Southern Section Finals Mt. SAC

By DOUG SPECK

With its usual large number of top individuals and teams the Southern Section came to Mt. SAC for its Prelims (November 14) and Finals (November 21) competitions. The combination of challenging course, good weather, and a pretty good course for spectators teamed up to make a couple of good days of cross country action. There were no real shockers in the upset department, either individually or team-wise, with the 2A Men's team race, and Girl's 2A and 4A individual efforts perhaps the most interesting to look forward to watching in the Finals. Five 2A Men's squads were within about a minute after the Prelims, Vickie Cook and Tania Fischer would tangle in 2A action, and a rejuvenated Polly Plumer would face Theresa Barrios and Denise Ball in the 4A.

Women's 1A Division:

There were no surprises here, as Sacred Heart of Los Angeles, under Coach Greg Ryan, avoided last year's nightmare which had them finish third after being favored, by winning easily here. Their 55 points (103:15 team time for top five) was easily better than Paso Robles 79 (107:23). Lori Lopez led her teammates to their team title by defending her individual title. Her margin of victory was nearly a minute at 18:00 to 18:53 for Kathy McMillion (LA Baptist).

1A Teams: Sacred Heart(LA) 55 (103:15), Paso Robles 79 (107:23), Atascadero 98 (107:55), Sherman Indian (Riverside) 106 (108:46), Bishop 109 (109:10), LA Baptist (Sepulveda) 118 (108:44), Maranatha 142 (411:26), Pasadena Poly 162 (122:27). 1A Individuals: Lopez(SH) 18:00, McMillion(LAB) 18:53, Kutner(PP) 19:21, Vasquez(SH) 20:33, Setalla (SI) 20:35, Thompson(Ata) 20:38, Olsen(PP) 20:41, Barger(PR) 20:58, Bonati(Ata) 21:00, Kolbe(Bish) 21:10.

Men's 1A Division:

Favored Sherman Indian (Riverside) was disqualified from participation in the Finals after having the top team time in the Prelims by over a minute due to the use of a fifth year runner. Coach Don Blair's La Salle Lancers took advantage of the situation by dropping their team time a nice two minutes from prelims to finals to take the title easily. Super

soph J. P. Hall (3rd-16:10) and Brian Green (4th-16:13) keyed the win. It was a classy close to what has not been a totally smooth season for Blair and his squad. Brentwood (116) nipped Fillmore (121) for second. Carpinteria's Tom Grewe got lost last week, but managed to stay on course this time to win easily in 15:39. Brentwood's fine junior, George Yuster, was second in 16:03.

1A Teams: La Salle(Pasadena) 65 (84:23), Brentwood 113 (85:52), Fillmore 121 (87:10), Morro Bay 126 (87:43), LA Baptist 144 (87:45), Maranatha 168 (88:51), Bishop 168 (87:40), Carpinteria 170 (87:13), Atascadero 178 (88:56), La Verne Lutheran 187 (89:34), 29 Palms 199 (89:45), Woodbridge (Irvine) 222 (90:26). 1A Individuals: Grewe(Carpinteria) 15:39, Yuster(Brent) 16:03, Hall(LS) 16:10, Green (LS) 16:13, Mawhorter(LV Luth) 18:16, Baker(Bish) 16:22, Smith(Bish) 16:31, Paine(Carp) 16:42, Olson(Bapt) 16:45, Villalobos(Fillm) 16:45.

Women's 2A Division:

The big duel here was for the individual title, with Tania Fischer (Chaminade, Canoga Park) looking super in her Prelims heat in establishing a new course record of 17:29. Fischer would race her buddy, Vickle Cook (Alemany, Mission Hills), who cruised 17:39 in qualifying. Seemingly out for a road run together Vickle and Tania ran step for step for the first two miles, Fischer appearing to look just a touch better with her quick, pitter-pattery rhythm alongside the gangly Cook. But everyone knew how it would end, Vickie would move ahead enough in the last mile to win narrowly. But not today, as Tania forged ahead on a stretch behind the hills after the two mile, hidden from the spectators. By the time the duo was back in sight coming over Reservoir Hill, Fischer had a wide twenty-five yard lead. She stretched that out quite a bit on down and into the finish to win 17:31-17:49. Cook was going for her fourth consecutive individual champlonship.

yard lead. She stretched that out quite a bit on down and into the finish to win 17:31-17:49. Cook was going for her fourth consecutive individual championship.

The San Andreas League strength spilled over into the Girl's division, as Victor Valley squeezed to a 93 (102:01)-95 (101:59) win over Lompoc. The top six squads in this division all dropped times over a minute for a nice bit of peaking.

2A Teams: Victor Valley 93 (102:01), Lompoc 95 (101:59), Central (El Centro) 118 (103:41), Ontario 125 (104:09), Los Amigos (Garden Grove) 146 (104:36), Nordhoff 153 (105:35), Valencia 179 (107:27), Arroyo Grande 184 (107:09), Alemany (Mission Hills) 192 (105:52), Chaminade (Canoga Park) 208 (107:13), Rosemead 210 (109:22), Agoura 218 (109:44). 2A Individuals: Fischer(Cham) 17:31, Cook(Ale) 17:49, Kiernan(LA) 18:29, Brazel (Chino) 18:32, Buzza(Arroyo Grande) 18:59, Silva(Ale) 19:06, Torres(Basset) 19:11, Moreno (Montclair) 19:23, Rich(Lomp) 19:26, Unruhe(Nord) 19:30, Sowers(VV) 19:35, Garcia (Brawley) 19:37, Howard(Norte Dame, Riverside) 19:41, DeSantiago(Ontario) 19:43, Hahn (Lompoc) j19:47, Hyatt(Lompoc) 19:51, Manning(Louisville) 19:54.

