FOOTHILL COLLEGE

April 9, 1984

Dear Coach:

Please find, enclosed, the results of the First Annual Foothill-St. Francis Track & Field Carnival. Our goals for this meet were:

- A) Provide a quality, low budget track meet.
- B) To accommodate as many athletes as we could, and provide everyone with a mark/time
- C) To start and finish the meet on time!

In evaluating the meet I believe that we accomplished our goals.

I would like to take this opportunity to thank Tom Tuite and the volunteers from St. Francis, the staff and volunteers from Foothill College, and the officials from the Converse Aggie Running Club, for making this meet a success. I am happy to say that Foothill College Track and Field has friends like these. Coaches and athletes are to be congratulated for their patience and understanding. You helped make this meet. Incidentally, for those of you that didn't attend, the clinic on Friday night was super; I hope more of you decide to take advantage of that aspect of the program next year. That brings us to next year ... upon evaluation of this year's meet, we have decided to do the 2nd Annual Foothill-St. Francis Track & Field Carnival and Clinic on March 30, 1985.. If you enjoyed your visit to Foothill don't forget our 12th Annual Cross Country Carnival on October 20, 1984. We guarantee the same quality and dedication to giving you an excellent cross country meet.

If you have any suggestions for next year's meet, please drop me a note. If you feel strongly one way or the other about this year's track meet, drop our athletic director a note (Bill Abbey, A.D. Foothill College, 12345 El Monte Rd., Los Altos Hills, CA 94022) expressing your likes/dislikes.

Thanks again for making this year's meet a success.

See you next year!!

Sincerely,

"Peanut"

Maxie runs national, CCS bests — Brown sets triple jump mark

By Paul Crosetti

Prep track

Mills High School's Leslie Maxie and Woodside's Wendy Brown continued to improve Saturday.

Maxie, the defending state champion in the girls' 400 meters, ran a 41.7 in the 300-meter hurdles in the first Foothill College-St. Francis High School Track and Field Carnival at Foothill. That time is the fastest high school girls' mark in the country this year, and also tied the Central Coast Section 300 hurdles all-time best.

Maxie also won the 200 meters Saturday in 23.9 — the fastest time in the CCS this year. That effort was particularly impressive because she was running into the wind.

Brown, the two-time defending state titlist in the girls' triple jump, set a national best in that event — but it was wind-aided.

Brown, who triple-jumped 41-5 Thursday in a Peninsula Athletic League dual meet, leaped 41-11½ Saturday — the best prep girls' triple jump in U.S. history.

However, as was the case Thursday, Brown's mark officially cannot be recognized as a national record because it was wind-aided.

Brown also won the long jump at 20-1 and took the 100-meter hur-

dles in 14.15.

Meanwhile, St. Francis' girls' team produced two individual winners — Karen Lawson in the 100 meters (12.0) and Beth Vidakovits in the high jump (5-9).

In the boys' competition, St. Francis' Michael Davidson, the defending CCS titlist in the 400 meters, won that event in 49.26.

"I like these types of meets," Davidson said. "I can measure my progress against the other runners in the CCS.

"I felt good. I'm happy with where I am at this stage of the season. But there's still a long way to go."

Davidson's 400 clocking was two seconds slower than his best mark last year, but he said the poor weather affected all the runners Saturday.

"The wind slowed up today's times," Davidson said. "Also, it's only March, so times aren't going to be too spectacular yet."

Davidson also had planned to run in the 200 meters, but he and Lancers' coach Tom Tuite decided against it because of a sore knee.

"There was no sense in taking a

chance with a kid of his quality," Tuite said. "With the cold and windy weather, it was a little more risky."

Davidson said his injury is not serious.

"It's a slight muscle strain behind my knee," he said. "I'll be ready by Monday."

Davidson feels the 200 meters serves as an important preparation for the 400, his favorite race.

"The 200 helps me improve my speed," he said. "I'm not a power runner like some 400 runners, so I rely on my speed in the last half of a race. If I'm running well in the 200, I should be running well in the 400."

Davidson first emerged as one of Northern California's top 400-meter performers in last year's CCS finals, when he surprised two-time defending section champion Kerry Threats of Westmoor.

"I remember the look of surprise on Kerry Threats' face when I passed him on the stretch," Davidson said. "I don't want that to happen to me. If someone's going to beat me, I'll be ready."

Threats now competes for San Bruno's Skyline College.

In other boys' events, San Mateo's Matt Giusto won the 5,000 meters in 15:09.7 and Mills' Chris Becerra took the 1,500 in 3:58.0.
