Sofos And Mills Champs

By STEVE SINGER

Mill High School powered its way into the Mid Peninsula League cross-country championships in both the varsity and soph-fresh divisions despite the fact that neither race was won by a Mills harrier.

The clear, warm weather and the excellent condition of the Mills 1.99 mile course, both unusual for the MPL finals, made it possible for

many MPL finals records to be broken.

In the varsity race, Mills outpointed Burlingame, the second place team, 33-42, even though Steve Sofos of Burlingame won the race in the record time of 9:20. Hillsdale was third in team scoring.

The previous record was set last year by Dave Madigan of San Mateo at 9:29. The next three finishers behind Sofos also broke the record.

THE VARSITY race provided all the excitement that had been expected as the top six runners were bunched within inches of each other until the final quarter mile. Sofos then exploded with a powerful burst of energy and raced home in front of second place finisher Arvid Kretz of Mills by one second.

The first quarter mile of the race was jammed with the red running jerseys of

both Mills and Burlingame. The race remained close as Carlos Ortiz of Hillsdale took the lead after one half mile.

Throughout most of the race, Ortiz held a slight lead of a yard or two, despite the fact that one of his shoes came off early in the contest.

BUNCHED UP front with Ortiz were Sofos and Joe Whytock of Burlingame, and Kretz, Rich Jurgens and Steve Denney of Mills.

With less than half a mile to go, Ortiz' foot struck a rock and the pain was so intense he simply couldn't run as fast. In one swift move six runners passed him.

Coming onto the track, Sofos inched out in front of Kretz and raced him stride for stride the entire back side of the remaining quarter mile. With 110 yards to go, the tired Kretz simply could not keep up with the sprinting Sofos.

SOFOS CROSSED the finish line at 9:20, followed by Kretz and Jurgens, each one second behind.

Mills captured the soph-

frosch race with a team score of 36 as compared to second place San Mateo with 45. Randy Gruening of Aragon won the race in 10:00, also a new record.

HILLSDALE High School won both the junior varsity and freshman championships with scores of 30 and 32 points, respectively.

An unofficial JV race was run in order that the top seven junior varsity members from each school could run alone for the championships.

In the first of the two races, more than 100 runners competed. Hillsdale was the winner of the race with 30 points, but Paul Catalli of Burlingame was the individual winner in 10:43.

In the official JV race, Hillsdale swept three of the top ten places, led by John Benitou, who finished second. Jose Manjarrez of San Mateo was the individual winner in 10:12. Manjarrez' time also established a new MPL finals record, surpassing that of 10:15.7 by Larry Lynum of Hillsdale in last year's finals.

Hillsdale dominated the freshman race as Knight runners Randy Whetteland and Dave Schotzko finished first and second, respectively.
