Mitch Kingery of Redwood City Jr. High took the frosh team title with a 13:21.7 over Hernandez of Geyserville (13:25). Swope Jr. High of Reno won the team affair in fine fashion with 62 points to 88 for La Sierra of Sacramento. The frosh individual race was won in grand fashion by Nahirny of Washington in 13:37.0 over Geiser of San Carlos (14:21).

Modesto Invitational: Chuck Mork of Washington (Fremont) continued his winning ways in fine fashion by beating Ron Genschmer (Sunset, Hayward) for the individual varsity title. No times or team scores are available.

Pleasant Hill Invitational: (Oct. 24) - The 6th Annual Pleasant Hill Invitational Cross Country Jamboree was undoubtedly the best of the series, despite the absense of defending champion Tom Hale of Campolindo, out with shin-splints. Winner of the special varsity race was Diablo's Brian King in 9:40.5, third fastest time ever recorded on the course, despite rain the night before. He beat Pleasant Hill's MacTavish (9:47), Piedmont's Tyler (9:48) and his own teammate Mike Knott (9:49) in the process. Diablo won the team title handily with 25 points to Pleasant Hill's 60. The regular varsity race was won by Walton of College Park in a fine 9:50.3. He was all alone as he beat runnerup Kelly of Antioch by 13 seconds. However, Antioch won the team title with 52 points to Campolindo's 65 (minus Hale). Diablo continued its winning ways by taking the JV, Frosh-Soph, and Frosh races by scores of 63-97 over Amador, 63-118 over Campolindo, and 19-93 over Richmond respectively. This was the second year that Mt. Diablo had swept the four races. The JV race was won by Canyon High's Ron Luschar in 10:21 over Kelly of Mt. Diablo (10:30).

Golden Gate Park Center Meets: Willow Glen High of San Jose has been doing extremely well on the GG Park course, placing their first five in the top ten on one occasion according to informed sources. No times or scorings are available. If anyone has some, please send to the editor.

Terra Nova Invitational: This October 31st extravaganza featured 12 races; four divisions, with three races in each division (one for small, medium and large schools, based on enrollment). Rather than list all the team scoring, I will simply list the best times recorded in each division (mix small, medium and large together). In the varsity, West Valley's stellar Chuck Mork continued his winning ways, outsprinting Mike Arago of Tamalpais in the stretch (10:02 to 10:07). Mark O'Connell (Soquel) followed with 10:13, then came Steve Brooks (Mt. Pleasant) 10:14, Ed Noves (Soquel) 10:15, Ron Genschmer (Sunset) 10:16, George Manriquez (Mt.
