NORTH COAST SECTION GROUP MEETSTANFORD UNIVERSITY GOLF COURSE, FRIDAY, NOVEMBER 22, 1963GUESSING GAME

As has been said every year in the past we must again name this year "the greatest in Northern California history!" It is the truth that along with the great growth in number of schools and the number of participants that are added each year to the sport of high school cross country we are bound to notice that the quality of participation continues to climb steadily upwards. The use of individual times and team times assist us in plotting this constant climb in quality--where it will level off, if, indeed, it ever does, one can only speculate. Below are some of our guesses as to probable individual winners and probable team winners in today's group championships:

2:20pm

GROUP I (School under 950)

Individual Record Holder: Adrian Avila, King City, 9:53.7 1959
 1962 Individual Winner: Myers, North Salinas, 10:27
 Team Record: Miramonte, 52:08, 1959

Teams:

St. Helena (260p), Live Oak (515p), Oceana (592p), King City (610p), Carmel (662p),
 Terra Nova (732p), Piedmont (811p), Encinal (828p), Burlingame (892p),
 Mountain View (900p)

Prediction:

The under 950 group of schools is a virtually unknown class mainly because the competitors have not run each other often enough to state comparative efforts. Take your pick in the team title and the individual crown--Terra Nova would be our guess.

2:40pm

GROUP II (Schools from 951 to 1200)

Individual Record Holder: Mike Ryan, Wilcox, 9:38.0, 1962
 Team Record: Terra Nova, 50:56.0 1962

Teams:

Acalanes (952p), Awalt (1,005p), Newark (1,052), Pioneer (1,098p), Pacific Grove (1,078p), Del Mar (1,110p), Santa Clara (1,166p), St. Francis (1,168p)
 Antioch (1,192p), Leigh (1,199p)

Prediction:

A real tug of War---Antioch and Leigh in a real close one. Berrera, Newark, Bob Crispin, Pacific Grove and Fredrickson of Leigh will fight for individual honors.

3:00pm

GROUP III (1,200 to 1,300)

Individual Record Holder: Mike Lehner, Palo Alto, 9:40.6, 1959
 1962 Individual Winner: Monroe, Miramonte, 9:50.0
 Team Record: Miramonte, 50:42, 1962

Teams: Jefferson (1,200), Buckser (1,220p), Mills (1,225p), Pittsburg (1,233p),
 Wilcox (1,238p), Del Valle (1,240p), Aragon (1,250p), De Anza (1,266p),
 Andrew Hill (1,300), Hogan (???)

Prediction:

This heat presents one of the day's most competitive efforts. A tough Mills team is a slight favorite over two other teams that could close the gap and with a "good day" upset the dope. The two other teams are Wilcox and Pittsburg. With the possibility of one of them being eliminated from the finals this will be a battle royal. Mike Ryan is the individual favorite--Mike holds the course record.

3:40pm
GROUP IV

(Schools (1,301 to 1,485)

Individual Record Holder: Walt Hewlett, Palo Alto, 9:44.0, 1961
Paul Graham, Los Altos, 9:44.0, 1962
Team Record: Palo Alto, 50:54, 1961

Teams: Ygnacio Valley (1,370), Hayward (1,376p), Capuchino (1,411p), Mt. Diablo (1,420p),
San Mateo (1,424), North Salinas (1,436p), Westmoor (1,450), San Romon (1,480)
Miramonte (1,480)

Prediction:

Miramonte should have little trouble of disposing of this modest field. Bruce
Kay of Miramonte should top this field as the individual winner.

3:40pm
GROUP V

(Schools of 1,486 to 1,575)

Individual Record Holder: Don Hoyt, Cubberley, 9:54.0, 1962
Team Record: Alameda, 50:48, 1962

Teams: Mt. Eden (1,488p), Irvington (1,490p), Carlmont 1,511p), San Leandro
(1,533p), Foothill (1,543p), Santa Cruz (1,545p), Arroyo (1,565p),
Alameda (1,568p)

Prediction:

Carlmont, presently ranked 2nd in the National Postal competition, is a heavy
favorite in this race and whatever trouble that they get will come from a
better than average Arroyo team. The race for individual honors should produce
a new course record. Orstegon of Irvington, Renolds of San Leandro, Ralph
Gamaz of Foothill and Mike McCann of Carlmont will provide the competition.

4:00pm
GROUP VI

(Schools of 1,576 to 1,675)

Individual Record Holder: Tom Tuite, Serra Catholic, 9:56.5, 1960.
1962 Individual Winner: Tingley, Hayward, 10:08.
Team Record: Clayton Valley, 50:58.4, 1960

Teams: Palo Alto (1,595), Sunnyvale (1,607p), Monterey (1,610), Pleasant Hill (1,623p)
Cubberley (1,647), Castro Valley (1,650p), Campbell (1,658) South S.F. (p),
Camden (p).

Prediction:

Hill

A four way scrap for first place between Cubberley, Pleasant, Sunnyvale, and
Palo Alto. Cubberley is my choice with Bruce of Pleasant Hill taking
individual honors.

4:20pm
GROUP VII

(Schools of 1,676 to 1,925)

Individual Record Holder: Harry McCalla, Berkeley, 9:43.3, 1959
1962 Individual Winner: George Rios, Sunset, 9:48.0
Team Record: Washington 50:39.0, 1960.

Teams: Tamalpais (1,676p), Blackford (1,701p), Los Altos (1,745), Hillsdale (1,788),
Cupertino (? p), Redwood (1,855), Riofدان (1,860p), Clayton Valley (1,865),
El Cerrito (1,876p), Montgomery (1,908p)

Clayton Valley is the team favorite with all-around running.
Burkhard of Clayton Valley should gain first place.

4:40pm

GROUP VIII

(Schools of 1,926 to unlimited size)

Individual Record Holder: Bruce Morse, Washington, 9:57.0, 1962

Team Record: Carlmont, 51:15, 1962

Teams: Vallejo (1,949p), Harry Ells (1,976p), San Carlos (1,976), Tennyson (2,120p),
San Lorenzo (2,200p), Washington (2,200), Watsonville (2,389p), Overfelt (2,450p),
Richmond (3,145p), Berkeley (3,284p).

Prediction:

Tennyson and Berkeley tangle in this large school heat, with Tennyson the seeming favorite, but mainly off their better postal time. This will be a real dual and Berkeley cannot be counted out. Trujillo of Tennyson and McCalla of Berkeley will run hard for individual honors.

NOTE TO COACHES:

PLEASE REMIND YOUR RUNNERS TO STAY OFF THE FAIRWAYS AND OUT OF THE SAND TRAPS. KEEP YOUR TEAMS IN TEAM AREAS, TO OBEY MEET OFFICIALS AND STANFORD OFFICIALS.

Sincerely Yours,

Loren L. Lansberry
Jim Luttrell
