Pomona's Vickers dominates CIF girls sprint events

By **BRUCE BURTON**
OF THE SACRAMENTO UNION

Can a person win three individual events at the California Interscholastic Federation State Track Meet, thoroughly dominate the proceedings, and not be totally happy?

Yes, when that person is the wonderous Janeene Vickers of Pomona high school.

The UCLA-bound sprinter/hurdler is so far ahead of her competition that mere victories no longer suffice.

Wins in the 100- and 300-meter hurdles and the 100-meter dash Saturday at Hughes Stadium provided enough happiness that a pizza party is on tap when she gets home.

But memories of a fourth title slipping away in the 400-meter relay, plus a bumbled chance for a national record in the 300 hurdles will probably leave the pie tasting a little sour.

"I feel like I should be more excited than I am," said Vickers, who ran the second-

'She's a good athlete, obviously, but she's more of a strong person than a quick person. She's really not particularly quick at all, just very strong.'

— Stacy Rogers on Janeene Vickers

fastest prep 300 hurdle time ever (40.26) in Friday's trials.

Saturday, she won the finals easily in 40.96, but lost a shot at the record of 40.18 when she misstepped before the final hurdle.

Earlier, the Pomona 4x100-meter relay team dropped the baton on the first exchange and failed to finish.

"I feel our relay team could have won," Vickers said. "We came in ranked third, but I feel we had the best girls."

"Personally, I'm happy with myself, but the other three girls are real upset."

At least they didn't have to run against her all day. Valley High School's Laurie Smith and Johnson's Stacy Rogers had to face the senior in all three of her victories.

Still, Smith grabbed third place in the 300 hurdles in 41.94, while Rogers finished fourth in the 100-meter dash in 12.03.

Smith also finished a slightly disappointing fifth in the 100 hurdles in 13.96. Vickers' winning time was a national season best 13.34.

Smith was satisfied with her run in the 300 hurdles. She used a 15-step technique for the first three hurdles for the first time,

then trouble struck.

"I used 15 steps over the second and third hurdle, but on the fourth hurdle I went 16 steps and went over on my opposite (right) leg," said Smith, who also ran a blistering 54.5 second leg on Valley's fourth-place 1,600-meter relay squad.

"On the first and second hurdles I felt myself going over the same time Janeene was, but she goes 15 steps the entire race."

As it turned out, even Vickers failed to go 15 steps the entire race on this day. As she attempted to go for Leslie Maxie's national record, Vickers extended herself a bit and ended up hopping over the final hurdle.

"After the 100 meters, my head wasn't into (the hurdles)," she said. "I came out dragging, but at one point my mind was made up to go for the record. I sped up to 100 speed down the stretch and that's where I messed up."

"I've always had a conflict with the

hurdles in the 300. I've never liked them and they've never liked me."

Rogers led Vickers and the entire field for 70 meters in the 100 before finishing fourth. The tiny senior couldn't hold off Vickers and company down the stretch.

"It was the same as usual when I get into competition," she said. "They caught me at the end, but I'm pleased. At least I can say that I won for the first 70 meters."

Rogers was especially impressed with the 5-foot-7, 136-pound Vickers.

"She's a good athlete, obviously," she said, "but she's more of a strong person than a quick person. She's really not particularly quick at all, just very strong."

"I'm not quick, but I'm fast," agreed Vickers, who credited her strength on the fact that she was a quarter-miler before concentrating on shorter distances.

Robinson, Mendoza lead CCS assault on state titles

By Marvin Wamble
Mercury News Staff Writer

SACRAMENTO — Within the first 30 minutes of the California Interscholastic Federation State Track and Field Championship finals Saturday, the Central Coast Section had two state high school champions.

The section ended up with five title-holders: Bellarmine's Scott Robinson in the boys' 1,600 meters; Mary Mendoza of Presentation in the girls' 3,200; Luis Juico of Piedmont Hills in the boys' high jump; the St. Francis girls' 400-meter relay team of Joslyn Mack, Jennifer Jackson, Roslyn Mack and Karen Lawson; and Lawson in the long jump.

The St. Francis girls tied for third place in the meet with 22 points, trailing state champion Pomona (30) and Long Beach Poly (28). Hawthorne won the boys' title with 34 points.

It was the St. Francis relay team and Robinson who posted championship performances during the first four events of the meet finals.

The memory of Joe Amendt propelled Robinson to a victory Saturday at Hughes Stadium.

