## Stafford leads Mariner girls to league title

SOQUEL — In her two years at Aptos High, Jessica Stafford won five league titles and finished second three times.

And in each of those years, Stafford has been the leading scorer at the Santa Cruz Coast Athletic League track and field championships.

By scoring 36 points Saturday, after scoring 38 last year, Stafford not only repeated as the Bob Ensweiler Award winner emblematic of the meet's leading scorer, but also led Aptos to another SCCAL triumph at Soquel High.

It was the sixth team victory in the past eight years for the Mariners, who expected a close meet, but instead were never threatened.

Despite four victories from junior Maggie Vessey, Soquel was not able to match Aptos's 163 points. Soquel was second with 138, followed by San Lorenzo Valley (63), Monte Vista Christian (43), Santa Cruz (35), Harbor (33) and Watsonville (14).

Aptos's strategy was to overwhelm the opposition
