Mt. SAC Relays

by Doug Speck

Prep Division

On Friday, April 25th and Saturday, April 26th, the preps moved into the Mt. SAC facility and put on their usual super show of great individual and relay events. With the West again blessed with many of the best in the nation, stars abounded during the two days of action. Janeene Vickers (Pomona) was extremely impressive over the hurdles and on the flat at 400m, Tami Stiles (Hawthorne) and Quincy Watts (Taft, Woodland Hills) were impressive in the sprints, Hawthorne and Muir (Pasadena) again lead the relay action, and Kamy Keshmiri (Reno, Nevada) led the field events with another top discus performance.

Miss Vickers is proving to be heads above everyone around here over the hurdles, and this weekend completed her hurdles-400m triple successfully by taking Princess Bennett of Compton in the flat event. On Friday afternoon Vickers and Bennett both anchored 800m medley teams with 400m splits under 54.0, with Compton emerging with the faster overall time, 1:44.3, which is the #4 All-Time California team. Saturday morning, early,

Vickers lined up against a top field in the 300m LH, and proceeded to blast that group by over a second and a half and lower her 43.41 National Best from Arcadia to 42.82 here. With some step problems down the long final straight Janeene looks capable of going close to 40.0 in a perfect race. Later in the morning the slim Pomona lass had no step problems during the 100m LH, riding a legal 1.5mps breeze and the Mt. SAC surface to a very impressive 13.56 which destroyed the old 14.13 meet record. Her 13.56 is the #2 time in the nation behind Yolanda Johnson (Denver, Colo), who put in a local appearance in the indoor season. With a bit more rest than at Arcadia when she tried an individual triple at the 300m LH, 100m LH, and 400m, Janeene lined up in the early afternoon to tackle the young lady who had bested her in a then-national best 54.26 at Arcadia. Princess is a very determined young lady, but Vickers was just too strong during the stretch run this week, recording a 53.28-53.85 win over the Compton star. This is the #2 time in the nation behind Andrea Thomas (Bronx, NYC), who has run in the high 52's. Compton came back late Saturday afternoon, and in a good race with D.F.-Mexico recorded a new state best for 1986 in the 4x400m relay. Tina Davis (59.4), Kim Milligan (59.0), and Bernitha Whitmyre (59.7) preceded Princess Bennett's 53.3 anchor in a fine 3:51.22.

Tami Stiles (Hawthorne) brought her sprint act to town. In the 100m Hawthorne teammate Dina Thomas had a sling-shot start, but once Stiles gets rolling it is all over for most prep female sprinters. With a legal 1.3mps breeze Stiles went from a meter behind at 80 to two ahead at the finish in her 11.7-11.9 win over Dina. Stiles exhibits a grace and strength that few Southern California preps have had at top speed. Gail Devars, Valerie Brisco, Gwen Loud, Chewakli Knighten, Sherri, and Denean Howard are recent Southland greats who come to mind as having this ability to leave you breathless as they shifted into the gear that Tami has been blessed with. Ashley Rhodes (Mt. Miguel, SD) looked good in a Race 2 100m win in 12.08. The 200m was a replay of the 100, but Stiles rolls into high gear as the race comes off the turn, then steadily and decisively moves away from the pack over the final 100m. Here she bested an excellent group by .78 in 23.89w (+2.75mps). Angela Burnham (Rio Mesa, Oxnard) was 2nd at 24.67w, continuing her fine first year of high school sprinting. In the 4x100m relay, Hawthorne, with Dina Thomas, Dee Dee Wheeler, Deanna Amy, and Stiles (the last three off its 45.11 National Record setting 1985 group) has not been able to put it quite all together this spring. Here, Wheeler was in her first meet back after minor hamstring problems, the passes were so-so, but the group still ran easily the state's best of 46.21, winning by 25 meters. Last year the record setters raced 45.29 here. In the 4x200m, with Tamiko White replacing Wheeler, the Cougars rolled to one of their 50m wins, recording the equal #10 All-Time U.S. Prep mark in the event, at 1:37.8. In the 4x800m Hawthorne was also the winner, with an underclass group of Kendall Stoval (2:23.7), Illana Mozingo (2:26.8), Micki Poolé (2:26.4), and Christina Ross (2:22.1) running 9:36.5. Mozingo has quite a range, having run 14.7 for the 100m LH this spring. Illana started off the Shuttle Low Hurdles team with a 15.3 today, with Tamiko White (15.1), Nicely Smith (16.5), and Sharon Edmunds (14.9) completing the squad's 61.8 Invitational Race win.