Amendt, from James Lick, was the only runner to defeat Robinson this year, sprinting past the senior in the final 50 yards of the CCS 800-meter final. Though Amendt wasn't in the state meet field, Robinson didn't want any repeat performances.

With 200 meters to go Saturday, Robinson was trailing Paul Thorn-

as of Jesuit High in Carmichael. Then Robinson turned on the gas.

"I was remembering Joe Amendt," Robinson said after racing to a lifetime best of 4 minutes, 7.95 seconds. "Nobody was going to beat me in the last 100 yards. I swear I saw his face out there."

Sprinting for the lead was a unique experience for Robinson. "I've never had to do that in my life," he said.

As for his time, "I love that; that was my goal," said Robinson, who wore his favorite red bandanna around his head like a sweat band. "I had 4:07 posted all over my room."

Robinson couldn't have been

happier with the result of the girls' 3,200, which his girlfriend, Mendoza, led from start to finish. She crossed the tape in a lifetime best time of 10:23.04.

Usually when Mendoza runs, she pays close attention to her coach, particularly listening for her lap times. She didn't on this warm, humid evening. "I wasn't paying attention to my lap times. I was just running to win," she said. "Every time someone came on me I felt like I could hold them off. My concentration was a lot stronger in the two-mile than it was in the mile."

Mendoza placed third in the 1,600, in 4:52.83.

St. Francis' foursome was elated after winning the 400 relay in 47.95 seconds. "We just wanted everybody to be aggressive and run hard," said Lawson, the only senior on the team. "We had set a goal to run under 48 seconds, and we did it. I'm really happy."

St. Francis benefited when runners from Pomona, the event favorite, dropped the baton between the first and second legs of the race. By that time, Jackson was roaring down the backstretch, setting up the final two legs.

"Jackson ran the best backstretch she has ever run," said St. Francis Coach Steve Filios, who saw the same four girls finish fourth in this event last year. "She was the key. She gave Roslyn a five- to six-yard lead."

"We were confident we could win the race," Filios said. "... We passed the baton as well today as we have in two years."

Juico soared to a lifetime best of 7 feet in the high jump, the final event of the night. He failed on three jumps at 7-1.

Lawson's winning long jump was 19 feet, 1½ inches.

In other top performances:

✓ Effie Daetz of Leigh placed second in the girls' 300 low hurdles in a personal-best time of 41.86. She finished third in the 100 lows in 13.76.

✓ Jenny Peters of Gunn placed third in the girls' discus with a throw of 138-5.

✓ Heidee Ruiz of Los Gatos finished third in the girls' shot put with a throw of 38-6.

✓ John Wirtz of Leland was third in the boys' discus at 178-5.

✓ Riordan's Tony Miller was fifth in the boys' 100 (10.71) and fourth in the 200 (21.51). His teammate Reggie Jackson was third in

the triple jump at 49-1½.

✓ Andreen Alvarenga of Mitty was third in the girls' 400 (54.75) and seventh in the 200 (24.96).

State High School Track and Field Championships

Watts Wins Tuneup for Sprint Showdown

By SCOTT HOWARD-COOPER, Times Staff Writer

SACRAMENTO—They didn't have to wait until today for the Friendship Games of high school track, also known as Quincy Watts vs. Corey Ealy.

The 100-meter showdown between the two best sprinters in California came to pass Friday afternoon, even if it was only in the preliminaries at the State championships. Either way, such opportunities are not to be taken for granted.

Watts, the Woodland Hills Taft junior, beat his good friend Ealy, the Pasadena Muir senior, in the first heat of qualifying at Hughes Stadium, just as most people expected. The times were rather pedestrian compared to recent efforts—10.55 for Watts, 10.67 for Ealy to finish second—but that was more of a teaser than the actual prime-time production.

That much should come today, when Taft, Muir and Hawthorne pursue the team title. As far as individual chases go, it's Watts against the field in the 100.

Ealy, who, like Watts, has a legal best of 10.36 this season for the No. 1 time in the country, will be in it, as will his Muir teammate, Ricky Ervins. Add Calvin Holmes of Carson, running very well after hamstring problems, Tony Miller of San Francisco Riordan, Patrick Rowe of San Diego Lincoln, Darren Stringer of Vacaville and Raymond Elbridge of San Diego Crawford and you have a very solid field.

The 200 also is solid, led by Watts (a best of 20.69 this year) and Ealy (20.80). Both won their heats, and Ealy also had a great anchor in a 400 relay heat, moving Muir from fourth to first while overtaking another fine sprinter, Robert Carroll of Hawthorne.

