I want to thank you all for coming to this years Winter Corporate Relays. It was the second largest turnout that we have ever had. I also want to thank Cary Hermensen of Sports & Spinal Care Center for being on hand as our chiropractic help. There was a donation of $151 made to the Maxtor Running Club which we appreciate very much. We will continue to have a kids race and try the Cross-Country race once again. If anyone has any ideas, comments or suggestions on how we can make this event better, please contact me. I also have found one, right foot, Puma racing spike (about size 8-9 I think) with a blue stripe. If you lost one, please call me at (408) 446-9063. See you at the Regionals and next year.

T⁻ was record day on Feb 24th, in terms of the weather, times run and teams
 ticipating. The weather was a beautiful and clear 75 degrees (spring fever
was in the air). Two teams broke a 3 year old meet record in the Coed/Master
Mile Team Race, thus earning themselves the coveted "free pitcher of beer", and
we had 10 complete teams and 2 partial teams all going for the perpetual trophy.

The day started off with a non-scoring 2.6 mile Cross-Country run open to team
members and families alike. It was won by D Callendce of Sun Microsystems in
16:08 and Kristen Wilde of Chevron in 17:54. We then moved to the track where
the competition really got hot with perinial powers Hewlett-Packard and
Lockheed fighting off surprise teams of General Electric and Syntex. The lead
changed 3 times throughout the day with battles also being close for 2nd, 3rd
and 4th place. When the tarps came down and the warriors retreated to the
pizza parlour for the awards and the days video, we saw HP repeating as
champion with 78 points, surprise team GE taking 2nd with 67 points and
powerhouse Lockheed just hanging on for 3rd over Syntex with 59 Vs 56 points.
Rounding out the finishing teams were Pac*Tel, SRI, Sun Micro, Chevron, Nat'l
Semi, AT&T, Max/Mips and Lockheed B. We also held the first annual Korporate
Kids Run, a 440 yard dash for any child that wanted to participate. Other than
the few tears from the younger particpants who were unable to keep up with
their older siblings, it was well received. The day ended with a remark from
a Chevron runner saying, "Now I know that I'm a year older".
