verdes) has moved to South Eugene High in Oregon, Joe Fisher (Costa Mesa) is now at Fort Hays State, and John Duffy (Alemany, Mission Hills) is a practicing lawyer.

MAYFIELD IS CIF'S MASTER JUMPER

Muir's 'Superman' Wins Triple, Long Jumps; 2nd in High Jump

By **CHRIS BAKER**
Times Staff Writer

NORWALK—First, there was Superman, the movie. When they bring out the 50th sequel, maybe they'll call it Charles Mayfield, the movie. Mayfield, the national prep record holder in the triple jump, should probably wear a big red S on his chest instead of his Muir High jersey.

Mayfield didn't leap any tall buildings or catch any speeding bullets Thursday night at the CIF Masters meet, but he put on a super show just the same. The Force was with Mayfield (oops, wrong space movie).

Mayfield won the triple jump by going 50-4 on his second jump of the night, then won the long jump at 23-2. It appeared that he would win the high jump at 6-8, but Pius X junior Anthony Claire cleared 6-10 on his final try at that height to beat Mayfield (6-8).

But Mayfield said he'd settle for second in the high jump since it enabled him to qualify in three events for next week's state track meet at Berkeley. Muir's Jerry Proctor was the last man to win three events at the state meet, winning the long jump, 120-yard low hurdles and 180-yard high hurdles in 1967.

And from the way Mayfield competed on a cool, clear night at Cerritos College, it looks like he might have a shot at taking his place alongside Proctor in the state meet record books.

Times were generally slow on Cerritos' College's all-weather track. The top five finishers advanced to the state meet and most athletes said they weren't all that worried about winning, just getting to the state.

One athlete who said he cared about winning was West Covina hurdler David Ashford, the state's second best in the event. Ashford went deep sea fishing over the Memorial Day weekend and spent the past two days in bed because he got seasick.

Ashford, however, didn't look sick during his race. Coming out of the blocks fast, Ashford got off to a good start

and went on to win in a CIF record time of 13.86, breaking his old mark of 13.96, set last week. Later, he set a CIF

MAYFIELD IS CIF'S MASTER JUMPER

Continued from 8th Page

record of 36.43 in the low hurdles.

"Maybe I should get seasick every week," Ashford joked afterwards. "But I honestly didn't know what was going to happen to me tonight. I hadn't worked out all week and I felt shaky after the first three hurdles. But when I got to the fifth one I knew I would win."

La Canada's Andy DiConti, like Ashford, spent most of the week in bed with a bad cold. But he managed to remain unbeaten by outkicking La Salle's Mark Ruelas and Edison's Jon Butler to win the 3,200 in a CIF record time of 8:54.29, breaking Butler's mark of 9:07.77.

Most distance races don't bring the fans to their feet, but the 3,200 was semiexciting. Butler took the field out very fast and was dueling DiConti for the lead with less than 100 meters to go when Ruelas made his move from the outside. DiConti said he never saw Ruelas, but it didn't really matter because he had enough left to hold him off.

Like DiConti, we see Compton junior Eddie Davis pass

him on the inside to win the 800 (1:51.68). Cox looked over his right shoulder with about 50 meters to go and Davis passed him on inside.

Warren's Howard Hawkins, with Edison's Kerwin Ball out for the season with a hamstring injury, won the 100-meter dash going away. Running into a 1.3 m.p.h. wind, Hawkins got out fast and won in 10.59. Crespi's John Costanzo, trying to become the first white sprinter to win the state 100 in over 10 years, was second (10.79).

The girls 100 may have been more exciting, however. Cajon sophomore Bridgett Blackburn upset Centennial's Marbella Washington (12.02) to win in 11.96 and set a CIF record.

Other CIF records set were: Discus—Gary Zimmerman (Walnut), 190-10, old record 186-3, Hank Krayshir, San Jacinto, 1979; Girls long jump—Marlene Harmon (Thousand Oaks), 20-0¾, old record 20-0½, M. Harmon, 1980; Girls 800—Louise Romo (North Torrance), 2:08.95, old record 2:09.75, Evelyn Acuna, San Gabriel, 1979; Girls shot put—Busie Ray (Villa Park) 48-11¾, new event).

FRIDAY'S CIF TRACK AND FIELD SUMMARIES