Kamy Keshmiri (Reno, Nevada), who rocketed a nation-leading 199-2 in winning at Arcadia, came south again looking for big things. With the five longest throws in the competition he continues to look for some good competition, but after a fine 193-5 on his second toss Kamy lofted his 5th throw way, way out there. His toss proved to be far beyond what

anyone was prepared for in this prep competition, because right in the middle of the sector at about 205 feet was your basic school desk and chair set-up. Sailing like it had radar Kamy's implement landed right in the middle of the seat, rendering the entire set up a bit uncomfortable for future students. Anyway, after they figured out where it hit (the incident probably cost him a foot and a half) it measured out to 203-5, and another National Leader for the day.

In the Men's sprints there were top groups. In the 100m Karl Stewart (Galileo, SF) joined a top Southern California field. Quincy Watts (Taft, Woodland Hills) had run a number of good dual meet times, and pushed defending state sprint champ Ron McCree (Madera) to the limit at Arcadia in losing by .02 in a 21.37 200m. Development comes fast for youngsters, and Quincy looks better week by week. A tall, smooth, and strong looking runner who really seems to get lift from powerful arm action the last third of his race, Quincy simply destroyed this 100m group over the last 30 meters, racing from out of the pack to a two meter win at 10.61 (wind 0). The match-up in June with McCree will be interesting, since Watts will only get better. Late entrant Kevin Hendrix (Roosevelt, Fresno) looked good in a Race 2 win at 10.74. However, the 200m or 400m will be Watts' best race later in his career, as in the 200 here his vigorous arm action had him blast away from a good group in a windless race to record a 21.03, the #2 time in the nation. Henry Thomas (Hawthorne), who did some real damage before his prep career ended, recorded a 21.02 best by the end of his soph season, and a guy named Roy Martin, who went on to set the current prep National Record at 20.13, has the national soph record at 21.00. Mr. Watts is already running in some select company with the meat of his season left.

In the Men's relays Muir tried for another 4x100, 4x200, and 4x400 sweep.

In the 4x100m a team of Thomas Limbrick, Corey Ealy, Ricky Ervins, and Tyrone Jeffries recorded the nation's best clocking of 40.93 in winning the Invitational race by 10 meters. Hawthorne raced frosh Curtis Conway, sophs Travis Hanna and Leroy Thomas, and junior Robert Carroll in 2nd at 41.82. In the 4x200 Muir ran the same team and won by twice as much, 20 meters in a 1:26.36 run over Galileo of San Francisco's 1:28.08. The afternoon's final prep event, the 4x400m was a classic. Soph Travis Hanna anchored Hawthorne to victory at Arcadia with a 48.6 leg. Here, Muir anchor runner Tyrone Jeffries had a full 8 meter lead over Travis as the two began the stretch run. Amazingly, the fluid Hawthorne soph did not make a real dent in the margin until 50m to go, where he shifted into a gear a talented athlete develops as a part of Coach Kye Courtney's rigorous sprint training program. Seeming to be going twice as fast as Jeffries at the finish Travis looked as if he had not even been on the track the first 350 meters—his 48.4 split took Hawthorne to a 3:15.81-3:15.89 victory. Frosh Curtis Conway led the Cougars off with 49.5 out of the blocks.

Newbury Park's Women's group is undefeated in distance relays this spring, and they put together a very special effort in the Distance Medley here. With Lara Nesbitt leading off (1200) in 3:46.8, Leslie Weak covering one lap in 61.8, and tenacious frosh star Amy Nesbitt pushing through a basically solo 2:16.0 800m, anchor runner Melissa Sutton lacked opposition company through her anchor 1600, covered in a fine 4:58.9 with the team finishing in a super 12:03.80. This is the #12 All-Time U.S. Prep performance ever, and the third fastest California team ever behind Uni of Irvine's Meet and National Record 11:43.53 (1982) and Santa

Barbara's 11:56.9 from 1981. Bella Vista (Fair Oaks) recorded a fine 12:15.51 in 2nd (#14 All-Time California team). In the Men's Distance Medley, Villa Park's Jim Sorenson, a 1:53.8 800m runner, put his team out in front with a 3:05.8 1200. Rosemead's Chris Jimenez, a 4:18.7 1600m star, clocked a fine 3:06.3. Eric Sach's 2:00.7 800m gave VP anchor runner Bill Meyer a narrow lead over Aaron Moscarro (Rosemead) to start their 1600m leg. Moscarro tried to edge by with 200m to go in a torrid final lap, but Meyer rocketed away on the homestretch to win in a state-leading 10:18.73. Meyer clocked 4:19.6, with Moscarro 4:19.5.