The girls' 100 had a confrontation of its own—Janeene Vickers of Pomona, with the No. 1 time in the State, against No. 2 Maddette Smith of Quartz Hill. The favorite won there, too, as Vickers took the heat in a hand-timed 11.6.

Beyond The Showdowns, there was The Mowdown: Vickers vs. the clock in the 300 low hurdles.

Vickers won a gold medal at the World Junior meet last summer in Greece, an indoor national title earlier this year in New Haven, Conn., and four Southern Section championships two weeks ago at Cerritos College. What is left for Sacramento, beyond the obvious State wins, is the record book, and Vickers came close to clearing that hurdle, too, in the preliminaries.

She won her heat in 40.26, a mark that is topped only by the 40.18 of Leslie Macale of Millbrae, Calif., in 1984.

There were a couple of big disappointments. Mike Bain of Newport Beach Corona del Mar, who has the second-best mark in the State this year in the discus, qualifying 10th and failed to advance, and Shelton Boykin of San Fernando, tied for No. 1 in the 110-meter high hurdles, crashed into the final hurdle and failed to qualify.

Prep Notes

Pole vaulter Brent Burns of Lafayette Acalanes had a leleury day, especially for someone defending their State title. The competition opened at 13-4, easy pickings for someone who has done 17-5 1/2, so he passed the first five heights before clearing 15-0 on the first attempt. Jeff Lamonte of Sun Valley Poly, Lynn Ford of Sylmar, Tom Richards of Santa Barbara San Marcos, Steve Slocum of Santa Ana Foothill, Tom Parker of Sherman Oaks Notre Dame and Jeff McKee of Downey were among the 11 qualifiers at 15-0 for the final. Burns is attempting to become the first back-to-back winner in the event since Anthony Curran of Encino Crespi in 1977 and '78.

Some seasons are winding up as well as could be hoped, but others are beginning to unravel from injuries.

Those San Diegans winding up their season at today's California State CIF boys and girls track and field meet here at Hughes Stadium include leading qualifiers in four events, 11 section bests and three others who tied section bests.

The leading qualifiers with the best shot at state titles are Mount Miguel senior Jackie Anderson with a 40-4 in the girls triple jump, Mt. Carmel senior Shan Forehand in the boys 800 meters with a section-best 1:53.03, Fallbrook junior Kristina Hand in the girls 800 with a 2:13.31, and the Morse girls 400-meter relay team with a 47.23.

The first finals event is the pole vault at 2:30 p.m. and the first running event is scheduled at 6.

However, two seasons came close to unraveling as Morse senior Yolanda Fitch and Monte Vista senior Matt Farmer are just trying to hold it together for one more day of competition. After running the third leg of Morse's 400 relay, Fitch aggravated a sore muscle and was forced to withdraw from the open 400 and the 200, and the Tigers also dropped out of the 1,600 relay.

"The girls want to go out with a gold medal," Morse coach Mike Klepper said in explaining Fitch's decision to drop her individual events. "She should be OK for the relay, so she didn't want to risk it (winning the 400 relay) in the other events. Winning the 400 relay is what they've been working for."

Two weeks ago, the Tigers lost senior leadoff leg Shawnette Sapp to a hamstring injury. She was replaced yesterday by sophomore Angel Leath, who ran an impressive leg.

Farmer sprained an ankle while warming up for the triple jump and was forced to scratch, but the injury didn't prevent him from matching his section best of 6-8 in the high jump. Poway's Lance McGrath joined him at 6-8.

In one of the strongest showings in years by San Diego County preps at the state meet, 15 boys in 18 events and two relay teams qualified for the finals. There were 10 girls in 11 events and three relay teams.

It was a particularly strong showing by the boys, who have been overshadowed by the girls in collecting state medals in recent years. Despite the loss of San Diego High's Marc Davis, the state favorite in the 3,200 meters before spraining his ankle at last week's San Diego finals, San Diego boys are represented in 15 events -- every one but the discus.

To lead the 800, Forehand had to use his explosive kick to catch Monte Vista junior James Fraser at the finish. Fraser had the second best time in 1:53.49. Both marks are lifetime bests.

Morse junior Mark Stevenson was one of the biggest surprises with his 47.6 in the 400, the day's second best mark and a San Diego section best. Ramona's Pat Alduenda also qualified second, clearing 15-0 in the pole vault. He was joined by Vista's Jay Rafail in the finals.

