

# 2 Spartans Set World Record

San Jose State College distance runners Jeff Fishback and Charlie Clark today bettered the world record in the 10-mile, two-man relay, with a time of 42 minutes 9.6 seconds.

The recognized record is held by Max Truex and Mal Robertson at 42 minutes 49.8 seconds, set in 1957.

The San Jose runners performed in an All-Comers meet at Stanford Saturday. The time was recorded under AAU regulations on a quarter-mile track and will be submitted for recognition.

In the 10-mile relay, the runners take alternate turns running a mile at a time.

#### Other results:
