SCHULZ LEADS WEST VALLEY SWEEP OF PA-AAU JR. 10-KILO: (Dec. 12, Belmont) - Hal Schulz, Tim Holmes, Mike Van Horn, Boyd Tarin, and Greg Mandanis all won free trips to the Jr. International Trials in San Diego as a result of their finishes in the PA-AAU Jr. 10-Kilo...funding coming from the Long Distance Running Committee. Holmes, the NorCal Prep of the year, and Phil Hornig, second in the NorCal JC Championships, took the early lead, along with Boyd Tarin. Schulz lay back comfortably and finally made his move coming up the second long hill and pulled away over the final two miles for a 14-second victory. Holmes and Hornig had a spirited battle for second, with Hornig almost catching Holmes at the wire before the Downey senior looked over his shoulder and dug in for the sprint. WVTC defended their team title with a cumulative time of 2:44:27, with Camino West (2:55:29) and Woodside Striders (2:57:00), taking the other two award spots. Those not turning 20 in 1977 are eligible to compete at the Natl. 8-Kilo (and International Trials) in February in San Diego (see scheduling section for details). /Jack Leydig/
