TEAM SCORING

MEN
Berkeley.....58
Berkeley won the team championship for the second straight year, and thus became the sixth school in the history of the State Meet to win back-to-back championships. This is the third team title for Berkeley as they also won in 1957. They had five first places and one second for 58 points. No other school had more than one first place. Two other teams have had five first places in a State Meet: Glendale 1927 (Frank Wyckoff won three events), and Jefferson, LA 1950. Berkeley's point total is the fourth highest in State Meet history. Using a common 5-3-2-1 scoring system the top four teams are: Manual Arts, LA 1916 37½; Jefferson, LA 1950 35; Glendale 1927 30; and Berkeley 1981 28. Muir was second with 40 and Cordova was third with 26.