Men's 2A Division:
The tightest division after the Prelims, with five teams within a minute and one-half, was turned into a rout with Barstow's most impressive performance of the entire day. Coach Don Braden's squad features four sophs in its top six, and the group dropped nearly two minutes (82:47-80:53) to easily win with 65 over Arroyo (El Monte) 103 (82:40) and Righetti (Santa Maria) 104 (83:27). The 1-2 team finish was the same as last year.

Denise Ball

Barstow's super soph, Jim Ortiz, raced to a comfortable 15:24 win (fastest ever soph time at Mt. SAC?). Mark Smith of Perris (15:38) edged Jesus Contreras (Indio) and David Loud (Charter Oak, Covina junior at 15:41 and 15:43 for second.

The addition of Laurie White to Mira Costa's squad for the Finals and illness for the San Marino group told the story here in the team race. Off and on since the middle of the season with Injury, the 11:23.4m (3200) performer White, charged a 19:09 for ninth behind super frosh teammate Laura Cattavera (third 18:20) to assist the team to its 81 points and fine 97:48 time. San Marino held two of its top four out of the Prelims, and they were not able to come back far enough to make the difference. Walnut, led by super (and young) sister duo of April (soph-5th 18:48) and Rachel Acosta (frosh-8th 19:02), almost caught San Marino for second 97:99.

Leslie White(Sonora, La Habra) is able to come up with super performances in the Sectional Finals each year (5th-2nd-1st in the past), and she did it again here. She burned off Bishop Amat's Kathy Ebiner during a torrid third mile to win easily 17:54-18:20.

3A Teams: Mira Costa(Manhattan Beach) 81 (97:48), San Marino 97 (99:16), Walnut 99 (98:50), Laguna Beach 118 (99:58), Bishop Montgomery(Torrance) 151 (101:06), Saugus 165 (102:09), Arlington(Riverside) 169 (102:03), Bishop Amat(La Puente) 172 (101:09), Nogales (La Puente) 194 (103:14), Moreno Valley 203 (103:19), Norco 233 (106:07), Rowland 258 (106:28). 3A Individuals: White(Sonora) 17:54, Ebiner(BA) 18:20, Cattavera(MC) 18:20, Feit(Mater Dei) 18:29, A. Men's 3A Division:

After last year's upset, Mater Dei (Santa Ana) was ready—they could only really beat themselves by running poorly. Packing six into the first thirteen scoring places the Monarchs were easy winners with 37 (79:21) over come-through Montebello's 118 (82:13). Canyon of Canyon Country fell off a bit from the Prelims (81:02 to 82:12) for third at 130. This division will look similar next year as the top three squads return four, six, and six from their top seven.

Culver City's 9:25 3200 runner, Sean Nugent eased away from junior Tim Cammack (South Hills, Covina) and League rival Rick Dotson (Aviation, Manhattan Beach) 15:25-15:30-15:31 in the last mile. Having had to frequently race Friday duals before his Saturday Invitationals, Nugent was well rested for this race, as he recorded the fifth fastest time of the day.

With the team battle a foregone conclusion unless all of University of Irvine's girls got knocked down the individual race was the feature here. University's Theresa Barrios and Polly Plumer, and Newbury Park's Denise Ball seemed to be the main combatants. Polly (17:51) eased in behind Theresa (17:43) in their 1-2 Prelim finish, while Ball won her race the previous week in 17:57. The Finals race was not that complicated. The trio pulled away from the pack after a mile, and it seemed as if Ball and Barrios planned to move during the hilly three-quarter mile switchback loop. Plumer fell back a bit, but as the trio moved towards two miles at "poop-out" hill the defending champ moved past the fatigued Ball and Barrios and raced easily away to victory. Polly seemed to take out the frustrations of a season with few, if any, all-out efforts due to injury and a comfortable return in her 17:27 course record.

University's fifth scorer was 17th as the Trojans scored 41 (92:28). Their team time of 18:29 per runner is pretty good—they would average somewhere between 17:25 and 17:45 through five on a flat course. Back a ways, Century League rivals Foothill(Santa Ana) 97 (96:41) and Tustin 115 (97:20) battled for second. It is too bad they only give two team awards in a division, since the top four to six squads in this division are positively frightening.

Consistently rising to the challenge during the year when it had to, Coach Keith Gilliland and Jay Rubinos' Crescenta Valley Falcons were big winners here. A vastly improved squad, the Falcons 84 points (79:25) were paced by the individual winner Jeff Holyfield. A 4:28-9:41 distance runner last spring, Holyfield charged to a 15:00 clocking here—worth about 9:00 for two on the track. Jeff raced easily past slightly favored Eric Reynolds of Camarillo on the downhill portion of the Switchback loop and was a big winner. Reynolds was slowed by illness. Tustin's Mike Parker won the torrid battle for second with a 15:22. Thousand Oaks, a school only barely in the Finals when a scoring error was discovered after the Prelims, shocked about as much as its win of last year in racing to a balanced second place effort here at 125 (81:13). Close in third was El Toro 127 (81:03), fourth Fountain Valley 132 (80:57), and fifth an impressive performance by Santa Barbara with 134 (81:01).
