## Mt. San Antonio College Invitational

Wainut, Ca - Friday, April 14th

\* = visiting foreign athletes from Mexico, Canada, or Australia

### By Doug Speck

Some fine action highlighted the prep portion of the Mt. SAC Relays, with the preps an all-Friday configuration on the Easter Weekend of April 14-15-16.

Michael Granville, hot off his 1:47.96 800m the weekend previous at the Arcadia/Foot Locker Meet, would race a 400 meter race here. Without much competition, second was 49.16. Michael impressed greatly as he rocketed out in 21.8 (200m) and finished with a powerful 46.49. In a hot 200, with 2.4 meters per second of wind behind the contest, Granville was third at 21.41 behind Vince Williams (21.20w) and Bryan Harrison (21.30w), the latter a soph who is opening some local eyes with

his dashing.

On the girl's side, it was Long Beach Poly relay action. In the 4x100 the Jackrabbits were smarting from a rare defeat the previous weekend at Arcadia at the hands of James Logan (Union City), with the crew exploding to a 45.60 here, the #9 prep mark of all-time. In the 4x200 the group had a shot at the National Record of 1:36.46 Zahaela Showe (25.4), Aminah Haddad (23.7), Pam Simpson (25.3), and Andrea Anderson (22.7) blasted a 1:37.32, the #10 performance ever.

Berkeley came south once again and took the Boys 4x100 (41.58) and the 4x200 (1:27.49).

Super frosh, Angela Williams raced 54.79 in the 400, then blasted a 22.7 relay carry with a flying start for her team's sprint medley relay team. Antonio Arce (Palmdale) closed with a rush in the 1600, with a final 400 at 60 seconds in a 4:15.61 win.

## Mt. Carmel Invitational

Mt. Carmel H.S. (San Diego) Saturday, April 22nd - weather sunny and blustery

### By Doug Speck

Sunny and blustery weather greeted a good group at San Diego's Mt. Carmel Invitational on April 22nd. Despite the threat of rain during the week on the dirt track, the weekend broke with a pretty day.

Long Beach Wilson, led by LaKeisha Backus, blew into and out of town, with Backus sweeping the sprints (100m 11.85w) (200m 24.31) and separating the team from the pack in the 4x100 (47.74) and 4x400m (3:58.87 57.0 third leg) relays.

There were some other very strong fields in the Meet. Clinton Lane won the 400 at 48.62 over a strong local field, including Lydell Burston, who had just returned from the Kansas Relays

(where he won in the 47.20's). Burston and the entire Morse team was shocked by the wounding of sprint star Kunesha Miller the week of this meet, with the head wound minor, but giving all in the area a heck of a scare. Strong boy's hurdles fields had Chey Walker take the Highs at 14.33, with Felix Sanchez 38.08 in the Intermediates. Javier Ramirez came down from Ojai for the 3200 and looked good in a strong last 1600 in winning at 9:22.92, then added a snappy 4:22.2 on the sprint medley winners. Mike Brown had the best field event mark with a 15-8 vault.

Akiba McKinney (18-08.5w LJ) and Katie Suppa (41-01.5 SP) had good field event marks on the girls side.
