

M-A Harriers 2nd in Meet

Menlo-Atherton High's cross country team completed what coach Plato Yanicks called "our worst dual-meet season ever" Monday afternoon at Capuchino High by placing in the middle of a three-way meet, behind Cap and in front of South San Francisco.

The Bears completed the dual meet season with an 8-11 record. The previous high Bear loss total was only three.

Yanicks had one bright spot Monday — the junior varsity race — which was run over the same hilly 2.6-mile course the varsity ran over.

Mark Hausler led the minor Bears to an easy win and, Yanicks says, "Will probably be moved up to varsity" for the center and postal meets upcoming, along with the SPAL cross country finals,

scheduled for Nov. 12.

The M-A freshman team lost to Capuchino also, 24-31.
