Woodside girls stand out

Special to The Times

STANFORD — While Woodside High's Wendy Brown was busy establishing herself as one of the all-time best female triple jumpers in the nation, Wildcat teammate LaShun Peters was just as impressive in Saturday's Stanford Track Invitational in the high school division.

Brown triple jumped 41-6½ to again better the recorded national mark. Brown had jumped 41-11½ last weekend in an unrecognized bid for the national record.

Brown also won the long jump in 18-4¾, and did the 100 low hurdles in 14.38 to win that event.

Peters took both the 200 and 100, with times of 25.9 and 12.5 respectively.

Peters and Brown also helped Woodside's 400 meter relay team to a first-place finish with a 48.65 best in the Central Coast Section this year. Peters took the baton as the third runner and raced into first place. Brown extended the winning margin running anchor.

"I saw the girl had five yards on me," said Peters. "So I just did what I had to do — catch her."

Peters runs while chewing gum because "it keeps me relaxed," she said. "When I finish I don't breath as hard."

Woodside finished second to Gunn in the girls' meet, with Menlo-Atherton fourth.

M-A was led by Winnie Burns'

first-place finish in the 800. MA's Sandrine DeMarvel won the two mile in 11:55.3.

In the boys' meet, Woodside finished second to Gunn, and MA ran an incomplete team.

MA's Tony Parise leaped 6-6 in the high jump to win that event. Other Bears' winners included Ben Valpey (10.25 in the two mile) and Steve Toney (13-0 in the pole vault).

For Woodside, Troy Garner won the 100. Andre Taylor took the 200 and the Wildcats' mile relay placed first in 3:33.4.

Meanwhile, in San Jose, Menlo School's Bill Cochran won the high jump with a leap of 6-3 Saturday in the Valley Christian Track Invitational at San Jose City College.

Burlingame's Silvia Aguirre was the lone other local winner, taking the two mile in 12:00 and placing second in the mile in 5:30.2. Sherry Bertram was second in the high jump for Burlingame, and teammate Jennifer Friedman was second in the 100 low hurdles. Cathy Dunne placed third in the shot put.

Burlingame High's John Scopazzi was named Athlete of the Meet of the frosh-soph division.

Scopazzi set meet records with vic-

tories in the 800 (2:05.2) and mile (4:35).

Half Moon Bay finished second at Valley Christian. The Cougars won three events. The girls tied for fifth place. Burlingame was third in the girls' scoring.

Further south, Jefferson tied for fourth place with Palma (18 points) in the King City Invitational.

Maxie's 57.52 in 400 hurdles breaks national high school, American junior girls' marks

By Rick Eyrer

Special to the Times Tribune

Mills High School's Leslie Maxie ran the women's 400-meter hurdles in 57.52 seconds Saturday in Arizona to set a national high school girls' record and the American junior (under-19) record.

The old record was 57.60, set by Gayle Kellon of Walnut High last year in Los Angeles.

Maxie, a junior at Mills, set the record in the Sun Angel Invitational track meet at Arizona State University. She finished fourth.

"I was very nervous," said Maxie, who was competing against open national-caliber competition for the first time. "I just kept trying to tell myself, 'I can handle it. If I couldn't, I wouldn't be here.'"

"It was fun. It was an experience."

Maxie is the defending state high school champion in the girls' 400 meters.

Maxie's mark will not be recognized as a state high school record because the California Interscholastic Federation (the body that governs high school sports in this state) only recognizes marks set in high school meets.

In a nonleague invitational meet involving five Peninsula high schools Saturday at Stanford Stadium, Woodside's Wendy Brown surpassed what until Friday had been the national high school girls' triple-jump record with a leap of 41-6½. Unfortunately for Brown, however, Berkeley's Yvette Bates went 41-10 Friday in the Fresno Bee Games.

Brown, who has a wind-aided 41-11½ jump this year, was unaware of Bates' jump at the time of her

personal-best leap.

"I woke up this morning feeling like I could break the record," Brown said. "I was looking forward to it. It was a nice day, although it may have been a little too warm. It was a comfortable day to jump, and the triple jump pit here has good footing."

Brown also won the long jump and 100-meter hurdles and anchored the winning 400 relay team. Brown long-jumped 18-4¾ and ran 14.38 in the hurdles.

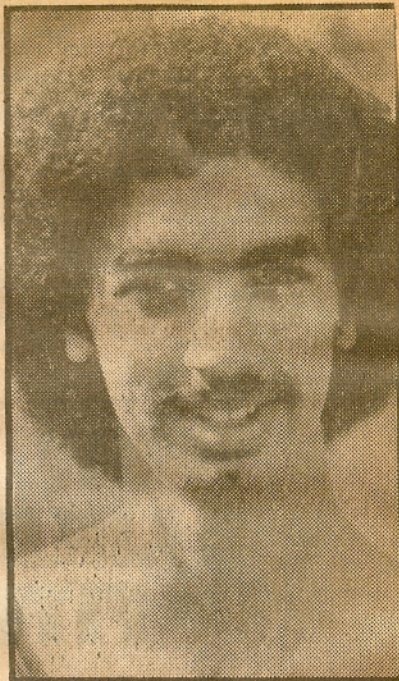

Brown joined LaShun Peters, Tina Robinson and Tira Maximovich in running a 48.65 in the relay, the fastest mark in the Central Coast Section this season.

Gunn beat Woodside, 59-53, to capture the girls' title. Palo Alto (50) was next, followed by Menlo-Atherton (47) and Los Altos (29).

In the boys' meet, Gunn scored 72½ points to easily outdistance Woodside (55½). Los Altos was third with 50½ points, followed by Palo Alto (48) and an incomplete M-A team (27).

Peters also had a solid day for Woodside. In addition to the relay, Peters won both the 100 and 200.

"If I know I can beat someone, I'm not going to be nervous," Peters said, "but if I don't know someone in the race, then I get a little bit nervous. I try to think about what I have to do, the time I want to run and how I'm going to do it. Sometimes I think about what I'm going to do right after the race. I was just trying to keep my stride and speed the same when I got out

in front (in the 200)."

Peters invariably has a fast start, which helped her run 12.5 in the 100. Peters has run an 11.8 in that event and believes she can surpass that time in the near future.

"I don't have a very good finish," Peters said, "so I've been working on getting a strong finish. I'm not too worried about my starts."

Peters ran the 200 in 25.9.

Danette Vercher won both the discus (123-0) and shot put (36-9¼) for Gunn.

Tanya Bynoe won the 400 in 1:00.64 and helped Gunn win the mile relay in 4:24.7. Bynoe also placed second in the 800 behind M-A's Winnie Burns.

Dave Campbell won two events for Gunn's boys, running 49.85 in the 400 and also winning the 800.

Los Altos' Jack Mohr won the discus at 157-11 and the shot in 52-9.

Palo Alto's Don Powell won the low hurdles in 15.68 and was narrowly beaten in the 100 by Woodside's Troy Garner, 11.73 to 11.75.