Two of the most impressive performances came from Lincoln senior Patrick Rowe and Crawford senior Raymond Ethridge, who proved they could keep up with one of the strongest sprint casts ever assembled in the state meet.

The state has the nation's three fastest in the 100 -- Quincy Watts of Woodland Hills Taft (10.36), Corey Ealy of Pasadena Muir (10.36) and Tony Miller of San Francisco Riordan (10.41). Rowe and Ethridge were both given 10.5 hand times when the automatic timing failed.

In the 200, Ethridge won his heat with a 21.00, but the automatic timing failed in another 200 heat, and when hand times were compared to select the nine fastest marks, Ethridge was credited with a 20.7 that tied him for the best mark along with Riordan's Miller. Watts, the national leader at 20.69, had a 20.8. Rowe also made the finals with a 21.4.

"I like Raymond's chances in the 200, and I like my chances in the 100, provided I get a good start," Rowe said. "I felt good about my 100. I got a decent start and I pulled on some guys."

Another impressive San Diego sprinter was Morse senior Kim Matthews. She anchored the 400 relay team and set section bests in the 100 (12.03) to qualify sixth and in the 200 (24.09) to qualify third.

"To be truthful, I feel about the same about the 100 and 200," Matthews said, "But the 200 is my race."

Another surprise came from San Diego's youngest section champion -- Fallbrook freshman Brent Noon. He set a state meet shot put record for freshmen with a 58-1 3/4 to qualify fifth.

"I've been working on my techniques and everything is coming together," Noon said. "I'd like to get the national freshman record of 60-3."

Other section bests were recorded by San Marcos' John Petros in the 110 high hurdles (14.3), Mount Miguel's Kevin Jones in the 300 intermediate hurdles (37.90) and La Jolla's Charles Huff with a 23-5 3/4 in the long jump. Huff also made the finals in the triple jump with a 47-7 3/4.

The Crawford boys relay team broke 42 seconds with a 41.69 that ranks fifth and the Morse 1,600-relay team turned in a 3:17.15. Serra's Lynn Patrick matched her career best of 5-8 in the high jump.

Simmons lone track survivor

By DAN LISTOE

SACRAMENTO — They came, they saw but they did not conquer.

The Redwood Empire's track and field elite, led by Santa Rosa's Shawn Hanna and Wendi Simmons, El Molino's Sharon Polley and Montgomery's Pewee Lemus, almost came up empty in Friday's trials of the State CIF Track and Field Championships at Hughes Stadium.

Simmons, who was competing in four events — long jump, triple jump, 400-meter run and 300 low

STATE PREP TRACK

hurdles — is the lone Empire athlete to be assured a berth in today's finals by placing third in her heat in the hurdles in 43.87.

Polley, the Empire's sprint champion, will be battling for her life in a runoff today with five other competitors for the final spot in the 100-meter dash field. Polley ran 12.42 to place sixth in her heat.

Simmons, who triple jumped 37-3½, long jumped 18-4, and ran the 400 in 57.4, failed to qualify for the finals in any of the three.

And in the 300 hurdles, she'll be running in today's finals against Pomona's Jensen Vickers, who shattered the State Meet record with a time of 40.26 in Friday's trials. That's just off the national mark of 40.18 held by Leslie McKay.

Simmons had a rough day all around. In the hurdles she went off her wrong foot on all but two of the hurdles, and after failing to place in the 400, she said, "I was disappointed. I had no snap out of the blocks. I felt strong on Monday but my strength was really down today."

Hanna ran 22.28 in the 200 and 48.7 in the 400 to place ninth and fourth in his heats, and Casa Grande's sophomore sprinter Marcel Lawson was a non-qualifying fifth in his heat in 11.62.

Most disappointed athlete of all was Santa Rosa's Sean O'Leary, who sat out the meet with the chicken pox. Santa Rosa's 1600 relay team, which ran 2:18.8 last week, ran out of the money in 3:21.34 without O'Leary in the quartet.

Fort Bragg's Tim Estes was ninth in 15.23 in his heat in the 110 high hurdles.

Polley ran 25.09 in the 200 to finish 14th overall. Lemus was eighth in her heat in the 100 in 5:12.1, and Sonoma's Lori Leverett and Dawn Pittman ran 2:18.09 and 2:18.83 in the 800, both non-qualifying times.

Also failing to reach the finals was Rincon Valley Christian's Dana Briggs in the shot put, whose best throw was 35-2½.