Fine Flicks by Don Gosney

Laura Chapel (S.D. University HS) won the Mt. SAC 1500 in 4:28.96.

National Mile leader Laura Chapel (University City, San Diego) was the headliner in the Women's 1500m, and she let no one down, taking over the best time in the country at that distance also. Facing a very mature looking Maria Carmen Diaz of CREA-Mexico, Laura showed her kicking ability the final 100 meters in her 4:28.96 win. Darcy Arreola (Grossmont), the nation's #3 returnee in the 800m at 2:09.06 headlined and demolished the field in that event. In virtually a solo effort Darcy looked better than ever in running 2:10.0. At 3000m Tracey Williams (Mountain View, El Monte) started very fast, coming by 1600m at 5:01, then slowing a great deal in the next couple of laps. Mexican visitor Diaz crept caught up and raced away over the final 400m to record a 9:41.6-9:53.1 win, with Saugus fresh Heather Scoble 3rd at 10:07.9.

In the Men's 1500m, with the Mastalir's off setting National Distance Medley Relay records elsewhere, this event was left to Southern California's best. Daren Stonerock (Saugus) found even he could not handle his 2:04.9 800m pace and he dropped back quickly. Over the final lap it boiled down to Jim Zimmer (Simi) a 4:13.48 1600m type, Raul Serratos (Moreno Valley) 4:14.68-1:53.35, and 1986 star Mike McCracken (Loyola, LA) 4:13.63. With 150 meters to go we found who had the best kick, as Serratos repeated the finish that took him to the Southern Section State Qualifying Meet win at 1600m here last May, as he rocketed away to win by over a second from McCracken, with Zimmer in 3rd at 3:52.89-3:53.98-3:55.25.

On Friday afternoon, Daren Stonerock pushed the pace hard all the way in an excellent 8:25.5 3000m. Rosemead junior Aaron Moscarro pressed the Saugus star on the last lap and recorded by far his best track race ever in 8:25.9 for 2nd. Over 800m Cuetemoc Benitez (CREA-Mexico) continued to pressure Vincent Thompson (Locke, LA) after a quick 52.6 first 400m. The strong duo battled every inch of the final 200m, with the American prevailing by .05 at the finish 1:51.51-1:51.56 (Thompson's win is the #3 time in the nation in 1986). An interesting state match-up will come with Neil Fitzgerald (St. Ignace, SF), who destroyed the South's best by three seconds at Arcadia at 1:52.57.

Eric Bixler (Dos Pueblos, Goleta) was a winner at Arcadia at 400m as a virtual novice in the event. After blazing a 47.3 relay leg Friday here, Bixler steadily lifted away from a top group in the Saturday Invitational event over the final 150 meters to win in 47.79 (new state leader) over Kevin Hendrix (Roosevelt, Fresno) 48.69. Amazing Hawthorne soph, Travis Hanna took Race 2 in 48.65, exhibiting an amazing lift near the end and previewing his later 4x400m relay abilities.

Terry Johnson (Katella, Anaheim) continued his undefeated season in the 110m HH's with a fine 14.04 run that had him edge decisively away over the last couple of flights. Rodney Bradshaw (Saugus) 14.35 and Mark McKinney (Western, Las Vegas) 14.40 also ran very well in Terry's wake. Loyola's Eddie McElroy charged a steady race to win the 300m IH in a fine 37.99 over Bradshaw's 38.09.

The Women's Discus featured three of the country's top four throwers. Lori Parker (Ramona) took over the National lead the previous weekend at 162-0, with Tracy Crawford (Southwest, SD) the Arcadia winner at 153-8, and defending state champion Lil III (Nogales, LaPuente) at 150-7 (162-2 1985). Parker ended the suspense early here, blasting her first throw out to 151-0 while competing in an early flight. Lil had one good toss, at 147-0 1/2 (4th round) and Crawford was out to 143-1 1/2 for 3rd. A fine women's High Jump field featured five with bests between 5-9 and 6-0. Yleana Carrasco (Anaheim) decided it was time to get in gear after only a 5th at Arcadia (at 5-4 in a meet where she cleared 6-0 last year). Debbie Orr (Ocean View, Huntington Beach), the state's best all-around jumper, had improved to 5-9 two days previous, and revived 5-11 (1985) jumper LaShawn McBride (LB Poly) was here. Orr and McBride joined Carrasco over 5-8 today, with Carrasco also over 5-10 on her first attempt. McBride negotiated that height on her second attempt, while Orr could not clear that barrier. Carrasco was the winner on the count-back. In the Women's Long Jump Diamond Bar's Rosalyn Mitchell continued her comeback from a mild hamstring problem, handling a top group here with an 18-7 1/2 leap. Gretchen Jiles (Western, LV), who jumped 19-4 two weeks previous, was 2nd at 18-2 1/2. In the Triple Jump Debbie Orr (Ocean View) handed Jackie Anderson (Mt. Miguel) her first defeat of the year 38-3/4 to 38-7 1/2 w. In the Shot state leader Brandi Gail (Rowland) could not overcome a 3rd effort 42-11 by Tracy Crawford (Southwest), and suffered her first loss of the year with five puts over 41-5, but with a best of only 42-3.

