

Carlmont Breaks Prep Mark

STANFORD—Carlmont High's cross country team smashed the national interscholastic record here Saturday — but lost the race.

Led by the second sub-nine minute two mile in United States high school history, Wilcox High of Santa Clara beat Carlmont and set a national record of 48:20.7 for the five-man, 10-mile event.

Mike Ryan of Wilcox ran his eight laps on the Angell Field track in 8:57.7, a time bettered

only by Olympian Gerry Lindgren, last June.

Carlmont's team time was 48:22.3, also well under the all-time best prep clocking of 48:49.5 by Ossining, N.Y., last year and the recognized record of 48:50 by South Salem, Ore., in 1962..

Mike McCann of Carlmont was second to Ryan — both in Saturday's race and in current national rankings — in 9:18.1. Twin Martin McCann was third in the race and took fourth in national rankings for the season with a time of 9:30.2.

Mike McCann's time broke his own San Mateo County record of 9:23.7 set Oct. 19.

Seven of the eight Scots entered in the race ran the

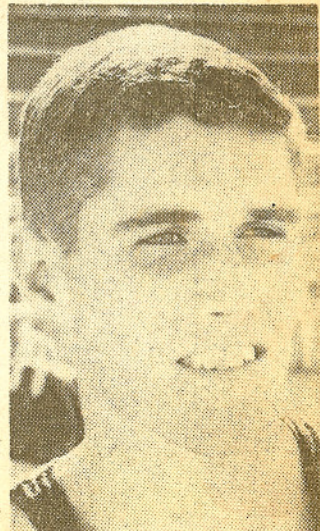

fastest two miles of their lives. Tom Wake, 9:49, Bill Bradfield, 9:50.0, and Dave Walsh, 9:55, were others whose times counted toward Carlmont's total.

Manning Mahan of Homestead High set a national freshman mark in the race with a time of 9:55.3.

San Carlos High cut its school record by more than two minutes with a team time of 52:01. Junior Terry Kane led the Dons at 10:00.8.

SCORES AND TEAM TIMES—Wilcox 57 (48:20.7), Carlmont 45 (48:22.3), Pittsburg 67 (49:09.3), Homestead 86 (49:32.2), Tennyson 106 (49:54), Sunnyvale 120 (50:08.7).

INDIVIDUAL—Ryan (W) 8:57.7, Mike McCann (C) 9:18.1, Martin McCann (C) 9:30.2, Carter (P) 9:34.3, Brackett (H) 9:39.2, Wake (C) 9:49, 12. Bradfield (C) 9:50, 18. Walsh (C) 9:55, 23. Mills (C) 10:00, 24. Kane (SC) 10:00.8. Other SC runners: Lilly 10:10, Zachary 10:18, Williams 10:27, Davis 11:04.

HIGH SCHOOL TWO-MILE POSTAL TEAM RACE

Proviso West Sets Record

Once again high school distance runners rose to the occasion and broke all records in the eighth annual nationwide postal competition sponsored by Track & Field News.

The great crew from Proviso West of Hillside, Illinois, averaged 9:37.2 for two miles in the five man team race. Proviso West lowered the total team time record to 48:05.9, adding this mark to the national records it holds in the distance medley and four-mile relay events.

A repeat winner among the individuals, and again with a record time, was Mike Ryan of Wilcox, Santa Clara, Calif. Despite an injury which kept him off the track for a full month early in the fall, Ryan turned in two fine runs of 8:57.7 and 8:58.9. He won last year with a 9:09.8 performance that was a US prep record. This time he missed the national high school record of 8:56.0 by Gerry Lindgren only because he was on his own all the way.

Jim Olsen of Kirkwood, Missouri, also was under the former standard with a 9:08.7 clocking. Two other boys broke 9:20, a total of 10 were under 9:30 and 70 runners broke ten minutes.

Team competition was hotter than ever as four schools bettered the 48:50.9 record set by South Salem in 1962. Wilcox and Carlmont, Belmont, Calif., hooked up in a torrid duel with Wilcox winning 48:20.7 to 48:22.3. Carlmont won a second match in 48:21.7. York of Elmhurst, Illinois, was the fourth record breaker at 48:43.0 while East, Wichita, Kansas did 48:57.3 paced by Jim Ryun's 9:10.0.