In the Men's Shot Brian Bogges (El Capitan, Lakeside) exploded on his first toss to 59-7 in extending his seasonal best by over a foot and a half in winning easily over soph Kaleaph Carter (Edison, HB) at 57-6. Dan Covarubias (Jordan, LB) became California's latest 16-footer with a clearance of that height two days previous in a dual. His match up with undefeated 16-footer Steve Williams (Servite, Anaheim) would be interesting. Dan cleared 14-0, 14-6, and 15-0 on his first at-

tempts, but could not negotiate 15-6, a height Williams cleared on his first try to take the win. Doug Miller (Estancia) was over 15-0 for 3rd. In the Triple Jump Dario Robinson (Covina) joined a large group with credentials in this event to go 48 feet consistently, winning at 48-2 1/4 w over Terrence Williams (Muir) 47-4 3/4 w.

Los Gatos had a fine weekend. In the 4x1600m relay Friday evening Coach Willie Harmatz' group rode Eric Wendling's 4:29.1 and Scott LaForce's 4:18.9 to race away from the field in the final two legs on the way to a 17:52.1 win over Rio Mesa (Oxnard) 18:02.9. Walnut High may have established a national record of sorts with their 18:11.3 win in the second level race, as the team's four frosh-soph members averaged under 4:33.0, anchored by Scott Hempel's 4:22.2. Saturday morning in the 4x800m Los Gatos was again victorious. LaForce (1:56.7) and Wendling (1:55.8) again handled the last two legs after Kevin Baiko (1:59.0) and David Hastings (2:00.8) kept the 7:52.23 team competitive through the opening four laps. In the Sprint Medley, Centennial (Compton), with Larry Brother, Mark Briggs, Marvin Briggs, and Demitrios Moore running a fine anchor 800m was the narrow winner over LB Poly 3:32.29-3:32.48. In the Shuttle High Hurdles, Estancia (Costa Mesa) had a fine foursome of Eric Dorn, Tom McCarthy, Doug Miller, and Brian Sherrard that averaged 15.1 per runner on the way to their 60.4 win. Some other fine unofficial splits during this event were Tim James (San Dimas) 14.2, Dana Hall (Ganessa, Pomona) 14.2, and Robert Morris (Hawthorne) 14.2. Dorn came back to win

the Invitational Long Jump, putting four leaps out past those of anyone else in the field in a 22-9 1/2 win.

There are a ton of Southern California jumpers stuck between 6-6 and 6-8. Seven made the 6-6 standard here, with Derrick Moore (Millikan, LB) again proving to have just a touch more than everyone else with his second effort 6-8 clearance that was enough to win when no one else could clear that height.

Edison of Huntington Beach, off Nicky Ritcho's 5:00.3 anchor leg was the top California prep team at 21:20.4 behind a visiting team from Mexico's 20:49.6. Edison's time is the #19 All-Time U.S. prep mark in the event.

SoCal Diary, continued from page 15:

toward the affected schools. Most people who are on top of the prep scene in SoCal are aware of this situation, thus it is for the benefit of those readers outside the area that I make the comments.

The State Commission on Community Colleges has come up with a new rule on recruiting, or at least a new version of an old rule which requires prospective athletes who live outside the school's district boundaries to make first contact with the coach before being recruited. You'll have to excuse me while I laugh about this one, I just can't picture top recruiters like Ron Allice, Doug Wells, and Skip Robinson sitting around their desks waiting for the phone to ring. A coach would have about as much

chance of an athlete calling him first as a guy would have of a girl calling him up for a date.

Even though some CCs could recruit a full team from within their own school boundaries, most top coaches wouldn't be satisfied with the quality and would go outside for the prime beef. In conclusion, this rule is contrary to human nature and is destined to become one of the most abused statutes since prohibition.
